Pamela Leigh Starr,2008-08-26 After fate throws a therapist together with her mentor's arrogant son she's forced to take on the role of rescuer and redeemer if she can put her past behind her Original *Lycan Blood* Ali_M, I follow closely behind Lucious through the dark forest looking at his tensed back I was only helping I know you're angry Lucious but you can't go around doing whatever you want anymore My father has laws in place for these types of things If Lucious would've wiped that pack out he would've had to answer to father for his crimes Lucious turn around glaring at me Don't tell me what I can and cannot do I don't give a fuck about your father nor his laws He's not my fucking king He spits the words at me before turning walking away I let out a sigh looking at his back as he disappears through the thick trees of the forest He may not accept father as his king but that doesn't mean father won't punish him for the laws he breaks After all the killing and fighting Lisa just wants for things to go back to the way they once were but the peacefulness of her old life back in the human world is long gone Lisa is now shoved into the world that she was always meant to be a part of She's no longer in the human world living by the human ways and laws Here it's kill or be killed While Lisa fights for her respect amongst the wolves Lucious is planning to get revenge for the death of his father and friends **Power's Play** Eva Sandor,2021-10-01 Bust the Kingdom's scariest crime boss There has to be an easier way for a Fool to win love A year after the events of Fool's Proof Malfred Murd is no longer a Fool royal or otherwise He's a newly minted nobleman who can't help plunging back into his own special brew of trouble This time he's taken on a task that's outrageous even for him becoming an undercover officer out to bust the biggest crime boss in a vast and decadent city Will it win him the attention of a certain maddeningly inaccessible Lady or get him packed at the bottom of a barrel Follow Fred Corvinalias the other characters we met in Fool's Proof and a dazzling collection of new ones on a journey through a world blending equal parts comedy crime novel and adventure heroic horrific and hilarious The ending is surprisingly deep and leaves the reader wanting even more Reedsy Discovery A character driven romp through a world of magic fantastic creatures and subterfuge Sandor's prose shines brightest when portraying story and character through dialogue and crafting a beautiful rich world while effortlessly switching between tense conversations rife with undertone and subtlety and more lighthearted comical scenes that build character and entertain The BookLife Prize Offers many surprises to delight literary fantasy readers looking for far more than an adventure tale There's simply not enough literary humor in the fantasy genre but Eva Sandor fills this gap with another adventure story that should be read closely so as not to miss any of the tongue-in-cheek humor both overt and subtle that graces its characters and lines Diane Donovan Bookwatch Read the book and loved it Though much darker than the first novel I actually enjoyed it more There is still the wit and charm in bucket loads with added emotion mystery and intrigue John Derek Netgalley It does point firmly into the next book which I'm now looking forward to Jim Webster author of the Tallis Steelyard series The writing is intelligent but not out of reach Advance reader Mike Z A wonderful collection of

characters and the use of language is brilliant Advance reader Namoi L Love action drama and best of all you get lost in Eva's world This is number 2 in the series and it lives up to all the reviews so far I loved it so much I couldn't put it down Advance reader Rikki M Comical magical witty and even dark a fast paced journey leaving you yearning for more each chapter and then the next in the series Great development of characters with an intense strong female protagonist Advance reader Robert A You don't realize how four different stories turn into one entwined story until you do notice it The transitions are seamless Advance reader Gabriella B Cuchifrita, Ballerina Deborah Gregory, 2014-08-12 Chanel has never written a song before and she's overjoyed when her first effort It's Raining Benjamins proves a hit for the Cheetah Girls But when another group accuses her of stealing lyrics Chanel admits that not all the words were her own Broken hearted and ashamed Chanel is so low that she's considering taking up ballet which could mean giving up on the Cheetah Girls for good American Ballet Theatre is recruiting junior dancers and Chanel is going to get on that dance team no matter what it takes But pliés and pirouettes are no substitute for true friendship and Chanel will have to be on pointe if she is to keep the Cheetahs close to her heart The Gordon Readers Emma K.
