Wale said: A true groundwork of Nigerian history. Reading this book made me realise that so m did, he concludes.

Groundwork Of Nigerian History

Godwin Onuoha

Groundwork Of Nigerian History:

Groundwork of Nigerian History Obaro Ikime, Historical Society of Nigeria, 1980 Filling a gap this study presents a comprehensive history of Nigeria's diverse peoples. The first two chapters provide a geographical and archaeological background. The main body of the work is divided into three sections: Nigeria Before 1800, Nigeria in the 19th century, and Nigeria in the 20th century. Contributors cover a multitude of different issues and regions such as the Benin Kingdom, the transatlantic slave trade, nationalist movements, and Borno in the 19th century. Groundwork of Nigerian History Obaro Ikime, 1980 *Nigerian History, Politics and Affairs* Adiele Eberechukwu Afigbo, 2005 These essays attempt to focus the light of history on Nigeria, Nigerians, and their contemporary condition. The root idea here is that fundamental to all historical works is that when the mind interacts with the past, the result is something like a torchlight whose beam is focused on the present, thus enabling us to achieve a better understanding of the problems which face us. Afigbo has probed deep into Nigeria's past, bringing out all the facets, all the elements, and all the issues that are necessary to improve the present.

Sources and Methods in African History Toyin Falola, Christian Jennings, 2004 An overview of the ongoing methods used to understand African history. Spurred in part by the ongoing re-evaluation of sources and methods in research, African historiography in the past two decades has been characterized by the continued branching and increasing sophistication of methodologies and areas of specialization. The rate of incorporation of new sources and methods into African historical research shows no signs of slowing. This book is both a snapshot of current academic practice and an attempt to sort through some of the problems scholars face within this unfolding web of sources and methods. The book is divided into five sections, each of which begins with a short introduction by a distinguished Africanist scholar. The first section deals with archaeological contributions to historical research. The second section examines the methodologies involved in deciphering historically accurate African ethnic identities from the records of the transatlantic slave trade. The third section mines old documentary sources for new historical perspectives. The fourth section deals with the method most often associated with African historians: that of drawing historical data from oral tradition. The fifth section is devoted to essays that present innovative sources and methods for African historical research. Together, the essays in this cutting-edge volume represent the current state of the art in African historical research. Toyin Falola is the Jacob and Frances Sanger Mossiker Chair in the Humanities and University Distinguished Teaching Professor at the University of Texas at Austin. Christian Jennings is a Doctoral Candidate in History at the University of Texas at Austin. **The Oxford Handbook of Nigerian History** Toyin Falola, Matthew M. Heaton, 2022 Thirty-six chapters covering the history of Nigeria from prehistoric times to the twenty-first century. Accessible overviews of both the political narrative as well as the deeper histories of social organization, identity formation, and inter-group relationships. Cutting-edge analysis of key themes from highly respected scholars in a single, forward-facing volume. Book jacket Kingdoms of the Yoruba Robert Sydney Smith, 1988 This third edition of what has

been described as this minor classic has been extensively revised to take account of advances in Nigerian historiography The twenty million Yorubas are one of the largest and most important groups of people on the African continent Historically they were organized in a series of autonomous kingdoms and their past is richly recorded in oral tradition and archaeology From the fifteenth century onwards there are descriptions by visitors and from the nineteenth century there are abundant official reports from administrators and missionaries Yoruba sculpture in stone metal ivory and wood is famous Less well known are the elaborate and carefully designed constitutional forms which were evolved in the separate kingdoms the methods of warfare and diplomacy the oral literature and the religion based on the worship of a high god surrounded by a pantheon of more accessible deities Many of these aspects are shown in the drawings and photographs which have been used for the first time to illustrate this distinguished work

Jihād in West Africa during the Age of Revolutions Paul E. Lovejoy, 2016-11-30 In *Jihād in West Africa during the Age of Revolutions* a preeminent historian of Africa argues that scholars of the Americas and the Atlantic world have not given Africa its due consideration as part of either the Atlantic world or the age of revolutions The book examines the jihād movement in the context of the age of revolutions commonly associated with the American and French revolutions and the erosion of European imperialist powers and shows how West Africa too experienced a period of profound political change in the late eighteenth through the mid nineteenth centuries Paul E Lovejoy argues that West Africa was a vital actor in the Atlantic world and has wrongly been excluded from analyses of the period Among its chief contributions the book reconceptualizes slavery Lovejoy shows that during the decades in question slavery expanded extensively not only in the southern United States Cuba and Brazil but also in the jihād states of West Africa In particular this expansion occurred in the Muslim states of the Sokoto Caliphate Fuuta Jalon and Fuuta Toro At the same time he offers new information on the role antislavery activity in West Africa played in the Atlantic slave trade and the African diaspora Finally *Jihād in West Africa during the Age of Revolutions* provides unprecedented context for the political and cultural role of Islam in Africa and of the concept of jihād in particular from the eighteenth century into the present Understanding that there is a long tradition of jihād in West Africa Lovejoy argues helps correct the current distortion in understanding the contemporary jihād movement in the Middle East Afghanistan Pakistan and Africa

African Cultural Values Raphael Chijoke Njoku, 2013-10-23 Although numerous studies have been made of the Western educated political elite of colonial Nigeria in particular and of Africa in general very few have approached the study from a perspective that analyzes the impacts of indigenous institutions on the lives values and ideas of these individuals This book is about the diachronic impact of indigenous and Western agencies in the upbringing socialization and careers of the colonial Igbo political elite of southeastern Nigeria The thesis argues that the new elite manifests the continuity of traditions and culture and therefore their leadership values and the impact they brought on African society cannot be fully understood

without looking closely at their lived experiences in those indigenous institutions where African life coheres. The key has been to explore this question at the level of biography set in the context of a carefully reconstructed social history of the particular local communities surrounding the elite figures. It starts from an understanding of their family and village life and moves forward striving to balance the familiar account of these individuals in public life with an account of the ongoing influences from family kinship, age grades, marriage and gender roles, secret societies, the church, local leaders and others. The result is not only a model of a new approach to African elite history but also an argument about how to understand these emergent leaders and their peers as individuals who shared with their fellow Africans a dynamic and complex set of values that evolved over the six decades of colonialism.

History of the Urhobo People of Niger Delta Peter Palmer Ekeh, Urhobo Historical Society, 2007. History of The Urhobo People of Niger Delta is the most comprehensive compilation and study of various aspects of the history of the Urhobo people of Nigeria's Niger Delta. It begins with an examination of the prehistory of the region with particular focus on the Urhobo and their close ethnic neighbour, the Isoko. The book then embarks on a close assessment of the advent of British imperialism in the Western Niger Delta. History of The Urhobo People of Niger Delta also probes the arrival and impact of Western Christian missions in Urhoboland. Urhobo history is notable for the sharp challenges that the Urhobo people have faced at various points of their existence in the rainforest and deltaic geographical formation of Western Niger Delta. Their history of migrations and their segmentation into twenty-two cultural units were in large part efforts aimed at overcoming these challenges. History of The Urhobo People of Niger Delta includes an evaluation of modern responses to challenges that confront the Urhobo people following the onrush of a new era of European colonization and introduction of a new Christian religion into their culture. The formation of Urhobo Progress Union and of its educational arm, Urhobo College, is presented as the Urhobo response to modern challenges facing their existence in Western Niger Delta and Nigeria. History of The Urhobo People of Niger Delta extends its purview to various other fragments of the Urhobo historical and cultural experience in modern times. These include the difficulties that have arisen from petroleum oil exploration in the Niger Delta in post-colonial Nigeria.

Nigeria Richard Bourne, 2015-10-15. If you want to understand Nigeria's history in one succinct go, this is a very good choice. Noo Saro Wiwa. Known as the African Giant, Nigeria's story is complex and often contradictory. How despite the ravages of colonialism, civil war, ongoing economic disappointment and most recently the Boko Haram insurgency, has the country managed to stay together for a hundred years? Why despite an abundance of oil, mineral and agricultural wealth, have so many of its people remained in poverty? These are the key questions explored by Richard Bourne in this remarkable and wide-ranging account of Nigeria's history from its creation in 1914 to the historic 2015 elections and beyond. Featuring a wealth of original research and interviews, this is an essential insight into the shaping of a country where, despite the seemingly dashed optimism that was raised at independence, there still remains hope the Nigeria project may still succeed.

[A History of West Africa](#) Toyin Falola, 2023-12-29. This book introduces readers to

the rich and fascinating history of West Africa stretching all the way back to the stone age and right up to the modern day Over the course of twenty seven short and engaging chapters the book delves into the social cultural economic and political history of West Africa through prehistory revolutions ancient empires thriving trade networks religious traditions and then the devastating impact of the Trans Atlantic slave trade and subsequent colonial rule The book reflects on the struggle for independence and investigates how politics and economics developed in the post colonial period By the end of the book readers will have a detailed understanding of the fascinating and diverse range of cultures to be found in West Africa and of how the region relates to the rest of the world Drawing on decades of teaching and research experience this book will serve as an excellent textbook for entry level History and African Studies courses as well as providing a perfect general introduction to anyone interested in finding out about West Africa

Writing Women's History Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history

The Slave Trade and Culture in the Bight of Biafra G. Ugo Nwokeji, 2010-09-13 The Slave Trade and Culture in the Bight of Biafra dissects and explains the structure dramatic expansion and manifold effects of the slave trade in the Bight of Biafra By showing that the rise of the Aro merchant group was the key factor in trade expansion G Ugo Nwokeji reinterprets why and how such large scale commerce developed in the absence of large scale centralized states The result is the first study to link the structure and trajectory of the slave trade in a major exporting region to the expansion of a specific African merchant group among other fresh insights into Atlantic Africa's involvement in the trade and the most comprehensive treatment of Atlantic slave trade in the Bight of Biafra The fundamental role of culture in the organization of trade is highlighted transcending the usual economic explanations in a way that complicates traditional generalizations about work domestic slavery and gender in pre colonial Africa

Society, State, and Identity in African History Bahru Zewde, 2008 The Fourth Congress of the Association of African historians was held in Addis Ababa in May 2007 These 21 papers are a key selection of the papers presented there with an introduction by the distinguished historian Bahru Zewde Given the contemporary salience and the historical depth of the issue of identity the congress was devoted to that global phenomenon within Africa The papers explore and analyse the issue of identity in its diverse temporal settings from its pre colonial roots to its cotemporary manifestations The papers are divided into six parts Pre Colonial Identities Colonialism and Identity Conceptions of the Nation State and Identity Identity Based Conflicts Migration and Acculturation and Memory History and Identity The authors are scholars from Benin Botswana Cameroon the Democratic Republic of Congo Ethiopia Mali Nigeria Senegal South Africa and Zimbabwe Bahru Zewde is Emeritus Professor of History at Addis Ababa University Executive Director of the Forum for Social Studies and Vice President of the Association of African Historians He was formerly Chairperson of the Department of History and Director of the Institute of Ethiopian

Studies at Addis Ababa University Amongst his publication is A History of Modern Ethiopia 1855 1991 **Historical Dictionary of Nigeria** Toyin Falola,Ann Genova,Matthew M. Heaton,2018-06-21 The Historical Dictionary of Nigeria Second Edition introduces Nigeria s rich and complex history Readers will find a wealth of information on pre 20th century history Nigeria under British colonial rule and important post independence issues while providing greater attention to Nigeria s role in international relations diaspora and contributions to arts film and culture in particular This revised edition covers major developments since the last edition such as the rise of the terrorist group Boko Haram and the election of Muhammadu Buhari to the presidency in 2015 among others This second edition of Historical Dictionary of Nigeria Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nigeria **Oil Wealth and Insurgency in Nigeria** Omolade Adunbi,2015-07-29 Omolade Adunbi investigates the myths behind competing claims to oil wealth in Nigeria s Niger Delta Looking at ownership of natural resources oil extraction practices government control over oil resources and discourse about oil Adunbi shows how symbolic claims have created an oil citizenship He explores the ways NGOs militant groups and community organizers invoke an ancestral promise to defend land disputes justify disruptive actions or organize against oil corporations Policies to control the abundant resources have increased contestations over wealth transformed the relationship of people to their environment and produced unique forms of power governance and belonging **Challenging the State in Africa** Godwin Onuoha,2011 This thesis examines the Igbo Question and emergent forms of Igbo self determination in contemporary Nigeria It does this within the context of contested citizenship ethnic identity politics and the unresolved crisis of state ownership and legitimacy which all feeds into the National Question in the Nigerian public space The thesis proceeds from a theoretical standpoint that places the Igbo Question within the framework of the tri polar power struggle and competition among the three major ethnic groups in Nigeria Based on a prior idea of statehood which is rooted in the aborted secessionist attempts of the Igbo ethnic group from the Nigerian state between 1967 and 1970 and drawing on the case of an Igbo ethno nationalist separatist movement in Nigeria known as the Movement for the Actualisation of the Sovereign State of Biafra MASSOB this thesis focuses on the use of territory and space as components of the repertoires of contention in the quest for political change sovereignty and self determination This provides the context in which claims and counter claims of security territoriality and sovereignty are enacted While the thesis draws substantially on various forms of group and sub national rights which have been identified and studied in international law political philosophy and social science literature generally it transcends these debates but focuses more on the actual processes of appropriating interpreting and applying these rights and laws against the state in specific contexts The analysis of the Igbo Question draws on issues and perspectives surrounding the salience construction mobilization and politicization of ethnic identity and the

dynamics of its deployment and use in national politics coupled with the diverse struggles contentions and conflicts inherent in it The research provides an innovative and empirically grounded insight into the processes of juridification of self determination rights for groups within the nationstate in Africa the dynamics constraints and possibilities inherent in the mobilization of these rights and laws the emancipatory potentials or transformative ends of these rights and laws and the role of violence in nation building processes in Africa

A History of Borno Vincent Hiribarren, 2017-02-17 A history of an ancient Sahelian kingdom whose hinterland is now being laid waste by the Boko Haram insurgency

The Third Wave of Historical Scholarship on Nigeria Saheed Aderinto, Paul Osifodunrin, 2013-02-22 This festschrift in honor of Professor Ayodeji Olukoju one of Nigeria's brightest historians brings together scholarship representative of the third wave of historical scholarship on Nigeria Olukoju a pioneering historian of Nigerian maritime history also produced significant revisionist scholarship in the areas of economic urban and infrastructure history The contributions in this volume epitomize the groundbreaking directions of his career they are marked by a search for new explanations and venture into uncharted terrain in Nigerian history Aside from its critical engagement of Olukoju's impressive scholarship this volume presents chapters on such underresearched aspects of Nigerian history as sexuality children and youth crime memory and HIV AIDS It offers historical explanations of a host of development challenges confronting Nigeria Africa's most populous country and resilient reinterpretations of the place of history in nation building The contributors pioneering experts in their various subfields bring their research and teaching experience to the fore and deploy neglected data as they unfold topics that shed light on Nigeria its peoples and cultures They show that history both as a daily practice and as an academic endeavor remains vital as Africans seek solutions to the continent's critical development challenges

Groundwork Of Nigerian History Introduction

In today's digital age, the availability of Groundwork Of Nigerian History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Groundwork Of Nigerian History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Groundwork Of Nigerian History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Groundwork Of Nigerian History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Groundwork Of Nigerian History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Groundwork Of Nigerian History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Groundwork Of Nigerian History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Groundwork Of Nigerian History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Groundwork Of Nigerian History books and manuals for download and embark on your journey of knowledge?

FAQs About Groundwork Of Nigerian History Books

What is a Groundwork Of Nigerian History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Groundwork Of Nigerian History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Groundwork Of Nigerian History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Groundwork Of Nigerian History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Groundwork Of Nigerian History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file

size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
