**Meeting Jesus Together** Susan B. Williams, Peter R. Holmes, 2010 Why do we feel so alone and lost More and more people are feeling isolated missed and unknown and yet the church seems to be one of the main culprits in creating this ethos We need to be about creating healthy honest and authentic communities that are safe places for people to know and be known In Meeting Christ Together Peter Holmes and Susan Williams explain exactly what that looks like and how we can create salogenic or healthy relationships within the context of authentic community They explain how a salogenic community is the network built by a group of people who are consistently experiencing life together and it is a community that is committed to encouraging ongoing transformational change Salogenic community is built on three assumptions If Christ is present in our relationships with each other that should make a radical difference Such relationships provoke transformative change And when these relationships are achieved everyone notices the difference
