Man Enough Victor J Jeleniewski Seidler, 1997-09-15 In this book one of the leading contributors to the growing debate about men masculinities and sexual politics Victor J Seidler criticizes the Enlightenment coupling of white heterosexual masculinity with reason He argues that in modern society masculinity can never be taken for granted Men must always prove that they are man enough to cope in the correct way with the problems and challenges of everyday life Seidler believes that men have to break this chain of obligations to the Enlightenment notion of masculinity Through engaging with men's diverse relationships with their bodies sexualities emotional lives feelings and desires Seidler explores ways of affirming masculinities while critically engaging with the power that men have in the wider society The book is also a contribution to antisexist politics Seidler is interested in taking on those forms of men's politics which find it difficult to engage with men's power and society and also those who take it for granted that male power is normal and natural He seeks to recognize both the power that white heterosexual masculinities have in shaping forms of philosophy and social theory while at the same time recognizing that masculinity cannot be simply defined as a relationship of power

**Why Boys Don't Talk--and Why It Matters** Susan Morris Shaffer, Linda Perlman Gordon, 2005-01-21 Helps parents reopen the lines of communication with silent teenage sons and stay emotionally connected with them Adolescent boys are notoriously uncommunicative Unfortunately too many parents equate not talking with not feeling and as authors Susan Morris Shaffer and Linda Perlman Gordon explain in this groundbreaking guide parents who make that assumption end up validating only the most superficial aspects of their sons Recent bestsellers such as *Real Boys* and *The Wonder of Boys* have

done a good job of sensitizing parents to the inner lives of boys and opening their eyes to how society shortchanges boys emotionally Now *Why Boys Don't Talk and Why It Matters* goes a step further Coauthored by a nationally acclaimed expert on gender equity and a social worker both of whom successfully raised teenagers of both sexes it Arms parents with proven techniques for communicating with their adolescent sons and reestablishing strong emotional bonds with them Draws upon focus groups as well as the authors considerable experience in gender equity research and counseling to analyze the subtle ways boys communicate connection      **Masculinity Meets Humanity** Shahieda Jansen,2023-12-01 In this book the author a clinical psychologist reflects on her psychotherapy experiences with male clients as she debunks the myth of male alexithymia the inability to recognise and express emotions Men are apparently disengaged from wellness practices as they are perceived to be reluctant to seek mental health care An ubuntu inspired personhood discourse of trust empathy and transformation theoretically underpins the author's clinical practice The integration of the culturally familiar philosophy of ubuntu challenges the hegemony of strictly modern Western psychological discourses and theories Although the book is not a manual for how to do therapy with men neither a panacea for all male related challenges it can ignite empathic insights and kindle gender sensitive responses to male concerns locally and internationally Women who are frequently the targets of gender based violence primarily committed by men may play a significant role in the rehabilitation and healing of men Men are usually excluded from psychosocial interventions but this book makes the case that prioritising the wellbeing of boys and men is critical to creating a society that is safe for everyone men women children and the broader public Print editions not for sale in Sub Saharan Africa      [The Man-Not](#) Tommy J. Curry,2017-07 The Before Columbus Foundation 2018 Winner of the AMERICAN BOOK AWARD Tommy J Curry's provocative book *The Man Not* is a justification for Black Male Studies He posits that we should conceptualize the Black male as a victim oppressed by his sex *The Man Not* therefore is a corrective of sorts offering a concept of Black males that could challenge the existing accounts of Black men and boys desiring the power of white men who oppress them that has been proliferated throughout academic research across disciplines Curry argues that Black men struggle with death and suicide as well as abuse and rape and their genred existence deserves study and theorization This book offers intellectual historical sociological and psychological evidence that the analysis of patriarchy offered by mainstream feminism including Black feminism does not yet fully understand the role that homoeroticism sexual violence and vulnerability play in the deaths and lives of Black males Curry challenges how we think of and perceive the conditions that actually affect all Black males      **Journal on Moving Communities** ,      **Practicing Modernity** Carmel Finnan,2006 Vorwort I Sharp Women and Weimar Berlin C Ujma Theories of Masculinity and the Avant Garde T Elsaesser The Camera in the Kitchen Grete Sch tte Lihotsky and Domestic Modernity A Baumhoff Women in the Bauhaus Gender Issues in Weimar Culture D Rowe Painting herself Lotte Laserstein between subject and object U Seiderer Between Minor Sculpture and Promethean Creativity The Position of K the Kollwitz in Weimar's Discourse on Art C Finnan Photographers between
