**What Makes a Garden** Jinny Blom, 2023-11-02 One of the year s most engrossing thought provoking books The English Garden A reflective second book by Jinny Blom author of The Thoughtful Garden one of the world s leading garden designers

What Makes a Garden builds upon the work of *The Thoughtful Garden* giving a broader idea of how she thinks about garden design. In particular it emphasizes her multi disciplinary approach which embraces architecture conservation and art coupled with a strong holistic thread. This fascinating and insightful book looks at how a garden should please all five senses how it is an alchemical mix of the inanimate and the living and also how it has to accommodate both the effects of time and the influences of culture. This is not intended as a book of rules but rather a way of thinking about garden design and making sure it responds to the particularities of place the culture and the demands of the client. Drawing on her work and experience over the last 20 years or so the book gets to the heart of what people want and need from a garden and what makes it different from a natural landscape. Reflecting Jinny's highly individual approach to garden design the book is filled with warmth and character alongside her expert knowledge. With a broad appeal this beautiful book is for all garden lovers thoughtful yet practical and informative it marries artistry with functionality.

**Wild Lilies, Irises, and Grasses** Nora Harlow, Kristin Jakob, 2003 It would be hard to imagine a more knowledgeable group of writers illustrators and photographers than the dream team assembled to create this book. It is truly a celebration of the beauty of our native flora and encourages us to incorporate elements of it in our gardens to establish a firm sense of place. I've waited twenty five years for this book. It was worth the wait. Richard G Turner Jr editor Pacific Horticulture. With clarity and a deep knowing that could only come from firsthand experiences the authors share their horticultural wisdom and obvious affection for California's garden worthy monocots. From Agave to Zigadenus over 250 species of native grasses irises geophytes and their botanical brethren are described in this long awaited beautifully illustrated book. Carol Bornstein Director of Horticulture Santa Barbara Botanic Garden.
