

# 5 MAIN ELEMENTS OF WRITING LITERARY ANALYSIS

SCAFFOLD YOUR WRITING USING THESE FIVE INGREDIENTS

## THESIS

Write a 1-2 sentence thesis that makes three things clear to your reader: the topic of your paper, the argument you are making about the topic, a hint to why your argument should matter to your reader.

## TOPIC SENTENCE OR CLAIM

For each supportive paragraph, start by stating in your own words what the paragraph is focused on. Basically: State briefly what part of your argument is supported in this paragraph.

## CLOSE READING

Make sure to cite directly from your primary text. What exact word, phrase, or sentence can be used as proof for your argument throughout each supportive paragraph?

## ANALYSIS

In your own words, analyze how your close reading quotes/paraphrasing provide evidence for your argument. Your analysis should take up the bulk of your paper.

## SIGNIFICANCE DISCUSSION

Once you've supported your argument with close reading and analysis, make clear to your reader why your argument matters in a "big-picture" way.

Elements of Literary Criticism The real value of literature lies in the fact that it is a source of pleasure and it is most to be  
desired that we enjoy it unconsciously as the Scotch enjoy the poems of Robert Burns without any thought of elements or  
qualities or reasons But that is possible only where an entire community is possessed of a love for poetry that has grown up  
among them with which all have been familiar from earliest childhood We have very little folk poetry and have inherited a

vast literature which we have not produced Study and reflection add greatly to our appreciation of this About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
