Effective Psychotherapy for Low-Income and Minority Patients Frank X. Acosta, Joe Yamamoto, Leonard A.

Evans, 2013-06-13 Psychotherapy involves a deep ethical commitment to self knowledge personal change and mutual respect by both the therapist and the patient Unfortunately therapists have not always lived up to that commitment in understanding and treating low income and minority patients Too often they lack the skills to understand and adjust to the patient's community and cultural experiences The result has been ineffective and misguided treatment Effective Psychotherapy for Low Income and Minority Patients is a handbook for psychotherapists interested and committed to correcting this situation and pursuing effective treatment strategies This book is based on the author's ongoing innovative research project at the University of Southern California School of Medicine's Adult Psychiatric Outpatient Clinic Located in East Los Angeles the clinic serves this nation's largest Hispanic American community and has service commitments to residents of the central Los Angeles region Over the years the authors have noted not only a marked need to improve mental health services but also a need to make them more accessible to minority and low income patients Generally these patients have very negative ideas about treatment of emotional problems They typically react to treatment with skepticism no one has really listened to them or understood them before why should this therapist do so now In describing this pessimism the authors discuss the need to listen to and respect each other

**Psychotherapy and the Poverty Patient** E. Mark Stern, 1990 Here is an insightful guide for the psychotherapist who works with poverty patients those who are poor in regard to economic condition as well as those who suffer from psychological impoverishment The authoritative contributors offer therapeutic strategies and methods for avoiding discrimination against lower income patients when often their inability to pay fees can affect the psychotherapy patient's treatment Psychotherapy and the Poverty Patient will assist therapists in treating both patients afflicted with either financial or psychological poverty by addressing a variety of topics that present clinical and philosophical challenges to the practice of psychotherapy The chapters recount specific case examples to provide models for the treatment of lower income psychotherapy patients and also explore the existence of a feeling of impoverishment as part of the emotional cycle of all therapy situations Specific topics included in this fascinating volume include poverty as a medium through which the patient is engaged with his or her own life the experience of poverty as a model for the patient's feelings of oppression and limited possibilities for individual power and liberation the influence of society's ambivalent attitudes toward the poor on the patient therapist relationship and the complicated ethical struggles involved in reduced fee therapeutic services Psychotherapists with patients from all economic backgrounds will benefit from this intriguing book

*Resilience and Vulnerability* Suniya S. Luthar, 2003-05-05 Integrated in this book are contributions from leading scientists who have each studied children's adjustment across risks common in contemporary society. Chapters in the first half of the book focus on risks emanating from the family; chapters in the second half focus on risks stemming from the wider community. All contributors have explicitly addressed a common set of core themes including the criteria they used to judge resilience within particular risk settings; the major factors that predict resilience in these settings; the limits to resilience; vulnerabilities coexisting with manifest success; and directions for interventions. In the concluding chapter, the editor integrates evidence presented through all preceding chapters to distill substantive considerations for future research and two salient directions for interventions and social policies based on accumulated research knowledge.
