SPECIAL IN-PERSON EVENT

GROWING UP JEWISH—ART AND STORYTELLING

A Talk with Artist Jacqueline Kott-Wolle

JOIN US IN PERSON to explore an exhibition of paintings that illustrates their creator's personal narratives, including the key people and experiences that shaped her distinctly North American brand of Jewish identity. Inspired by decades of family photos, Jacqueline Kott-Wolle's colorful works portray Jewish holiday and ritual observances, Hebrew school and summer camp, vacations, milestone celebrations, and relatives who were killed or rescued in the Holocaust.

Kott-Wolle, whose parents and grandparents arrived in Canada in 1949, will discuss how the Museum helped research her family history; that history's influence on her art; the importance of preserving materials that document lives; and what it means to be Jewish for past, present, and future generations.

Note: Artist Jacqueline Kott-Wolle's painting of her great-grandmother, Chaya Leya Kott, who was killed in the Holocaust, and her great aunt Candra, who was among the more than 1,200 Jews rescued by Oskar Schindler. Courtesy of Jacqueline Kott-Wolle

Growing Up Jewish Canadians Tell Their Own Stories

Walter Pitman

Growing Up Jewish Canadians Tell Their Own Stories:

Canada's Jews Gerald Tulchinsky, 2008-05-24 The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries many Jews emigrated to the Dominion of Canada which was then considered little more than a British satellite state Over the ensuing decades as the Canadian Jewish identity was forged Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States In this light the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality Canada's Jews is an account of this remarkable story as told by one of the leading authors and historians on the Jewish legacy in Canada Drawing on his previous work on the subject Gerald Tulchinsky illuminates the struggle against anti-Semitism and the search for a livelihood amongst the Jewish community He demonstrates that far from being a fragment of the Old World the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated diversified and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion Canada's Jews covers the 240 year period from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands With important points about labour immigration and anti-Semitism it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian history **Growing Up Jewish** Irving M.

Seeking the Fabled City Allan Levine, 2018-10-30 In this definitive and meticulously researched account of the Jewish experience in Canada award winning and critically acclaimed author Allan Levine documents a story that is rich accessible often surprising and epic in its scope Relying on an abundance of primary sources and first hand documentation and interviews Seeking the Fabled City chronicles the successes and failures the obstacles overcome and those not conquered of a historic journey and the people who travelled it Seeking the Fabled City is a story that unfolds over 250 years from the decade after the conquest of New France in 1759 when small numbers of Sephardic Jews of Spanish and Portuguese descent arrived in British North America through the great wave of Russian and Eastern European Jewish immigration at the turn of the twentieth century to the present in which Canada's large Jewish community no longer hindered by the anti-Semitism of the past is free to flourish This is a chronicle of a people that takes place at hundreds of locales across the country mainly in the large urban centres of Montreal Toronto Vancouver and Winnipeg but also in west coast and maritime villages and tiny prairie towns in a riveting drama with a cast of thousands Relying on an abundance of primary sources and first hand documentation and interviews Seeking the Fabled City chronicles the successes and failures the obstacles overcome and those not conquered of a historic journey and the people who travelled it The Dominion of Youth Cynthia

Comacchio, 2008-10-08 Adolescence like childhood is more than a biologically defined life stage it is also a sociohistorical construction The meaning and experience of adolescence are reformulated according to societal needs evolving scientific precepts and national aspirations relative to historic conditions Although adolescence was by no means a discovery of the early twentieth century it did assume an identifiably modern form during the years between the Great War and 1950 The Dominion of Youth Adolescence and the Making of Modern Canada 1920 to 1950 captures what it meant for young Canadians to inhabit this liminal stage of life within the context of a young nation caught up in the self formation and historic transformation that would make modern Canada Because the young at this time were seen paradoxically as both the hope of the nation and the source of its possible degeneration new policies and institutions were developed to deal with the problem

of youth This history considers how young Canadians made the transition to adulthood during a period that was developmental both for youth and for a nation also working toward individuation During the years considered here those who occupied this dominion of youth would see their experiences more clearly demarcated by generation and culture than ever before With this book Cynthia Comacchio offers the first detailed study of adolescence in early twentieth century Canada and demonstrates how young Canadians of the period became the nation's first modern teenagers
