Eternity Charles R. Swindoll, Val Harvey, 1993-02 This 5 volume study series by one of America's most popular preachers helps Christians increase their discernment and understanding in 5 vital areas of the Christian faith **Growing Deep in the Christian Life** Charles R. Swindoll, 1993-07-15 **Wesleyan Preaching Annual** Derl G. Keefer, C. Neil Strait, 2001-11-07 **Growing Deep in the Christian Life** Charles R. Swindoll, 1995-03-21 Takes theology out of the ivory tower and enables you to apply it to where you live every day Back cover **A Consuming Passion** Christopher Date, Ron Highfield, 2015-10-13 This diverse collection of essays in honor of Edward William Fudge explores the topics of hell and immortality for which Fudge has been widely known through his magnum opus *The Fire That Consumes* Most Christians believe people will live and suffer in hell forever but Fudge defends a view known historically as conditional immortality He and a growing minority of Christians believe God will grant immortality only to those who meet the condition of being united with Christ on the Last Day while those who do not will perish forever Although Christians sharing Fudge's view have defended it both before and after him conditionalists today still point to *The Fire That Consumes* as the seminal treatment of the topic In July 2014 Christians from around the world gathered at the inaugural Rethinking Hell conference to celebrate Fudge's life and work and to discuss the nature of hell in an open and respectful forum This volume contains most of the essays presented at that conference and several others volunteered by conditionalists since then as a gift to Fudge for the tremendous impact he has had on them and for the continued work he does for God's kingdom Insights into Eternity Study Guide Keith Thomas, 2016-05-12 Have you ever wondered what happens to you when you die When you are dead are you really dead What did Jesus mean when He said that Lazarus was asleep Will we be unconscious when we die Is there an intermediate place a purgatory that I will go to if I am not quite good enough What does the Bible say What did Jesus teach about hell when He spoke of the experiences of a real person who was sent there What will our new bodies be like when Jesus comes for us What will the New Jerusalem be like and how can I make sure I am going to be a part of it What is the Bride of Christ and how can I be sure I will go to heaven If you are interested in having answers to these questions and many more this series is for you This Bible study series is focused on exploring and explaining the Scriptures concerning what happens to believers and unbelievers after they leave this life *CHRISTIAN THEOLOGY* Edward D. [The Fathers on the Future:](#)

A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

Taps for Eternity Harold Brunson, 2008-02 As you sift through the pages of *Taps for Eternity* you will find it more than a book It will be more than idle words or esoteric literature It will be the passionate words of a man who has seen the Hand of God turn ashes into beauty the darkness of the night into the brilliance of the day By reading the book you now have in your hand you will not only learn more about His sovereign grace the beauties of Heaven and the horrible abode of the lost you will also learn much about the author though this has not been his intent The beauty of words God's Word is a lost art from the modern day pulpit These messages are more than a tale told by a fool full of sound and fury signifying nothing rather it is the message of God the real ever living Word of God
