Growing True Disciples:

Growing True Disciples George Barna, 2013-03-06 Christ's command to the church is clear: Go therefore and make disciples of all nations. It is in building disciples, helping others to embrace Jesus Christ as Savior and Lord, mature in him and then lead others to do the same that the Kingdom grows. And when the Kingdom grows, churches do too. In *Growing True Disciples*, respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers. And he reveals models and examples that will equip churches to dramatically increase their effectiveness. As a result, your church can begin to see more involved members who want to live out their faith in submission to God and joyfully share their resources to fulfill Christ's commission. **Defeating Pharisaism** Gary

Tyra, 2009-09-28 Gary Tyra's constructive study of the Sermon on the Mount seeks to revitalize discipleship by exposing and rooting out the modern incidence of Pharisaism, legalism, dogmatism, separatism, judgmentalism, etc. among evangelical churches today. **Becoming a True Disciple: The Revolution of Spirit-Led Disciples of Christ** Dr. Stephen L. Gray, 2016-03-04 *Becoming a True Disciple: The Revolution of Spirit-Led Disciples of Christ* shares the experiences and insights of Dr. Stephen L. Gray. He recounts his journey as a follower of Jesus Christ who heard, heeded, and acted on God's calling to become a missionary. He followed that summons and traveled to the coastal regions of Tanzania and Kenya in East Africa. There he worked as a witness to Jesus Christ, sharing the gospel so that others might become disciples led by the Holy Spirit. The narrative and reflection in *Becoming a True Disciple* leads the reader to contemplate topics like being a disciple, spiritual growth, the Holy Spirit, a devotional life, prayer, honoring God's word, renewing the mind, creating a spiritual environment, faith, and joining in Christ's Great Commission. *Becoming a True Disciple: The Revolution of Spirit-Led Disciples of Christ* resists falling into the trap of trying to teach discipleship as a process that one may implement. **Education Is Discipleship: So Who's Really Discipling Your Kids?** Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders. A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News, sound doctrine, and a biblical worldview to future generations is the result. The adoption of secular philosophies of education, age segregation, the creation of adolescence, the formation of youth ministry, the adoption of a teen subculture, and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem. Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results. The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education, both in the home and in the church.

Discipleship in Education Joseph Allotta, 2018-02-08 Students are often tested to evaluate their academic knowledge, but few Christian schools use objective measures to determine if a student has become a true disciple of Christ. Unfortunately, there are few organizations that provide metrics for measuring biblical knowledge, let alone any sort of comparative

evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential **Twelve Dynamic Shifts for**

Transforming Your Church E. Stanley Ott, 2002-06-06 Arguing that the weakness of the church today is a loss of personal spirituality and congregational vitality Ott challenges local churches to discover how to adjust the style of their ministries to attract new people while encouraging current members **Discipleship in the Postmodern Age** Daniel L.

Kohn, 2020-09-04 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today's disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church **Developing Disciples of Christ** Julianne

Stanz, 2017-10-01 St Pope John Paul II reminds us in Catechesi Tradendae that catechesis is a moment a very remarkable one in the whole process of evangelization In other words catechesis is an essential part of evangelization not something separate from it Therefore it is critically important that catechetical leaders recognize how to effectively catechize in a way that advances the Church's primary mission to evangelize To that end this third volume of The Effective Catechetical Leader will explore a Catholic understanding of evangelization grounded in Scripture and Tradition how the New Evangelization supports and enhances today's catechesis the inseparable nature of content and methodology in catechesis the absolute importance of adult catechesis and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God's word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of
