Helping Vulnerable Children and Adolescents to Stay Safe Katie Wrench, 2016-08-18 Helping vulnerable children and young people to build protective behaviours is the key to keeping them safe Full of creative ideas and activities this guide provides the tools to help children develop these key skills Topics include work around building resilience and problem solving skills identifying a safety network developing emotional literacy awareness of grooming strategies and safe unsafe touch and cyber safety The range of tried and tested techniques will be sure to engage any child in thinking about their personal safety allowing adult carers to have confidence that their child will be empowered to better identify and avoid harmful situations and behaviours Practical and easy to use this is a valuable resource for professionals working with vulnerable children and young people such as adopted or fostered children and those in residential care as well as the parents and carers of these children [The Clinical Practice of Equine-Assisted Therapy](#) Leif Hallberg, 2017-12-06 The Clinical Practice of Equine Assisted Therapy bridges theory research and practical methods to fill a rapidly developing gap for physical occupational speech and mental health professionals interested in incorporating horses in therapy Extensively researched and citing over 300 peer reviewed journal articles it examines core issues such as terminology scope of practice competency recommendations horse care ethics and clinical practice considerations This book is an essential resource for

professionals who wish to use a best practices approach to equine assisted therapy *The SAGE Handbook of Social Work*
Mel Gray,James Midgley,Stephen A Webb,2012-06-22 This Handbook is the world s first generic major reference work to
provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international
field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this
invaluable resource collection that not only reflects upon the condition of social work today but also looks to future
developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics
The context of social work Research Future challenges It is essential reading for all students practitioners researchers and
academics engaged in social work **I Never Told Anyone This Before** Janice A Gasker,2019-07-24 I Never Told Anyone

This Before is the first book that will enable you to work in an ethical effective manner based on empirically tested guidelines
with clients who disclose memories of sexual abuse You ll find that these guidelines result in the creation of a helping
environment conducive to the sharing of traumatic re collections At the same time this environment is structured to keep you
free from legal risk amidst the false memory debate era With I Never Told Anyone This Before you will overcome your
specific concerns for working with special populations such as persons who aren t sure they ve been abused persons who are
nonverbal men and persons who have suffered head injuries This book also provides you with a language for discussing
sexual abuse memories in a manner that focuses on the clients experiences You will explore practice techniques that are
based on theoretical foundations as well as real helping situations with examples from actual therapy sessions Other specific
areas you will learn about in I Never Told Anyone This Before include how to facilitate and manage first time disclosure of
abuse stories therapeutic use of memories of sexual abuse the function of memory in identity formation facilitation of
disclosures of traumatic history avoiding legal risks for therapists in view of the false memory debate memory as it is treated
by psychodynamic cognitive and developmental theorists caveats for researching the disclosure of sexual abuse re collections
Faced with the prospect of working with a possible survivor of childhood sexual abuse you may be unsure about the
therapeutic approach to take Current controversy highlights the possibility that persons may be harmed rather than helped
in the therapeutic process I Never Told Anyone This Before provides you with a combination of theory research and practice
that will put your anxieties at ease **Treatment of Child Abuse** Robert M. Reece,Rochelle F. Hanson,John

Sargent,2014-06-15 New and expanded material includes information on Bullying Sanctuary Model of trauma informed care
Long term medical management Appropriate use of psychopharmacology Importance of self care for professionalsTreatment
of Child Abuse is an important resource for mental health professionals family physicians pediatricians emergency
department physicians physician assistants and nurses as well as child advocate professionals social workers and lawyers
