Everywhere Present Stephen Freeman, 2010 Most Christians living in a secular society have unwittingly relegated God and all things spiritual to the second storey of the universe a realm we cannot reach except through death The effect of this is to banish God along with the saints and angels from our everyday lives Fr Stephen Freeman makes a compelling case for becoming aware of God's living and active presence in every moment of our lives here and now Learning to practice your Christian faith in a one storey universe will change your life and make possible the living intimate relationship with God you've always dreamed of
