Citizenship Scenes from a Family Life and Totally Over You and including an introduction by the author. Originally

commissioned as part of the National Theatre Connections programme these three plays were specifically written for teenagers and are ideal for young performers aged 13-25 years old. Written with greater warmth and humanity than you might expect from the author of such controversial works as *Shopping* and *Fing*, Ravenhill's plays for teenagers are compassionate, intelligent and not at all patronising. With themes of particular interest to teenagers, the plays explore the search for identity during the transition to adulthood, self-perception, relationships, sexual identity and obsession with fame. *Citizenship* is a bittersweet comedy about growing up following a boy's frank and messy search to discover his sexual identity; schoolboy Tom dreams of being kissed but is unsure whether it is by a man or woman. *Scenes from a Family Life* is set in a world where everyone starts to dematerialise. Six months on and Jack and Stacy are the only boy and girl on the planet. For Jack it's a dream, for Stacy a nightmare. And when the vanished start to return, Jack has to learn how complex adult relationships are. *Totally Over You* is an exploration of celebrity obsession. Four girls break up with their boyfriends when they decide they only want to see celebrities. The boys decide to trick the girls into thinking that they are on the brink of fame and fortune as a boy band. The girls decide to win the boys back. But what will happen when they discover the truth?

WINTER'S DESTINY Nancy Allan, 2014-04-23 Working at home alone, a fall gale howling around the rafters, Amy jumps when an object suddenly strikes the window behind her. She swings around to see a woman's rain-streaked face staring through the dark glass. Her fair hair is rain-soaked but more disturbing, the ghostly face is identical to Amy's. There is a movement off to the side. The woman's left hand slides slowly down the glass, leaving long streaks of crimson. Amy's life shatters. Something sinister shadows her now. She is catapulted into a world she knows nothing about, a place where a killer rules, where her life is in constant peril and where she believes her son has been taken. To find Jamie, she must find her look-alike, dislodging a killer who hunts her relentlessly. Sheriff Dallas Wayburne's investigation parallels Amy's. They are thrown together in a race against time. *WINTER'S DESTINY* is an edge-of-the-seat thriller love story set on the rugged Pacific Coast of Oregon where the story reaches a spectacular conclusion.
