Forget what you think you know about life's so-called last chapter. Written in sparkling prose, Burnham's latest book will inspire you to leap on a horse, learn Latin, or simply pause to drink in the view, regardless of your age. A meditation on beauty, strength, and life's meaning, Burnham's frank and passionate epistolary book reframes what it means to age. Katherine Eban, New York Times bestselling author of *Bottle of Lies*, *The Wonder and Happiness of Being Old* is a timeless introspection on age, love, passion, memories, regret, and reconciliation, death, forgiveness, and underneath it all, the silent wisdom that derives from how differently we perceive our lives and struggles from the broader, higher perspective of years. What began as a singular letter in response to a younger family member standing on the precipice of her 60th birthday and asking the age-old question, "What's it like to be old soon?" turned into one full year of unsent reflections, wonderment, and curiosity of a life truly lived. Out of these reflections, bestselling author Sophy Burnham developed this short story telling collection of unsent letters that offer readers of all ages hope and joy and new ways to perceive the process of aging. A kind and thoughtful read, *The Wonder and Happiness of Being Old* is the perfect companion piece for life that you can return to time and time again to join Burnham as she reflects on her own desires and experience with age and growth and living fully. Whether you're at the doorstep of 40, 60, 70, or 90, she welcomes you in with an outstretched hand and a knowing nod of understanding and warmth. In the end, this book is about being old. It's also about joy. And most importantly, it's about love. Love of self, of life, and of still being here to tell your stories.

*The Art of Intuition* Sophy Burnham, 2011-02-03 From the New York Times bestselling author of *A Book of Angels*, a wise and inspiring guide to strengthening one's intuitive abilities. Are you intuitive? Do you trust your intuitions? In *The Art of Intuition*, Sophy Burnham contends that we all have hunches and sudden insights and that we need only awaken to our inborn abilities in order to develop our inner wisdom. In this fascinating book, Burnham tells the stories of individuals who have seen without seeing to illustrate the workings of what she calls our intuitive hearts. Exploring such topics as how loved ones are able to communicate with one another telepathically to skeptics who deny their power to see into the future, this book represents an important spiritual thinker's take on a subject that is vital to us all. According to Burnham, intuition is always right, and when you receive messages from Spirit, be it in the form of a subtle impression or a thunderous bolt from the blue, you must always follow the call.
