Griswold V Connecticut Birth Control And The Con:

Griswold V. Connecticut John W. Johnson, 2005 Recounts the landmark 1965 Supreme Court case that declared a new and previously unarticulated right of privacy and paved the way for the Roe v Wade decision Decades later Griswold v Connecticut remains extremely controversial as an example of an activist judiciary making new law rather than merely interpreting existing law

The Fight for Sex Ed Margaret Grace Myers, 2025-08-12 The first comprehensive trade history of sex ed in American schools and an impassioned call to reform sex ed into a powerful tool for reproductive justice and social equality The U S has some of the highest rates of STIs and teen pregnancies in the industrialized world A comprehensive sex education curriculum which teaches facts on contraception prophylactics consent and STIs has been available since the 90s Yet the majority of states require that sex education stress abstinence and 22 states do not require sex ed in public schools at all In The Fight for Sex Ed writer advocate and historian Margaret Myers shows us how we got here While the earliest calls for sex ed came from a coalition of religious leaders and doctors at the turn of the century who sought to control the prevalence of STIs the advent of antibiotics and modern condoms meant that abstinence was no longer good public health policy The religious right however continued to frame it as such using its impressive machinery to replace scientific facts with conservative Christian values Because sex ed is not mandated at the federal level these battles have played out locally throughout the decades through rigged school boards administrative oustings court cases unjust firings scare tactics and threats Myers also shows how the religious right has worked to narrow the discourse around sex ed often dictating the terms of debate almost entirely What we teach young people has serious ramifications for reproductive justice LGBTQ rights gender equality and public health Sex education lies at the intersection of these hugely important cultural forces yet it has been largely invisible This book illuminates its potential and its power

Contemporary Cases in Women's Rights Leslie Friedman Goldstein, 1994 American Socialists and Evolutionary Thought 1870 1920 demonstrates how evolutionary theories fundamentally shaped and ultimately undercut the American socialist movement Mark Pittenger examines the attempts of radicals in the late 19th and early 20th centuries to synthesise the evolutionary ideas of Charles Darwin and Herbert Spencer with socialist philosophy social theory and political practice In contrast to authors who have shown the influence of Darwinism on conservative and progressive political ideologies Pittenger establishes that radicals also took scientific ideas seriously and wanted to link the public fascination with evolution to their own cause

Women in the American Political System Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city

level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Birth Control in America David M. Kennedy, 1970-01-01 Combines a biography of M Sanger with a social history of the birth control movement

Pregnancy and Power, Revised Edition Rickie Solinger, 2019-07-16 A sweeping chronicle of women s battles for reproductive freedom Reproductive politics in the United States has always been about who has the power to decide lawmakers the courts clergy physicians or the woman herself Authorities have rarely put women s needs and interests at the center of these debates Instead they have created reproductive laws and policies to solve a variety of social and political problems with outcomes that affect the lives of different groups of women differently Reproductive politics were at play when slaveholders devised breeding schemes when the US government took indigenous children from their families in the nineteenth century and when doctors pressured Latina women to be sterilized in the 1970s Tracing the main plot lines of women s reproductive lives the leading historian Rickie Solinger redefines the idea of reproductive freedom putting race and class at the center of the effort to control sex and pregnancy in America over time Revisiting these issues after more than a decade this revised edition of *Pregnancy and Power* reveals how far the reproductive justice movement has come and the renewed struggles it faces in the present moment Even after nearly a half century of reproductive rights a cascade of new laws and policies limits access and prescribes punishments for many people trying to make their own reproductive decisions In this edition Solinger traces the contemporary rise of reproductive consumerism and the politics of free market health care as economic inequality continues to expand in the US revealing the profound limits of choice and the continued need for the reproductive justice framework

Practical Decision Making in Health Care Ethics Raymond J. Devettere, 2009-12-04 For nearly fifteen years *Practical Decision Making in Health Care Ethics* has offered scholars and students a highly accessible and teachable alternative to the dominant principle based theories in the field Devettere s approach is not based on an ethics of abstract obligations and duties but following Aristotle on how to live a fulfilled and happy life in short an ethics of personal well being grounded in prudence the virtue of ethical decision making This third edition is revised and updated and includes discussions of several landmark cases including the tragic stories of Terri Schiavo and Jesse Gelsinger the first death caused

by genetic research Devettere addresses new topics such as partial birth abortion law embryonic stem cell research infant euthanasia in The Netherlands recent Vatican statements on feeding tubes organ donation after cardiac death new developments in artificial hearts clinical trials developed by pharmaceutical companies to market new drugs ghostwritten scientific articles published in major medical journals and controversial HIV AIDS research in Africa This edition also includes a new chapter on the latest social and political issues in American health care Devettere s engaging text relies on commonsense moral concepts and avoids academic jargon It includes a glossary of legal medical and ethical terms an index of cases and thoroughly updated bibliographic essays at the end of each chapter that offer resources for further reading It is a true classic brilliantly conceived and executed and is now even more valuable to undergraduates and graduate students medical students health care professionals hospital ethics committees and institutional review boards and general readers interested in philosophy medicine and the rapidly changing field of health care ethics *Encyclopedia of the Supreme Court, Second Edition* David Schultz,2021-09-01 Praise for the previous edition concise well written entries Schultz s accessible work will be of use to both undergraduates and the general public recommended for all academic and public libraries Library Journal achieves the goal of presenting a serious overview of the Supreme Court Booklist At its reasonable price this title should be found in every American library public as well as academic It should also be purchased by every high school library no matter how small the school body may be American Reference Books Annual From the structure of the Supreme Court to its proceedings this comprehensive encyclopedia presents the cornerstone of the American justice system Featuring more than 600 A to Z entries written by leading academics and lawyers Encyclopedia of the Supreme Court Second Edition offers a thorough review of critical cases issues biographies and topics important to understanding the Supreme Court Entries include Abortion Capital punishment Citizens United v Federal Election Commission Double jeopardy employment discrimination Federalism Masterpiece Cakeshop v Colorado Civil Rights Commission Obergefell v Hodges police use of force public health and the U S Constitution Thurgood Marshall Title IX and schools United States v Nixon Earl Warren Wiretapping **Encyclopedia of Sexual Behavior and the Law** Robert L. Maddex,2006-09-21 Whether the issue is sexual predators abortion same sex marriage sexual harassment or internet pornography stories relating to sexual matters regularly make headlines in the news and provoke strong emotions But until now researchers looking for policy information on these issues have been limited to reading books that often express particular points of view or to searching multi volume professional legal resources Encyclopedia of Sexual Behavior and the Law is a single comprehensive volume written specifically for the non lawyer that addresses sexual policy in the United States as shaped by federal laws state laws and court cases This unique new resource provides balanced reliable treatment to some of the most important highly publicized topics in society today In approximately 150 encyclopedic entries Encyclopedia of Sexual Behavior and the Law addresses Broad policy areas including entertainment industry regulations laws for teenagers as both victims and perpetrators and the

legal aspects of marriage Significant laws including the Child Online Protection Act Megan's law and rape shield laws Medical and health policies and issues including DNA evidence stem cell research and genetic information The role of government agencies and institutions including the Food and Drug Administration and the FBI's Crimes against Children unit Encyclopedia of Sexual Behavior and the Law also covers significant court cases private organizations and institutions significant people and many more relevant subjects This new volume will serve as a useful guide to this complicated subject for researchers in university community college high school and public libraries The Social History of Crime and Punishment in America: A De Wilbur R. Miller, 2012-08-10 This comprehensive and authoritative four volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present

Encyclopedia of American Social Movements Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice *Birth Control* David E. Newton, 2019-12-02 Birth Control A Reference Handbook provides a breadth and depth of discussion about birth control throughout human history and in the modern day with attention paid to the controversies related to it Birth Control A Reference Handbook covers the topic of birth control from the earliest pages of human history to the present day The book is divided into two parts The first two chapters provide a historical background to the topic and a review of current issues and problems The remainder of the book consists of chapters that aid the reader in continuing her or his own research on the topic such as an extended annotated bibliography chronology glossary noteworthy individuals and organizations in the field and important data and documents This book differs from other works on its subject primarily because of the variety of resources provided such as further reading perspective essays on the topic a historical timeline and useful terms in the field It is intended for readers of high school through the community college level along with adult readers who may be interested in the topic **Encyclopedia of Women and American Politics, Third Edition** Lynne Ford, 2021-07-01 Encyclopedia of

Women and American Politics Third Edition contains all the material a reader needs to understand the role of women throughout America's political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more

Privacy Rights Alice Fleetwood Bartee, 2006-04-27 Privacy Rights Cases Lost and Causes Won Before the Supreme Court is a unique and timely study of the judicial process as it confronts four privacy issues birth control gay rights abortion and the right to die The moral questions surrounding these subjects create intense and enduring debates about the scope and limits of the right to privacy In four historic cases the right to privacy was struck down by the Supreme Court in four later

cases these rulings were overturned Why This book explains the original failure by analyzing attorneys mistakes miscommunication in the judicial conference attitudes and policy predilections of the justices and the negative attitudes of state officials and interest groups The ultimate win for privacy rights is an exciting story involving well known cases like Lawrence v Texas Planned Parenthood v Casey Griswold v Connecticut and the case of Terri Schiavo Through the personal and legal details of these dramatic stories the debate on privacy rights comes alive

Encyclopedia of the Fourth Amendment John R. Vile, David L. Hudson Jr., 2012-12-15 Covering the key concepts events laws and legal doctrines court decisions and litigators and litigants this new reference on the law of search and seizure in the physical as well as the online world provides a unique overview for individuals seeking to understand the Fourth Amendment to the U S Constitution More than 900 A to Z entries cover the key issues that surround this essential component of the Bill of Rights and the linchpin of a right to privacy This two volume reference from the editors of CQ Press s award winning Encyclopedia of the First Amendment features a series of essays that examine the historical background of the Fourth Amendment along with its key facets relating to Technology Privacy Terrorism Warrant requirement Congress States A to Z entries include cross references and bibliographic entries This work also features both alphabetical and topical tables of contents as well as a comprehensive subject index and a case index At a time when threats of crime and terrorism have resulted in increased governmental surveillance into personal lives this work will serve as an important asset for researchers seeking information on the history and relevance of legal rights against such intrusions Key Features More than 900 signed entries including 600 court cases and 100 biographies Preface by noted journalist Nat Hentoff From the editors of CQ Press s award winning Encyclopedia of the First Amendment

Encyclopedia of Constitutional Amendments, Proposed Amendments, and Amending Issues, 1789-2015 John R. Vile, 2015-07-20 Now in its fourth edition and completely updated this is the most comprehensive book on constitutional amendments and proposed amendments available Although only 27 amendments have ever been added to the U S Constitution the last one having been ratified in 1992 throughout American history members of Congress have introduced more than 11 000 amendments and countless individuals outside of Congress have advanced their own proposals to revise the Constitution the wellspring of America s legal political and cultural foundations At a time when calls for a new constitutional convention are on the rise it is essential for students of political science and history as well as American citizens to understand proposed alternatives This updated edition of the established standard for high school and college libraries as well as public and law libraries serves as the go to reference for learning about existing constitutional amendments proposed amendments and the issues related to them An alphabetically arranged two volume set it contains more than 500 entries that discuss amendments that have been proposed in Congress from 1789 to the present It also discusses prominent proposals for extensive constitutional changes introduced outside Congress as well as discussions of major amending issues

The Oxford Encyclopedia of American Social History Lynn Dumenil, 2012-06-07 The Oxford

Encyclopedia of American Social History is the first reference work to eschew a narrow focus on past presidents intellectuals military heroes and other exhaustively studied and well remembered persons and instead examine the history of ordinary Americans The more than 450 entries in the Encyclopedia examine our shared history from the bottom up with entries on the way automobiles shaped American lives the westward movement of settlers and farmers in the eighteenth and nineteenth centuries the transformation of work over time the women s suffrage movement counterculture leisure activities consumption patterns voting habits population movements racial divides and many more fascinating topics intended to help readers develop a richer framework for understanding the social experience of Americans throughout history *West's Encyclopedia of American Law: Appendix* ,1998

Women's Rights in the United States Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

A History of the Birth Control Movement in America Peter C. Engelman,2011-04-19 This narrative history of one of the most far reaching social movements in the 20th century shows how it defied the law and made the use of contraception an acceptable social practice and a necessary component of modern healthcare A History of the Birth Control Movement in America tells the extraordinary story of a group of reformers dedicated to making contraception legal accessible and acceptable The engrossing tale details how Margaret Sanger s campaign beginning in 1914 to challenge anti obscenity laws criminalizing the distribution of contraceptive information grew into one of the most far reaching social reform movements in American history The book opens with a discussion of the history of birth control methods and the criminalization of contraception and abortion in the 19th century Its core however is an exciting narrative of the campaign in the 20th century vividly recalling the arrests and indictments banned publications imprisonments confiscations clinic raids mass meetings and courtroom dramas that publicized the cause across the nation Attention is paid to the movement s thorny alliances with medicine and eugenics and especially to its success in precipitating a profound shift in sexual attitudes that turned the use of contraception into an acceptable social and medical practice Finally the birth control movement is linked to court won privacy protections and the present day movement for reproductive rights
