Elementary Forms Of The Religious Life

Émile Durkheim

Elementary Forms Of The Religious Life:

The Elementary Forms of Religious Life Émile Durkheim, 2001 Karen Fields has given us a splendid new translation of the greatest work of sociology ever written one we will not be embarrassed to assign to our students In addition she has written a brilliant and profound introduction The publication of this translation is an occasion for general celebration for a veritable collective effervescence Robert N Bellah Co author of Habits of the Heart and editor of Emile Durkheim on Morality and Society This superb new translation finally allows non French speaking American readers fully to appreciate Durkheim s genius It is a labor of love for which all scholars must be grateful Lewis A Coser

The Elementary Forms of the Religious Life Émile Durkheim, 2019-11-19 In *The Elementary Forms of the Religious Life* mile Durkheim meticulously unpacks the role of religion in social cohesion and collective consciousness This seminal work employs a sociological lens to analyze Australian Aboriginal totemism which Durkheim argues serves as a foundational expression of religious experience Through a rigorous comparative approach he delves into the rituals symbols and collective representations that bind communities employing a clear and methodical style that establishes a bridge between anthropology and sociology Durkheim s insights resonate beyond mere religious phenomenon challenging readers to reconsider the significance of collective effervescence in social life mile Durkheim a pioneering French sociologist significantly shaped the contours of social theory in the late 19th and early 20th centuries His background in philosophy and psychology informed his empirical research on social institutions compelling him to explore how shared beliefs create societal unity Durkheim s own experiences living in a rapidly modernizing society likely influenced his critical examination of religion as a vital source of societal order amidst increasing individualism This book is essential for anyone intrigued by sociology anthropology or religious studies offering profound insights into the fundamental nature of collective life Durkheim s exploration invites readers to reflect on the enduring role of beliefs and rituals in forging social ties making it a timeless piece for both academic and casual audiences

The Elementary Forms of the Religious Life Emile Durkheim, 2015-04-17 *The Elementary Forms of the Religious Life* is the classic and unabridged work on the sociology of religion by one of the founders of the modern science of sociology now presented in a library quality hardcover edition Look for the modern edition published by Quid Pro with a red cover it avoids the proofreading and formatting errors of many new edition Emile Durkheim examines religion as a social phenomenon across time and geographic boundaries Some of the most elemental forms of social organization are analyzed along with their religious beliefs and practices to determine what is fundamental and shared by societies about religion and faith By examining some of the most basic forms of religion particularly in aboriginal Australia and native America and using a creative sociological and anthropological approach Durkheim discovered the core of what separates religion from ritual mysticism science and mere magic what makes the soul more than a spirit He lays bare the notion that the primitive rite or any religion is mainly about fear Part of the Classics of the Social Sciences Series from Quid Pro Books and finally in a library

quality hardcover edition this contemporary republication includes embedded page numbers from the standard print editions for continuity of citations across print platforms and Quid Pro s eBook edition also with the red cover Standard pagination is a very useful feature for research classwork and group assignments This work is simply part of the canon of its field both in cultural anthropology and in the sociology of religion and is presented by Quid Pro in contemporary paperback and eBook formats It includes 2012 Notes of the Series Editor Steven Alan Childress Ph D J D a senior professor of law at Tulane University

The Elementary Forms of the New Religious Life Roy Wallis, 2019-03-19 This book first published in 1984 examines the whole range of new religious movements which appeared in the 1960s and 1970s in the West It develops a wide ranging theory of these new religions which explains many of their major characteristics Some of the movements are well known such as Scientology Krishna Consciousness and the Unification Church Others such as the Process Meher Baba and 3 HO are much less known While some became international others remained local in other ways too such as style belief organisation they exhibit enormous diversity The movements studied here are classified under three ideal types world rejecting world affirming and world accommodating and from here the author develops a theory of the origins recruitment base characteristics and development patterns which they display The book offers a critical exploration of the theories of the new religions and analyses the highly contentious issue of whether they reflect the process of secularisation or whether they are a countervailing trend marking the resurgence of religion in the West

The Elementary Forms of Religious Life Émile Durkheim, 2008-04-17 If religion generated everything that is essential in society this is because the idea of society is the soul of religion In *The Elementary Forms of Religious Life* 1912 mile Durkheim set himself the task of discovering the enduring source of human social identity He investigated what he considered to be the simplest form of documented religion totemism among the Aborigines of Australia Aboriginal religion was an avenue to yield an understanding of the religious nature of man by showing us an essential and permanent aspect of humanity The need and capacity of men and women to relate socially lies at the heart of Durkheim s exploration in which religion embodies the beliefs that shape our moral universe *The Elementary Forms* has been applauded and debated by sociologists anthropologists ethnographers philosophers and theologians and continues to speak to new generations about the origin and nature of religion and society This new lightly abridged edition provides an excellent introduction to Durkheim s ideas

ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Elementary Forms of the Religious Life Émile Durkheim, 1926

The Elementary Forms of the Religious Life Émile Durkheim, 1947

The Elementary Forms of the Religious Life Emile Durkheim, Joseph Ward Swain, 2014-03-14 A classic of religion *The Elementary Forms of the Religious Life* is a worthwhile and incredible read for anyone interested in religion

The Elementary Forms of the Religious Life (Unabridged) Emile Durkheim, 2015-08-14 French sociologist Emile Durkheim set out to explore religion as a social phenomenon and in 1912 published his results in *Elementary Forms of Religious Life*. The relationship between humans and society fascinated Durkheim leading him to research the simplest form of documented religion amongst the Aborigines of Australia and Pueblo Indians. *Elementary Forms of Religious Life* is an important read for the interested mind sparking debate and admiration in many fields such as theology, sociology and anthropology.
