American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier maché of myth and legend So persistent have been these legends that the true character of the Kid seemed almost beyond reach Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the Kid and his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid authentic true and completely accountable

**Raiders of Spanish Peaks** Zane Grey, 2024-11-09T00:00:00Z Hoping a change in environment will ease John Lindsay's sickness his family heads west to discover that their new homestead is an abandoned military post and they've ridden into the middle of a gang of thieves and rustlers who have total control of the desolate land *The Cowboy President* Michael F.
