An Elegant Collection of Contras and Squares Ralph Page, 1984-01-01 **The Square Dance and Contra Dance** Handbook Margot Gunzenhauser, 2024-10-16 This comprehensive guide to traditional style square and contra dancing sometimes referred to as country dancing covers both music and style and gives background information on various dance types and calling techniques Ninety dances presented in chapters according to type mixers progressive circles contra Southern mountain style squares and others in a wide variety of formations are described with drawings and diagrams for many of the movements A glossary of terms a directory of addresses organizations vendors of books recordings and audio equipment and dance camps and an annotated discography and bibliography are also provided **Dance a While** Anne M. Pittman, Marlys S. Waller, Cathy L. Dark, 2015-04-21 The Tenth Edition of Dance a While continues the 65 year legacy of a textbook that has proven to be the standard of all recreational dance resources. The authors have poured decades of experience and knowledge onto its pages providing a wealth of direction on American square contra international and social dance Each chapter is packed with expertly written instruction coupled with clear and detailed diagrams and informative history to provide students with well rounded training on over 260 individual dances The book also contains a music CD to allow for convenience when practicing outside of the classroom helping to make it an invaluable resource for students of North American Fiddle Music Drew Beisswenger, 2011-05-31 North American Fiddle Music A Research dance at all levels and Information Guide is the first large scale annotated bibliography and research guide on the fiddle traditions of the United States and Canada These countries both of which have large immigrant populations as well as Native populations have maintained fiddle traditions that while sometimes faithful to old world or Native styles often feature blended elements from various traditions. Therefore researchers of the fiddle traditions in these two countries can not only explore elements of fiddling practices drawn from various regions of the world but also look at how different fiddle traditions can interact and change In addition to including short essays and listings of resources about the full range of fiddle traditions in those two countries it also discusses selected resources about fiddle traditions in other countries that have influenced the traditions in the United States and Canada American Square Dance ,1992 Country Dance & Song Society News ,2007 Revival of American Contra Dance H. Post, 2004 Today music in New England homes and communities is broadcast through the airwaves preserved on audio recordings and reinforced in jam sessions and dance clubs Before 1940 however residents in rural New England communities listened to and performed music in more limited social spheres Their performance venues were largely in the home neighborhood village or work place Fewer opportunities

existed at that time to bring new music into the community or to share local music more widely When commerce and the media began to dominate the music scene with the phonograph and later the radio exchanges among musicians and fans transcended the local and broadened spheres of influence and radically altered the musical landscape Drawing upon interviews and archival primary source materials this book presents new insights into the musical practices and traditions of late nineteenth and early twentieth century rural Northern New England a context that includes traditional ballads and hymns and surprisingly popular songs and commercial dance music Jennifer Post lets the voices of ordinary people the participants tell us about their music and cultural history Their stories are infused with issues of concern to ethnomusicologists historians and social scientists about landscape and community gendered expression imagined traditions and historical representation The author conveys that historical traditions are not always what they seem Post offers a startling new interpretation of vernacular music of the region In contrast to many traditional scholars who have viewed ballads and folk music particularly in Appalachia as somehow a purer brand of lost musical traditions Post finds that across Northern New England everyday people equally enjoyed and expressed themselves through an amalgam of folk ballads dance music and popular musical favorites At the heart of this study is the recognition that the musical lives of individuals their families and their communities were constantly being negotiated in relation to social status gender relations local geography and economic needs Bibliographic Guide to Music New York Public Library. Elegant Collection Of Contras And Squares: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of topselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a guiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
