## **Growing Up In The Fraser Valley:**

*Growing Up* Neil Sutherland, 1997-01-01 By laying out the structure of children's lives and their childhood experiences in such settings as the home the classroom the church and on streets and in the playground the author describes how English Canadian children grew up in modern Canada

*Growing Up in the Fraser Valley* Ian S. Mahood, 1994

**The Fraser River Gold Rush of 1858**, 2001 This book is about the gold rush which took place in the Fraser River and vicinity in 1858 which was within the British Possession and the Washington Territory now called British Columbia and the State of Washington This book covers the Fraser River Gold Rush from its infancy to what could be considered its conclusion as viewed by the California newspapers This book is somewhat unusual as it tells the chronological history of the gold rush as it unfolded and progressed by using newspaper articles from that era The news articles themselves were in most cases letters which had been written by many of the miners or correspondents who went to the area either to dig for gold or report on what was happening Many of the letters capture the experiences of the writer and his ordeal in trying to reach the gold fields as well as the latest news of the day Over 25% of the California miners would go to this place called the Fraser River not believing in the perils and danger that awaited them until actually faced by them As some would say crossing the plains was nothing in comparison to trying to reach the gold fields of the Fraser River and vicinity This book readily depicts their reason for saying so

*When Tish Happens* Frank Davey, 2011-04 In the early 1960s a group of students at UBC started a magazine called Tish The name was purposefully an anagram of shit in order to demonstrate their youthful and iconoclastic attitude In many ways Tish and its editors became the clear break from older Canadian poets and styles At the heart of the magazine and the movement was Frank Davey And it is Davey who has written this definitive history Davey has organized the material as a memoir starting from his own early days in Abbotsford B C and gradually introducing the other poets including George Bowering Daphne Marlatt and Fred Wah despite the fact that Davey doesn't meet them until they all arrive at UBC Much of the theory of the Tish poets derives from the Black Mountain poets an American movement that incorporated the writings of Charles Olson Robert Creeley and Robert Duncan who suggested the name itself The Black Mountain poets believed that writing should be locally based and should grow out of the author's own breathing patterns The more specific to a locale the better The poets are introduced as characters in a play and when Fred Wah says Let's start a magazine things happen The first 19 issues became the calling card for a new type of poetry but inevitably the writers began to go their own way It is Davey's commitment that holds the group together despite their geographical separation The Tish movement provided the impetus to create a new more contemporary Canadian poetry And here Frank Davey reveals how it started grew and became a lasting force

*Ring Around the Maple* Cynthia R. Comacchio, Neil Sutherland, 2024-10-29 *Ring Around the Maple* is about the condition of children in Canada from roughly 1850 to 2000 a time during which the modern increasingly disrupted traditional ways Authors Cynthia R Comacchio and Neil Sutherland trace the lives of children over this long century with a

view to synthesizing the rich interdisciplinary often multi disciplinary literature that has emerged since the 1970s Integrated into this synthesis is the authors new research into many often seemingly disparate archival and published primary sources Emphasizing how the child and childhood are sociohistoric constructs and employing age analytically and relationally they discuss the constants and the variants in their historic dimensions While childhood tangibly modernized during these years it remained a far from universal experience due to identifiers of race gender culture region and intergenerational adaptations that characterize the process of growing up This work highlights children s perspectives through close critical against the grain readings of diaries correspondence memoirs interviews oral histories and autobiographies many buried in obscure archives It is the only extant historical discussion of Canadian children that interweaves the experiences of First Nations M tis and Inuit children with those of children from a number of settler groups Ring Around the Maple makes use of photographs catalogues advertisements government publications musical recordings radio shows television shows material goods documentary and feature films and other such visual and aural testimony Much of this evidence has not to date been used as historical testimony to uncover the lives of ordinary children This book is generously illustrated with photographs and ephemera carefully selected to reflect children s lives conditions interests and obligations It will be of special interest to historians and social scientists interested in children and the culture of childhood but will also appeal to readers who enjoy the little stories that together make up our collective history especially when those are told by the children who lived them

**Walk** Rosaline Christensen, 2023-09-18 On October 6 1981 I had a fifteen and a half hour surgery it was autumn the leaves were changing colour The landscape was changing and so was I The lengthy surgery and long recovery left me with significant emotional physical and spiritual changes from my previous self It had a profound effect on my family my children lost the mother as they knew her My husband lost his wife as he knew me It was like a death that none of us were ready for we didn t experience grief because I was still alive Walk With Each Step There s Hope begins with Rosaline growing up on a farm in Fraser Valley British Columbia in the 1940s and 50s Her verbally and emotionally abusive father eventually abandons the family when she is fourteen events that affect her mindset and relationships for years to come essentially ending her childhood as she steps in to fill the support role for her mother and younger siblings At twenty she married and raised four children during her twenty two year marriage At the age of thirty nine the removal of a brain tumour a benign acoustic neuroma leaves her with a long term hearing impairment which leads her down a path of physical emotional and spiritual transformation Years later travelling alone on a three month backpacking sojourn to the Maritimes she celebrates her sixty fifth birthday the kindness and affirmation she receives from strangers encourage her to share her story of hope with others Little does she know as she embarks on this trip that it will take her on the longest journey of all from her head to her heart Weaving poetry and affirmative quotes throughout the book this candid and touching memoir is about resilience courage inspiration family love abandonment addiction forgiveness understanding personal transformation letting go of expectations

living in the present moment and most of all to keep walking through life because with each step there is hope Report of the British Columbia Department of Agriculture British Columbia. Dept. of Agriculture,1901 **Starting in the Middle** Tik Maynard,2025-04-29 An extraordinary follow up to the bestselling memoir In the Middle Are the Horsemen He thought he had it made Dream farm Amazing wife Wonderful kids Clear and present purpose Horses But then he began to wonder if he was doing it all right enough if maybe he d been doing it for long enough He began to wonder if it was right at all When midlife appeared before horseman Tik Maynard he had plenty of past adventures to cite and no shortage of future possibilities But his own questions about his life as a horse trainer and equestrian competitor began to overwhelm the joy of all he had accomplished and discovered It suddenly became imperative that he reconsider his path and open himself to alternatives and a course that might drastically differ from what he d always thought he wanted When an invitation to participate in Road to the Horse the World Championship of Colt Starting was offered Maynard immediately saw an opportunity to learn to expand his world beyond what in some ways felt too complete to reboot the passion that had always driven him And so he took a chance on himself and an unknown unbroken colt and said I ll do it In these deep considered and painstakingly articulated pages Maynard chronicles a year of reading traveling asking questions and trying new things as he supported by family and friends threw himself into the preparation he knew he needed to have 265 minutes in front of a live audience be something positive for both him and a horse he did not yet know The reader travels along as Maynard meets some of the leading figures in the world of animal behavior and training examining the ways humans can successfully communicate with other species from a multitude of entry points both traditional and out of the box With dialogue that sweeps you into each fascinating expert s space and time he shares his struggles with the philosophical and ethical side of his life s pursuit and thoughtfully illustrates the conversations that helped him construct a system of beliefs and understanding that supported his natural abilities and lifetime in the saddle while at the same time challenging everything he thought he already knew Readers are offered the opportunity to grow alongside Maynard not only as horse lovers but as people as he tries and tests and fails and finds and eventually chooses which direction to take in the second half of his life With a diligence and intelligence that is unique to the genre of books about horses and extends well beyond the barn to the broader questions faced by the human race Maynard has again given us a unfailingly honest telling of one life and the pursuit of fulfilling it Starting in the Middle is for anyone wondering what s next and trying to be brave enough to go out and look for it **Points of Interest** David Beers,Andrea Bennett,2024-04-23 Take a trip across British Columbia with this enchanting collection of essays from thirty local writers What makes wandering the vibrant land called British Columbia really special Encounters with locals who are ready to share over a coffee or a beer quirky tales and powerful truths rooted in place and time Consider this book a meet up with 30 such storytellers the perfect road companion for your journey real or imagined The Tyee is the province s oldest and most read independent source of online news and ideas renowned for its range of

**Health Inequities in Canada** Olena Hankivsky,2011-05-01 There is a growing recognition that existing theories on and approaches to health inequities are limited in their ability to capture how they are produced through changing co constituted and intersecting effects of multiple forms of oppression Intersectionality considers the interactions and combined impacts of social locations and structural processes on the creation and perpetuation of inequities This volume brings together activists scholars and community based researchers to apply interpretations of intersectionality to health and organizational governance cases By addressing specific health issues it demonstrates that inequities cannot be understood without the interrogation of power and diverse social locations and structures that shape lives and experiences of health

**Western Canada Lumberman** ,1925      **Who Killed the Grand Banks?** Alex Rose,2010-02-18 While John Cabot s landfall may be in dispute what he discovered is not cod and lots of them Historic accounts say that Cabot lowered a basket weighted with stones into the North Atlantic then hauled it back up brimming with cod The discovery of these fertile fishing grounds set of a centuries long struggle among Basque Portuguese French and English fishermen and established a pattern of far flung coastal settlements called outposts by Newfoundlanders that ring the island And so the legend fits today the Grand Banks became Valhalla a miraculous self sustaining Eight Wonder of the world feeding the known world for 500 years The catastrophic collapse of the fisheries circa 1992 was unprecedented4d An ecological disaster to rival any other the destruction of the Amazonian rainforest notwithstanding in modern history This made in Canada plunder was part human greed part stupidity and part rapacity Tarnishing Canada s standing within the international community it holds the reputation of Canada s once vaunted fisheries scientists up to ridicule Sixteen years later no one has taken accountability or apologized for the ruination of a centuries old way of life and taken accountability or apologized for the ruination of a centuries old way of life and more shocking a stock recovery plan has yet to be produced There can be no forgetting or forgiving such catastrophic pillaging Sparked by a second wave of environmentalism focusing on the state of the world s oceans the Grand Banks cod collapse became a talking point a sujet noir now studied at universities and fisheries research centres wherein students from around the world repeat this mantra we must never allow our fisheries to go the way of the Grand Banks cod

Delisle,2013-06-01 Out migration driven by high unemployment and a floundering economy has been a defining aspect of Newfoundland society for well over a century and it reached new heights with the cod moratorium in 1992 This Newfoundland diaspora has had a profound impact on the province s literature Many writers and scholars have referred to Newfoundland out migration as a diaspora but few have examined the theoretical implications of applying this contested term to a predominantly inter provincial movement of mainly white economically motivated migrants The Newfoundland Diaspora argues that diaspora helpfully references the painful displacement of a group whose members continue to identify with each other and with the homeland It examines important literary works of the Newfoundland diaspora including the poetry of E J Pratt the drama of David French the fiction of Donna Morrissey and Wayne Johnston and the memoirs of David Macfarlane These works are the sites of a broad inquiry into the theoretical flashpoints of affect diasporic authenticity nationalism race and ethnicity The literature of the Newfoundland diaspora both contributes to and responds to critical movements in Canadian literature and culture querying the place of regional national and ethnic affiliations in a literature drawn along the borders of the nation state This diaspora plays a part in defining Canada even as it looks beyond the borders of Canada as a literary community

**The Whirlwind of God Found Me in the Upper Room** David B. Vegh,2025-10-02 David B Vegh shares his incredible story of spiritual warfare and faith in his memoir The Whirlwind of God Found Me in the Upper Room Beginning with his childhood in the 1960s in British Columbia David takes readers along a tumultuous path of seeking travelling and challenges that eventually bring him to a place of understanding who Christ Jesus of Nazareth is and accepting the salvation God offers Lost in a sea of transgressions David had given up all hope of finding God and ever going to heaven In a moment of intense spiritual warfare he was attacked by evil entities including Satan himself and terrifyingly thrown into the Outer Darkness In desperation he cried out to the Lord who brought him back from the abyss and led him on a journey of preparation for his ultimate life purpose The pivotal moment in David s life came when he felt God enter his room in a powerful whirlwind filling him with the Holy Spirit At that moment he was born again and empowered to preach the Word of God with boldness Now in his memoirs he challenges readers to reach out and trust this same God The Whirlwind of God Found Me in the Upper Room provides a unique and engaging exploration of spirituality and the faith to believe and trust in Christ s finished work It reminds readers that regardless of the attacks or tribulations they face Satan is a defeated foe and when they call out to Christ Jesus He will hear their cry and save them to the uttermost
