Growing Up Straight:

Growing Up Rich Tom Gill, 2013-07 Growing up as a child of a sharecropper family in South Georgia paints an image of hard times but my memories are just the opposite We ate three good meals every day and slept in a comfortable bed at night My parents loved me and taught me a code of conduct that I still strive to live by I was taught don't lie cheat say ugly words or talk bad about your neighbors Go to Sunday school on Sunday and stay for church Say yes sir and no sir to your elders and do not talk with food in your mouth I was also taught to look people in the eye when talking to them Daddy said that people with shifty eyes were not trustworthy When I was assigned to the White House Communications Agency as a Staff Officer during my military career my upbringing became a source of strength that saw me through some demanding situations I learned at a very early age that God loved me When I became a Christian at the age of fifteen Jesus made sure my very own angel was there to lift me out of numerous deep holes I dug for myself This book is memories of growing up in the mid forties and fifties and my twenty three years in the U S Army These were challenging times for America and I consider myself fortunate to have lived through the period World War II was over and millions of military men and women were returning home to pick back up their lives with the same energy and determination that won the war The world today has changed dramatically from the world I grew up in We have improved our standard of living with technologic advancements we only dreamed about However the world appears to have lost its ethical compass and is digressing back to the moral decay of the Roman Empire period of time My prayer is that America will once again find its bearing and be a principled compass for the world to follow

Grow Up! Everett Piper, 2021-04-13 Arrested Development It's not your imagination Millions of young adults today behave like children Stuck in a permanent adolescence they throw temper tantrums when they don't get what they want blame everyone but themselves for their failures and refuse to take responsibility for their lives We used to write off their behavior as a phase But that phase doesn't look like it's ending anytime soon And these grown children are pouring out of the glorified day care known as college and entering the corporate world full of infantile demands and expectations A former university president Dr Everett Piper knows a thing or two about the ideas that motivate today's youth Having experienced the snowflake mob's rage himself he understands the threat that these young people pose to the rest of society Grow Up is his contrarian blueprint for a successful adult life With bracing candor Dr Piper shares How ideologues disguised as teachers arrested the development of entire generations The dangerous ideas in which popular culture and the education system marinate young people for years Simple lessons for becoming a thinking mature citizen The qualities that made this country great and how to reclaim them Filled with wisdom and learning Grow Up is the antidote to the poison that we consume every day a powerful corrective that shows readers how to live in

Broken but Beautiful Joseph P. Conway, 2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they're saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It's no wonder many don't find church to be worth it But maybe there's more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the

common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we ll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there s more She s beautiful **Order in Progress** Marc Depaepe, Kristof Dams, 2000 The Supplement to the Cyclopaedia of India and of Eastern and Southern Asia, Etc Edward Balfour, 1858
