Writing the Global Riot, 2023-10-24 The history of the modern riot parallels the development of the modern novel and the modern lyric Yet there has been no sustained attempt to trace or theorize the various ways writers over time and in different contexts have shaped cultural perceptions of the riot as a distinctive form of political and social expression Through a focus on questions of voice massing and mediation this collection is the first cross cultural study of the interrelatedness of a prevalent mode of political and economic protest and the variable styles of writing that riots inspired This volume will provide historical depth and cultural nuance as well as examine more recent theoretical attempts to understand the resurgence of rioting in a time of unprecedented global uncertainty One of the key contentions of this collection is that literature has done more than merely record riotous practices Rather literature has in variable ways used them as raw material to stimulate and accelerate its own formal development and critical responsiveness For some writers this has manifested in a move away from classical norms of propriety and accord and toward a more openly contingent chaotic and unpredictable scenography and cast of dramatis personae while others have moved towards narrative realism or more recently digital media platforms to manifest the crises that riots unleash Keenly attuned to these formal variations the essays in this collection analyse literature's fraught dialogue with the histories of violence that are bound up in the riot as an inherently volatile form of collective action

Lamentations, Song of Songs Wilma Bailey, Christina Bucher, 2015-02-09 Lamentations Song of Songs by Wilma Ann Bailey and Christina Bucher covers the full emotional register of biblical literature from the anguished sorrow songs of ancient Israel to the passionate lyric poems of lovers Wilma Bailey plumbs the interpretive depths of Lamentations including questions about authorship images of God and depiction of a community's response to exile and its development of an identity in the wake of catastrophe Christina Bucher then offers multiple perspectives on the Song of Songs and its imagery characters and allegorical and literal interpretations by readers and communities across the centuries Both scholars build sturdy theological scaffolding to help lay readers pastors and scholars understand and apply the wisdom contained by these Hebrew writings of desire and exile love and lament Volume 27 in the BCBC series About Believers Church Bible Commentary Series Accessible to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all
