Wisdom from Lyle E. Schaller Warren Bird, 2012 One poll declared him the most influential American church leader of the last 100 years Lyle E Schaller has written literally millions of words of insight and advice for church leaders His books alone number nearly 60 titles and span 40 years of publication beginning in 1964 Now this single volume makes available his best insights organized by topic and framed with fascinating background perspective of Schaller himself This volume both introduces Schaller to a new generation of church leaders and is a handy resource for those who grew up on Schaller's writing and count him as a major ministry influence *Taking Your Church to the Next Level* Gary L. McIntosh, 2009-09-01 All local churches experience a predictable life cycle of growth and decline But if a church is on a downward trend how can it turn around Taking Your Church to the Next Level explains the impact of age and size on churches and outlines the improvements that must be made at each point for a church to remain fruitful and faithful to its mission McIntosh deftly describes the cycles of fruitfulness and the importance of continual improvement to diminish destructive forces that keep a congregation from its mission Church leaders pastors and all who care about the church and desire to see it experience biblical growth will benefit from the sage wisdom offered in these pages How to Break Growth Barriers Carl F. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They're also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation Religious Education in the Small Membership Church Dr. Nancy T.
