Preparation Seminar at Maple Springs Baptist Bible College and Seminary Capitol Heights MD former Director of Bible Babies Child Development Center Pastoral Assistant and Chief of Staff at The Sanctuary of Kingdom Square in Upper Marlboro MD and author of Bible Journaling for Kids Putting on the Full Armor of God     Reading the Seasons Germaine Leece, Sonya Tsakalakis, 2021-03-30 It's an old cliché that books transport you but as any avid reader will tell you there's far more to them than that. Alongside comfort and retreat books offer insight into ourselves and others; they tell us how the world is, was, or might be; they are windows into other worlds whose meanings resonate through the ages. It's this multiplicity that is at the heart of bibliotherapy, the ancient practice of reading for therapeutic effect. Reading the Seasons charts the evolution of a friendship through candid letters between bibliotherapists Germaine Leece and Sonya Tsakalakis. Ignited by a shared love of reading and finding a book for every occasion, every emotion, both for themselves and for their clients, their conversations soon confront life's ups and downs. The authors they reach for range from Stephen King to Javier Marias, Helen Garner to Maggie O'Farrell, as they reflect upon loss, change, parenting, careers, simple pleasures, travel, successes, fears, and uncertainty. Reading the Seasons not only offers an entryway to new titles but affirms the power of books to console, heal, and hold us together as friends and as individuals.
