Growing A Life Together:

Sharing Your Life Mission Every Day Various Authors, 2009-08-30 Sharing Your Life Mission Every Day just isn't that hard. You need a few skills, a few friends for support, and a glimpse of God's heart for those who don't know him. These six sessions will equip you to extend love to seekers around you and talk about your experience with God in ways that people will understand. God doesn't ask you to do it alone; discover the power that comes from teaming up. Doing Life Together is a groundbreaking study. It's the first small group curriculum built completely on the purpose-driven paradigm. The greatest reason I'm excited about it is that I've seen the dramatic changes it produces in the lives of those who study it. From the foreword by Rick Warren: Based on the five biblical purposes that form the bedrock of Saddleback Church, Doing Life Together will help your group discover what God created you for and how you can turn this dream into an everyday reality. Experience the transformation firsthand as you begin Connecting, Growing, Developing, Sharing, and Surrendering your life together for him.

Influence Dee Eastman, Denise Wendorff, Todd Wendorff, Brett Eastman, 2007-12-18 What does it take to build character? How do you instill godly qualities inside yourself that are displayed consistently through words, actions, and attitudes that reflect what Jesus himself is like? Building Character Together takes you and your small group inside the Bible to learn character-building lessons from some of its most compelling figures. In six enjoyable interactive sessions, each volume in this six-volume series helps you deeply explore the complex issues of developing Christian character. Combining study, discussion, and shared experiences, here is a pathway to growth both individually and as a group. Explore the lives of David, Mary Magdalene, Jacob, and other men and women of the Bible. Learn lessons from their successes and failures and from their relationships with God and other people that you can readily link to yourself and your own life circumstances. Enjoy frank discussions that draw you and other group members deeper into each other's lives. And put it all into action in a one-day group retreat, a service project, a mini mission work, and other experiences that help you make the leap from good words to good works.

Connecting in Christ Brett Eastman, Dee Eastman, Todd Wendorff, Denise Wendorff, Karen Lee-Thorp, 2010-01-05 Fellowship. The word gets used a lot in church. But too often our understanding and practice of fellowship are shallow and stripped of the life-giving, life-transforming power God intended. Community to have Jesus lived out and taught a deeper, more radical kind of fellowship, a way of interacting that makes others sit up and take notice. These six sessions will show you Jesus' way of loving others as I have loved you. Experiencing Christ Together helps your group explore the five biblical purposes that make up a high-impact Christian life: fellowship, discipleship, ministry, evangelism, and worship. Jesus perfectly lived out God's purposes for his life, and he taught his followers how to do the same. As you walk in the footsteps of those first disciples, listening to and watching Jesus through these studies, you and your group will be transformed. One small group leader put it this way: The Experiencing Christ Together series has motivated me more than any other Bible study that I have ever been to. This Bible study gets to the heart of the matter: my character in Christ, and that has

Suffering and God's Redemptive Love Parrish W. Amy Love,2024-05-25 As a single mother of five wonderful young men my journey has been a kaleidoscope of cultural nuances personal struggles and the enduring quest for a sense of self worth While suffering physically mentally and emotionally I began my path of self discovery and healing in order to come out stronger and brighter on the other side Beginning at the tender age of five I worked in a traditional Taiwanese market selling dumplings a rather humble beginning to a life filled with challenges twists and turns I found myself navigating not only the harsh reality of language barriers within my family but also the societal preference for male offspring that my parents adopted and carried over into every facet of their lives Beyond the surface of every challenge arranged by the higher power I believe every step of my journey delves into the complexities of unpleasant chaos but also a remarkably rewarding journey unveiling both its shadows and its light in brilliance By embracing

the duality of nature that exists in every corner of the universe and within every individual we can become the masters of our one way journey evolving and celebrating in the darkness and the light both of which serve a meaningful purpose in our human growth Just like my life the following chapters unfold at a random un i predictable pace documenting the challenges encountered during a painful dark childhood a journey of looking for a place I could call home a 17 year international marriage without knowing who I was or what I wanted and assimilation into the uncharted western cultural landscape known as America Most of my journey was completed alone without any family around to support me yet I was guided by an innate strength and divine wisdom gained from my previous life experience that prepared me for each new challenge Thankfully I confronted countless obstacles posed by a foreign culture and discovered the true essence of my being In sharing every profound memorable and dark turning point of my journey I hope to shed a light for those who are trapped in the dark and struggling to keep moving forward to the next step of their path Because of a Chinese proverb and my aging father I was able to see beyond the suffering in my reality and I hope I can inspire others to do the same It can be a hard pill to swallow but there really is meaning behind this darkness which is necessary for a beautiful transformation that will allow us to reconnect with our true essence and experience rebirth through self discovery and resilience May my story act as a light to guide you along your own journey Let s walk each other home Love Peace Amy Love **Grow to Your Fullest** Ling Qin
