F. Walker, 1881 This book is a brief history of Afghanistan and its relations with the British Empire It was published in London in 1881 as Parliament and the British public were debating policy toward Afghanistan in the aftermath of the Second Anglo Afghan War which was fought between 1878 and 1880 The author Philip Francis Walker was a London barrister who had recently served with the British army in Afghanistan and the book contains vivid accounts of fierce fighting with the Afghans In a typical passage Walker describes the Afghan tribesmen as being in great strength fighting very courageously and being well led The most interesting aspect of the book is the summary in the concluding pages of the debate underway in Britain about future policy toward Afghanistan According to Walker three main plans were under discussion 1st That we should annex the whole country including Herat 2nd That we should settle some chief or chiefs in the country as securely as possible and ourselves retire behind the scientific frontier with or without Candahar 3rd That we should evacuate most of the country and continue to hold almost the same frontier between British India and Afghanistan as hitherto Walker generally favored the second option but the third was in fact followed by the Liberal government of Prime Minister William Gladstone **The Perfect Match** Chris Walkowicz, 2008-05-05 This book is a must for anyone considering a canine addition to the family Nearly 150 breeds are presented with a full photo for each and a complete checklist including personality and physical characteristics as well as both positive and negative attributes Never before has there been such depth of truth and authority collected in one comprehensive volume *Top Technique & Special Stitch Afghans* Deborah Levy-Hamburg, 2004 41 magnificent afghans all in one organized crochet technique and stitch library One book includes everything from basic stitches to wonderful ages old techniques that will elevate skills to a new level *100 Afghans to Knit & Crochet* Jean Leinhauser, Rita Weiss, 2006 Presents knitted and crocheted afghans with patterns that are quickly worked up in a weekend History of the Great Western Sanitary Fair, 1864 Anne Orr's Afghans to Crochet and Knit Anne Orr, 2015-01-28 DIV16 attractive patterns including paisley and palm motif horizontal stripes bird and floral designs much more Diagrams photos of finished items div *Dogs* Rachael Hale, 2008-04 Showcases a treasury of adorable and adoring doggies Stuck in Afghanistan Naim Atarud, 2025-06-03 What if uncovering your roots threw you into the heart of chaos Andy an American AI engineer with strong anti immigrant views never imagined setting foot in Afghanistan But a simple DNA test turns his world upside down revealing ancestral ties to a country he knows only from the news Curiosity leads him to Kabul a city teetering on the edge It is August 2021 and Kabul falls under Taliban control The US withdrawal has sparked panic and the streets are gripped by fear and uncertainty Andy stranded and unprepared is swept into the turmoil of a collapsing nation As he navigates the chaos he must confront not only the unfolding disaster around him but also his own deeply held beliefs Back in the US Mary Andy's

The luxury travel guide for Afghanistan, 2025-09-25 **Doomed in Afghanistan** Phillip Corwin, 2003 In April 1992 Phillip Corwin was in Afghanistan as part of a United Nations team whose mission was to help ensure the transfer of power from the Soviet installed communist regime of President Najibullah to an interim authority that would prepare for elections Some years after the Soviet Union withdrew from Afghanistan Najibullah's regime crumbled and he was convinced to resign with the understanding that he would be evacuated to a neutral country India Due to a series of miscalculations and machinations the UN's diplomatic mission failed Kabul fell to groups of mujahadin before Najibullah could be evacuated and before an

interim authority could be installed The inability of the various mujahadin factions to unite led to their eventual defeat by the Taliban who four years later routed Najibullah from his safe haven at the UN compound and executed him BOOK JACKET

Caravan Journeys and Wanderings in Persia, Afghanistan, Turkistan, and Beloochistan Joseph Pierre Ferrier,1856 An Afghanistan Picture Show William T. Vollmann,2013-07-09 Never before available in paperback and all but invisible for twenty years a personal account of the origins of America s longest war In 1982 the young William Vollmann worked odd jobs including as a secretary at an insurance company until he d saved up enough money to go to Afghanistan where he wanted to join the mujahedeen to fight the Soviets The resulting book wasn t published until 1992 and Library Journal wrote The wrong book written at the wrong time With the situation in Afghanistan rapidly heading toward resolution libraries may safely skip this Thirty years later and with the United States still mired in the longest war of its history it s time for a reassessment of Vollmann s heartfelt tale of idealism and its terrifying betrayals An alloy of documentary and autobiographical elements characteristic of Vollmann s later nonfiction An Afghanistan Picture Show is not a work of conventional reportage instead it s an account of a subtle and stubborn consciousness grappling with the limits of will and idealism imposed by violence and chaos **Afghanistan** Jonathan L. Lee,2022-03-08 A colossal history of Afghanistan from its earliest organization into a coherent state up to its turbulent present Located at the intersection of Asia and the Middle East Afghanistan has been strategically important for thousands of years Its ancient routes and strategic position between India Inner Asia China Persia and beyond has meant the region has been subject to frequent invasions both peaceful and military As a result modern Afghanistan is a culturally and ethnically diverse country but one divided by conflict political instability and by mass displacements of its people In this magisterial illustrated history Jonathan L Lee tells the story of how a small tribal confederacy in a politically and culturally significant but volatile region became a modern nation state Drawing on more than forty years of study Lee places the current conflict in Afghanistan in its historical context and challenges many of the West s preconceived ideas about the country Focusing particularly on the powerful Durrani monarchy which united the country in 1747 and ruled for nearly two and a half centuries Lee chronicles the origins of the dynasty as clients of Safavid Persia and Mughal India the reign of each ruler and their efforts to balance tribal ethnic regional and religious factions the struggle for social and constitutional reform and the rise of Islamic and Communist factions Along the way he offers new cultural and political insights from Persian histories the memoirs of Afghan government officials British government and India Office archives and recently released CIA reports and Wikileaks documents He also sheds new light on the country s foreign relations its internal power struggles and the impact of foreign military interventions such as the War on Terror **Afghanistan** Thomas J. Barfield,2022-12-06 A major history of Afghanistan and its changing political culture Afghanistan traces the historic struggles and the changing nature of political authority in this volatile region of the world from the Mughal Empire in the sixteenth century to the Taliban resurgence today Thomas Barfield introduces readers to the

bewildering diversity of tribal and ethnic groups in Afghanistan explaining what unites them as Afghans despite the regional cultural and political differences that divide them He shows how governing these peoples was relatively easy when power was concentrated in a small dynastic elite but how this delicate political order broke down in the nineteenth and twentieth centuries when Afghanistan's rulers mobilized rural militias to expel first the British and later the Soviets Armed insurgency proved remarkably successful against the foreign occupiers but it also undermined the Afghan government's authority and rendered the country ever more difficult to govern as time passed Barfield vividly describes how Afghanistan's armed factions plunged the country into a civil war giving rise to clerical rule by the Taliban and Afghanistan's isolation from the world He examines why the American invasion in the wake of September 11 toppled the Taliban so quickly and how this easy victory lulled the United States into falsely believing that a viable state could be built just as easily Afghanistan is essential reading for anyone who wants to understand how a land conquered and ruled by foreign dynasties for more than a thousand years became the graveyard of empires for the British and Soviets and why the United States failed to avoid the same fate
