**Pastoral Leadership** Won Sang Lee, 2015-01-14 In ascending to heaven Jesus Christ gave the church the Great Commission to expand the gospel to all nations Despite this biblical commission it is still an unfinished task As leaders of local churches pastors play a crucial part in this endeavor Pastoral leadership principles have varied widely throughout history yet it is interesting to discover the similarities between pastoral leadership principles practiced by John Chrysostom AD 347 407 in Antioch and Constantinople and Won Sang Lee 1937 in Washington DC Despite ministering 1600 years apart both pastors share the same core values care for people Christ like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a significant role in fulfilling the Great Commission independent of time and place      *Readings in Missionary Anthropology II* William Allen Smalley, 1978
