Growth With Equity The New Technology And Agrarian Change In Bengal:

Growth with Equity: The New Technology and Agrarian Change in Bengal Abhijit Dasgupta, 2000 **The Bengal Borderland** Willem van Schendel, 2005 The Bengal Borderland constitutes the epicentre of the partition of British India Yet while the forging of international borders between India Pakistan Bangladesh and Burma the Bengal Borderland has been a core theme in Partition studies these crucial borderlands have remarkably been largely ignored by historians *Re-thinking Economic Development* 田口, 2010 This study investigates the impact of agrarian development programs on rural class structure in Bangladesh and it highlights how the local administration of infrastructure affected the social stratification of villages Re thinking Economic Development shows how the so called Green Revolution was conducive to the formation of the groundwater market and the emergence of the waterlords The book demonstrates the ways in which the failure of formal finance facilities contributed to the credit flow from the wealthy to the poor with the transformation of the potato marketing system and the structure of rural finance *Class, Caste, Gender* Manoranjan Mohanty, 2004-05-24 Annotation This volume of essays looks into the dynamic interconnection of class caste and gender in the Indian political process The focus is on interconnection that is a relationship involving more than one category while at the same time trying to understand each category by itself The complex issues of caste gender and class have been studied through a collection of essays that look into the people s struggle for social equality Social oppression has been analyzed in the context of protests against such exploitation Anti caste movements and women s movements have been studied in much detail The volume is divided into five sections and well known specialists have contributed pertinent essays This important book will contribute immensely in the understanding of the contemporary Indian political process *A History of Bangladesh* Willem van Schendel, 2009-02-12 Bangladesh is a new name for an old land whose history is little known to the wider world A country chiefly famous in the West for media images of poverty underdevelopment and natural disasters Bangladesh did not exist as an independent state until 1971 Willem van Schendel s history reveals the country s vibrant colourful past and its diverse culture as it navigates the extraordinary twists and turns that have created modern Bangladesh The story begins with the early geological history of the delta which has decisively shaped Bangladesh society The narrative then moves chronologically through the era of colonial rule the partition of Bengal the war with Pakistan and the birth of Bangladesh as an independent state In so doing it reveals the forces that have made Bangladesh what it is today This is an eloquent introduction to a fascinating country and its resilient and inventive people *Soziale Ästhetik, Atmosphäre, Medialität* Philipp Zehmisch, Ursula Münster, Jens Zickgraf, Claudia Lang, 2018 **Alternatives in Development** Liyiyu, Abhijit Dasgupta, 2021-10-22 This book deals with the dynamics of local level politics in China and India China introduced new policies to restructure local politics in 1978 In place of communes civil society organizations and cooperatives were introduced in villages More changes came about with the introduction of the Organic Law of the Villagers Committees of the People s Republic of China in 1998 The new local power

structure includes state sponsored institutions like Villagers Committees and the traditional civil society organizations CSOs and non government organizations NGOs As in China local politics in India undergoes considerable changes during the last few decades Panchayati Raj Institutions PRIs were reformed in 1992 with a constitutional amendment act CSOs and NGOs were allowed to function Against this background the present book is undertaken with the objectives first to present two different models of local politics and second to compare the two finally to focus on the two different models of development This book will interest scholars of rural governance rural transformation and the role of the grassroots CSOs and NGOs in shaping development program and growth in the two large countries in Asia

Environmental Uncertainty and Local Knowledge Anna-Katharina Hornidge, Christoph Antweiler, 2014-03-15 Southeast Asia is a laboratory showing current worldwide ecological issues Environmental change natural resource exploitation as well as global climate change increasingly threaten people's livelihoods Environmentally based uncertainties foster a high level of knowledge uncertainty This poses a constantly growing threat to agricultural production Vulnerable communities with a low degree of resilience are most severely affected But local communities have abilities to innovate and develop locally embedded coping strategies The contributors of this volume are most interested in environmental change that fosters knowledge uncertainties Regions discussed include the Mekong Delta in Vietnam Moluccas Central Kalimantan West Sumatra and South Sulawesi in Indonesia and Tangail Region in Bangladesh
