Growing In The Image Of God:

A Journey Through Christian Theology William P. Anderson, A non threatening entrance into texts from the Apostolic Fathers to Mary Daly *Growing in the Image of God* Carol Rausch Albright, 2002 **Growing Into God** John Gavin, Gavin Sj John, 2025-06-13 Many studies of spiritual development exist under the heading of Christian Perfection However John Gavin revisits such topics as asceticism prayer sacraments virtues and spiritual combat through scriptural and patristic texts that present the Christian life as one of growth from spiritual infancy to a particular fulfillment or end telos divinized humanity as formed and revealed in Jesus Christ Thus though Christian maturity does incorporate such things as physical and cognitive development its true distinction lies in its gifted supernatural end that does not exclude human freedom Part One establishes the pillars of Christian maturity form and finality virtue and character vocation and mission and explores the opposition to maturation in the form of demonic infantilism Part Two examines the means of maturity given to us in the life of the Church the Scriptures the Mysteries Sacraments and asceticism Finally Part Three reviews four figures of Christian adulthood the Witness the Teacher the Servant and the Fool A concluding chapter applies the insights from the previous chapters to our modern world to see in what ways our times need to grow up Growing into God includes a variety of early Christian voices Irenaeus of Lyons Origen of Alexandria Gregory of Nazianzus Gregory of Nyssa Basil of Caesarea Augustine of Hippo Ambrose of Milan John Cassian Dionysius the Areopagite Mark the Monk John Moschos Maximus the Confessor Symeon the Holy Fool and others Their collective insights all the fruits of great learning and the contemplation of God's Word describe a wondrous figure the mature saint transformed by union with the Father Son and Spirit **The Complete Works of W.E. Channing** William Ellery Channing, 1870 **Justification and the Kingdom of God, Volume Three** Paul Chul Hong Kang, 2025-02-20 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God's image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God's image uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Faith asks a significant question What is the highest goal of your life The Bible teaches that this goal is the growth of God's image within humanity a promise that has never failed A life conformed to the image of Jesus Christ brings great joy to humanity's Heavenly Father and glorifies him Such a life invites the help of the Holy Spirit and carries eternal value in Jesus This book encourages readers to see earthly life as a precious opportunity to think speak and live in a way that loves God and one's neighbor by faith This reminds readers that Our Father does far more abundantly than all that we ask or think according to the power that works within us **Growing in Holiness** R. C. Sproul, 2020-01-21 The Christian life is a process of growing in holiness our natural response to the good news of our redemption in Christ This kind of growth is gradual and obstacles are plentiful Thankfully we don't have to go it alone God has given us his Spirit so that we

can overcome temptation and become more and more conformed to the image of Christ But how does the Spirit work What is the nature of our own personal involvement in the process And how do we know if we are making progress Drawn from the lectures of beloved theologian R C Sproul *Growing in Holiness* explores the doctrine of sanctification offering insightful commentary on themes such as developing perseverance overcoming barriers to growth dealing with feelings of inadequacy cultivating love for God and others exhibiting the fruits of the Spirit and much more Whether you re a new believer who wants to understand what the Christian life is all about or you ve been a Christian for some time but are frustrated by a lack of progress this book is your guide to pursuing a holy life

Portraits of God Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In *Portraits of God* Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God s very being In *Portraits of God* Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God s own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth
