Pilgrimage for Ecstasy Bryan Berry,2002-12-09 I was content with hanging out with my friends no matter what their dysfunctions and clinically destructive habits I liked to mind my own business in patient realms but my brother and our friends liked to drag me into problems I could not solve My friends they were cheap entertainment to me no matter what kind of ridiculous scenes they got me into But then every so often as I dared I would step out onto a limb of my life just to see how fragile it might be I didn't have a girlfriend at the time so how I met that woman it was purely an accident Really it was and I mean it sincerely She was pretty and I was in the right place at the right time It seemed like things were going smoothly for an encounter that blossomed from a blind date that had gone off track Yes it did look good from a distance to someone that didn't know better even to me But then I met her sister She caused all the trouble Really she was and I mean it sincerely
