Ecology A To Z:

The A to Z of Environmentalism Peter Dauvergne, 2009-09-02 Environmentalism involves hundreds of international environmental groups thousands of national groups and tens of thousands of local ones It also includes hundreds of international agreements hundreds of national environmental agencies and countless environmental sections in other organizations from those in multinational corporations to ones in regional and international organizations Such environmental concepts as sustainable development the precautionary principle corporate social responsibility and eco labeling percolate from all of these sources Every year new ideas refinements policies institutions markets and problems continue to enter into environmental debates and discourses making it nearly impossible to keep abreast of the changes constantly taking place *The A to Z of Environmentalism* is a paperback edition of the *Historical Dictionary of Environmentalism* It strategically skips across issues concepts time organizations and cultures not with any pretense of producing a definitive dictionary but rather with the aim of producing an inclusive wide ranging and global history of environmentalism This goal is accomplished through a chronology an introductory essay and over 300 cross referenced dictionary entries *General Catalogue of the Homoptera* United States. Agricultural Research Service, 1968 **Sea Grant Publications Index**, 1975

The A to Z of the Green Movement Miranda Schreurs, Elim Papadakis, 2009-09-21 Human beings have been concerned about nature and their place in it for millennia Disquiet about the consequences of human action on the natural environment date back to the ancient Greeks and Romans The efforts of the green movement can be traced back to the 19th century In this period individuals groups and organizations began campaigning for the conservation and preservation of natural areas and the protection of wildlife species Efforts to combat pollution also began It was not until the 1960s however that the green movement in its more modern incarnation emerged The green movements that arose at this time maintained the concerns with conservation preservation and industrial pollution held by earlier generations but added to their agenda new issues including justice equality participatory democracy and sustainability *The A to Z of the Green Movement* provides a detailed and comprehensive overview of green parties and movements green issues and green concepts This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on countries in the world where green parties or proto parties have formed green movement organizations major international environmental conferences and green concepts This useful reference will be greatly valued by students academics journalists and policymakers alike [Sea Grant Publications Index, 1968-72](#), 1973 [Politics from A to Z](#) Richard Ganis, 2015-10-30 Deepen your understanding of how politics work and why they matter with this timely guide *Politics from A to Z* provides an up to date thoroughly researched glossary of political topics spanning ancient Greece to contemporary America Featuring an introductory interview with Noam Chomsky *Politics from A to Z* is ideal for anyone interested in politics from beginners to scholars With detailed entries visual references and useful timelines *Politics from A to*
