Eleven Genetic Gateways To Spiritual Awakening:

Eleven Genetic Gateways to Spiritual Awakening Leonard I. Sweet, 1998 11 Genetic Gateways to Spiritual Awakening Leonard Sweet, 1998 Leonard Sweet uses the metaphor of genetic mapping to explore the possibilities and shortfalls of Wesleyanism in the US He asks What is the genetic code of the Wesleyan movement What genes are contained in this movement and fellowship pioneered by John Wesley What keys unlock the inner spiritual dynamics of the Wesleyan tradition This workbook contains questions and exercises on the genetic codes for the Wesley way to God 11 Leonard Sweet, 2012-02-01 As believers our journey is just as important as the destination And because relationships are essential to our walk through life it is vital that we partner with people who positively impact our world Dr Leonard Sweet believes these essential people are found in the pages of God s Word Using eleven classic figures from the Bible Dr Sweet details key personal attributes that make up God s Dream Team for your life Readers of all ages will be encouraged to not only seek out such people but to find their place with those around them **AquaChurch 2.0** Leonard Sweet, 2010-05-01 We live in a fast paced fluid world A postmodern place where people are drifting making mid course corrections in every aspect of life from careers to relationships to beliefs As church leaders we must continually reshape our ministries to reach a society adrift We must move from being adaptive to being proactive remaining flexible while delivering a uncompromising message AquaChurch 2 0 is a guide for developing responsive and relevant church leadership Fusing Biblical wisdom and modern day insights acclaimed author Leonard Sweet explores the essentials of leadership arts including vision creativity and teamwork This updated and revised edition will enable your ministry to navigate today s cultural currents provide a beacon to your community and connect with a postmodern world Narrative Research in Ministry Carl E. Savage, Dr William Presnell, 2008 We are in a real sense our stories Who we are what we think and how we act are all shaped by the many large and small stories that make up the discourse embedded in our multi sensory social experience It is this postmodern understanding of identity and reality that has prompted the authors to fashion a new way of thinking about doing research in faith communities today particularly through a Doctor of Ministry program It is our belief that in order for faith communities to define themselves and to know what to do in ministry they must first understand the multiple stories which intersect with a given ministry situation in their specific context **Brain-Based Worship** Paula Champion-Jones, 2014-10-07 A new understanding of learning based on the findings of neuroscience can propel the teaching ministry of the Church to new levels of effectiveness Neuroscience is offering fresh insight into how humans learn The resulting teaching paradigm brain based learning is plotting a fresh model for teaching that is proving to make teaching more memorable more applicable and more likely to result in changed thought and behavior It is also refusing to relegate learning to the brain as it re enlists the human body as an instrument of learning Entrusted with the teaching ministry of Jesus no one needs to employ brain based teaching methodology more than those who teach Christ crucified yet in the course of our prime teaching time the worship service we

often violate every guideline This book is written to educate and empower those who plan worship to understand and use brain based teaching strategies Paula Champion Jones is a triple threat She has been designing creative worship services for years she has an enormous heart to see Gods church succeed and now she has the neuroscience to back up how shes invested her own creative gifts You cannot go wrong by reading this book It will open your eyes give you new ideas make you rethink stuff that needs rethinking in short it will teach the most experienced pastors and the most jaded churchgoers to see worship planning in an inspiring new way I cant wait to assign it to students in my worship class Laura K Simmons Professor of Christian Ministries George Fox Seminary

Our Strangely Warmed Hearts Karen P. Oliveto, 2018-03-26 As John Wesley discovered his true spiritual identity he experienced a strangely warmed heart Through poignant stories and well reasoned principles Karen Oliveto discloses why and how spiritual renewal and a personal call to ministry emerge in the strangely warmed hearts of lesbian and gay Christians In The United Methodist Church and other Christian denominations it is difficult or impossible for lesbian gay transsexual and bisexual clergy or laity to become a visible and outward channel for God s saving grace This book traces the history of the church s struggle with homosexuality highlighting critical incidents in the culture and church polity which shape the church s response The issues are deeply rooted in the way God s people understand scriptures which are interpreted as a means of grace for some and as a rule book for others This book includes first person narratives of LGBTQ persons faithfully serving in a denomination that denies their calls and in some cases their presence These stories will show how the coming out process is deeply spiritual as one grows into an authentic God created and graced self You are the one who created my innermost parts you knit me together while I was still in my mother s womb I give thanks to you that I was marvelously set apart Your works are wonderful I know that very well Psalm 139 13 14 CEB Our Strangely Warmed Hearts is a breath of fresh air in the study of the United Methodist struggle and intense debate regarding human sexuality Karen Oliveto lives in faithful witness and serves people with the heart of Christian leadership Bishop Hee Soo Jung Wisconsin Conference of the United Methodist Church Karen Oliveto offers a compelling window into the steadfast faith and the resilience of the LGBTQ Christian movement in the United States After offering an extraordinary history of the LGBTQ

equality movement in our society and in The United Methodist Church she rightly asks Is there any other group that we would marginalize in this way I wholeheartedly recommend Karen Oliveto s new book to everyone who is affected by the debate over the sacred worth and place of LGBTQ people in our lives and churches This book inspires hope Michael J Adey Ph D Director Global Faith and Justice Project San Francisco Theological Seminary San Anselmo CA Bishop Oliveto s story mirrors the experience of many LGBTQ ministers who are serving the Body of Christ openly and not in the shadows The integrity courage and deep faith of God s LGBTQ people who are called into ministry have enriched the church and encouraged the outsiders who were always welcome at Jesus table Andy Lang Executive Director Open and Affirming Coalition United Church of Christ I loved it It drew me in immediately and kept me strapped in on what I knew would be a roller coaster of painful history sprinkled triumphs and then stories that broke my heart gave me cheer and brought tears to my eyes Bishop Oliveto takes readers on a fascinating trip through LGBTQ history and into the often contentious collision with mainstream religion and then brings it all together through the personal stories that make our past and present come alive I applaud Bishop Oliveto s book and will highly recommend it to the faithful and faith curious of all religions The Reverend Marian Edmonds Allen Executive Director Parity Bishop Karen Oliveto is sharing the love of Jesus and meeting people where they are no matter who they are and no matter what they think about her She loves them Kent Ingram senior pastor of First United Methodist Church in Colorado Springs Colorado

The Dawn Mistaken for Dusk Leonard Sweet, 2009-05-18 In his first book conceived and acquired specifically to be delivered electronically Leonard Sweet contends that the church is blind to the changes that are dragging us into the future Therefore it is losing its influence as an agent of change and grace in the world There are now some companies who absolutely want to change the world more than the church writes Sweet He sees the church at a crossroads It will either see the future as a new dawn and therefore embrace it as opportunity Or it will see the future as dusk and therefore hide from the darkness of the world Sweet believes that God will be in the future with or without us and that an Acts 27 movement is afoot This book serves as a naturalization manual to help Christians achieve full citizenship in the new postmodern world It will teach them how to go from being immigrants to natives From foreigners in a strange land to people of God confident and at home in a rapidly changing world
