Edwin Morgan Inventions Of Modernity:

Edwin Morgan Colin Nicholson, 2002 Edwin Morgan is Scotland's major living poet and *Inventions of Modernity* is the first book length study of his work Since the 1940s Morgan's poetry has been carving out an alternative to the conventional evolutions from Modernism to Postmodernism creating instead a substantial body of writing that ranges from the sublime to the hilarious Morgan develops radical and libertarian poetics in an encyclopaedia of forms from Anglo Saxon meter through sonnet sequences to concrete poems and including gay poetry science fiction verse and prize winning translations into both English and Scots from numerous languages *Ecology and Modern Scottish Literature* Louisa Gairn, 2008-05-01 This book presents a provocative and timely reconsideration of modern Scottish literature in the light of ecological thought Louisa Gairn demonstrates how successive generations of Scottish writers have both reflected on and contributed to the development of international ecological theory and philosophy Provocative readings of works by authors including Robert Louis Stevenson John Muir Nan Shepherd John Burnside Kathleen Jamie and George Mackay Brown demonstrate the significance of ecological thought across the spectrum of Scottish literary culture This book traces the influence of ecology as a scientific philosophical and political concept in the work of these and other writers and in doing so presents an original outlook on Scottish literature from the mid nineteenth century to the present *Beyond the Last Dragon* James McGonigal, 2011-12-09 Edwin Morgan's restless imagination moved easily between multiple worlds voices and identities His own life story told here for the first time also reveals a range of identities as academic cultural activist radical writer international traveller gay man and national poet These identities were sometimes in conflict or kept hidden and apart *Beyond the Last Dragon* written with his full support explores hitherto unknown archive resources and creative work It recounts an amazing and sometimes troubled career using the poet's own letters poems and plays from the 1930s to the present day to uncover the origins of his remarkable and life long inventiveness and flair All this is set against Edwin Morgan's moving struggle against the last dragon of cancer and to remain creatively alive in the face of suffering in the final years of his life This prize winning biography was published just days after the poet's death James McGonigal now adds a new chapter to describe subsequent events *Translating Beowulf: Modern Versions in English Verse* Hugh Magennis, 2015 Translations of the Old English poem *Beowulf* proliferate and their number continues to grow Focussing on the particularly rich period since 1950 this book presents a critical account of translations in English verse setting them in the contexts both of the larger story of recovery and reception of the poem and perceptions of it **From Trocchi to Trainspotting - Scottish Critical Theory Since 1960** Michael Gardiner, 2006-07-04 This book charts the course of Scottish Critical Theory since the 1960s It provocatively argues that French critical theoretical ideas have developed in tandem with Scottish writing during this period Its themes can be read as a breakdown in Scottish Enlightenment thinking after empire precisely the process which permitted the rise of theory The book places within a wider theoretical context writers such as Muriel Spark Edwin

Morgan Ian Hamilton Finlay James Kelman Alexander Trocchi Janice Galloway Alan Warner and Irvine Welsh as well as more recent work by Alan Riach and Pat Kane who can be seen to take the post Enlightenment narrative forward In doing so it draws on the work of the Scottish thinkers John Macmurray and R D Laing as well as the continental philosophers Gilles Deleuze and Paul Virilio *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry *Selected Poems* Hélène Aji,Jennifer Kilgore-Caradec,2013-01-16 Complete poems are bulky and too heavy to carry around Collected poems pretend to be complete but usually are not Selected poems are altogether unpretentious and reader friendly But they can be problematic Who decides what poems are important for inclusion in a volume of selected poems When the selection occurs during the author s lifetime may one assume that the author was involved What motivates the choice of one poem over another How do readers preferences influence this choice How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection The essays in this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets to the present day using selections from the 1940s until now They offer new insight into the uses both pedagogical and critical of selection Because *Selected Poems* usually address a large general public these essays have also been written for all those who wish to know more about how these slimmer more attractive volumes are produced *A People's History of Scotland* Chris Bambery,2014-06-17 *A People s History of Scotland* looks beyond the kings and queens the battles and bloody defeats of the past It captures the history that matters today stories of freedom fighters suffragettes the workers of Red Clydeside and the hardship and protest of the treacherous Thatcher era With riveting storytelling Chris Bambery recounts the struggles for nationhood He charts the lives of Scots who changed the world as well as those who fought for the cause of ordinary people at home from the poets Robbie Burns and Hugh MacDiarmid to campaigners such as John Maclean and Helen Crawford This is a passionate cry for more than just independence but also for a nation based on social justice Fully updated to include the rise of the SNP post 2014 **Strange Likeness** Chris Jones,2010-10-14 *Strange Likeness* provides the first full account of how Old English or Anglo Saxon was rediscovered by twentieth century poets and the uses to which they put that discovery in their own writing Chapters deal with Ezra Pound W H Auden Edwin Morgan and Seamus Heaney Stylistic debts to Old English are examined along with the effects on these poets work of specific ideas about Old English language and literature as taught while these poets were studying the subject at university Issues such as linguistic primitivism the supposed purity of the English language the politics and ethics of translation and the construction of Englishness within the literary canon are discussed in the light of these poets and their Old English encounters Heaney s translation of *Beowulf* is fully contextualized within the body of the rest of his work for the

first time **Edinburgh History of Scottish Literature: Modern Transformations: New Identities (from 1918)** Ian Brown, 2006-11-13 In almost a century since the First World War ended Scotland has been transformed in many rich ways Its literature has been an essential part of that transformation The third volume of the History explores the vibrancy of modern Scottish literature in all its forms and languages Giving full credit to writing in Gaelic and by the Scottish diaspora it brings together the best contemporary critical insights from three continents It provides an accessible and refreshing picture of both the varieties of Scottish literatures and the kaleidoscopic versions of Scotland that mark literary developments since 1918 **Fivefathers: Interviews with late Twentieth Century Scottish Poets** Colin Nicholson, 2013-09-24 **The Cambridge Companion to Twentieth-Century English Poetry** Neil Corcoran, 2007-12-13 The last century was characterised by an extraordinary flowering of the art of poetry in Britain These specially commissioned essays by some of the most highly regarded poetry critics offer a stimulating and reliable overview of English poetry of the twentieth century The opening section on contexts will both orientate readers relatively new to the field and provide provocative syntheses for those already familiar with it Following the terms introduced by this section individual chapters cover many ways of looking at the modern the modernist and the postmodern The core of the volume is made up of extensive discussions of individual poets from W B Yeats and W H Auden to contemporary poets such as Simon Armitage and Carol Ann Duffy In its coverage of the development themes and contexts of modern poetry this Companion is the most useful guide available for students lecturers and readers [A Companion to Scottish Literature](#) Gerard Carruthers, 2023-12-08 A Companion to Scottish Literature offers fresh readings of major authors and periods of Scottish literary production from the first millennium to the present Bringing together contributions by many of the world s leading experts in the field this comprehensive resource provides the historical background of Scottish literature highlights new critical approaches and explores wider cultural and institutional contexts Dealing with texts in the languages of Scots English and Gaelic the Companion offers modern perspectives on the historical milieux thematic contexts and canonical writers of Scottish literature Original essays apply the most up to date critical and scholarly analyses to a uniquely wide range of topics such as Gaelic literature national and diasporic writing children s literature Scottish drama and theatre gender and sexuality and women s writing Critical readings examine William Dunbar Robert Burns Walter Scott Robert Louis Stevenson Muriel Spark and Carol Ann Duffy amongst others With full references and guidance for further reading as well as numerous links to online resources A Companion to Scottish Literature is essential reading for advanced students and scholars of Scottish literature as well as academic and non academic readers with an interest in the subject **Ethically Speaking** , 2006-01-01 As politics and cultures interact within an increasingly diverse Scotland and differences in values become more evident across generations the need for clear understanding and cooperation within and between communities becomes a pressing issue This relates both to local and larger concerns language violence morality gender and sexuality education ethnicity truth and lies The chapters gathered

here focus on significant Scottish writers of the late twentieth and early twenty first centuries Edwin Morgan A L Kennedy Liz Lochhead John Burnside Jackie Kay Robin Jenkins Muriel Spark William McIlvanney Ali Smith James Kelman and others and the communities described are certainly Scottish but the issues raised are universal Questions are asked about the relationship of the individual to others and therefore on a larger scale about the means through which any community is both constructed and sustained linguistically spiritually ethically If their multiple voices evoke a zigzag of contradictions it is at any rate a creative zigzag which discovers or uncovers many contradictory aspects of life in modern Scotland that should particularly be brought to light in a re emergent nation Ethically speaking Scottish writers point out the need to attend to many different narratives and retellings in order that Scots might live more honestly and clear sightedly with themselves and with the wider world

Edinburgh Companion to Twentieth-Century Scottish Literature Ian Brown, 2009-07-03 This volume considers the major themes texts and authors of Scottish literature of the twentieth and so far twenty first century It identifies the contexts and impulses that led Scottish writers to adopt their creative literary strategies Moving beyond traditional classifications it draws on the most recent critical approaches to open up new perspectives on Scottish literature since 1900 The volume s innovative thematic structure ensures that the most important texts or authors are seen from different perspectives whether in the context of empire renaissance war and post war literary genre generation and resistance In order to provide thorough coverage these thematic chapters are complemented by chronological Arcade chapters which outline the contexts of the literature of the period by decades and by Overview chapters which trace developments across the century in theatre language and Gaelic literature Taken together the chapters provide a thorough and thought provoking account of the century s literature

A Companion to Contemporary British and Irish Poetry, 1960 - 2015 Wolfgang Gortschacher, David Malcolm, 2020-12-14 A comprehensive and scholarly review of contemporary British and Irish Poetry With contributions from noted scholars in the field A Companion to Contemporary British and Irish Poetry 1960 2015 offers a collection of writings from a diverse group of experts They explore the richness of individual poets genres forms techniques traditions concerns and institutions that comprise these two distinct but interrelated national poetries Part of the acclaimed Blackwell Companion to Literature and Culture series this book contains a comprehensive survey of the most important contemporary Irish and British poetry The contributors provide new perspectives and positions on the topic This important book Explores the institutions histories and receptions of contemporary Irish and British poetry Contains contributions from leading scholars of British and Irish poetry Includes an analysis of the most prominent Irish and British poets Puts contemporary Irish and British poetry in context Written for students and academics of contemporary poetry A Companion to Contemporary British and Irish Poetry 1960 2015 offers a comprehensive review of contemporary poetry from a wide range of diverse contributors

Edinburgh Companion to Contemporary Scottish Poetry Matt McGuire, 2009-07-03 The last three decades have seen unprecedented flourishing of creativity across the Scottish literary

landscape so that contemporary Scottish poetry constitutes an internationally renowned award winning body of work At the heart of this has been the work of poets As this poetry makes space for its own innovative concerns it renegotiates the poetic inheritance of preceding generations At the same time Scottish poetry continues to be animated by writing from other places The Edinburgh Companion to Contemporary Scottish Poetry is the definitive guide to this flourishing poetic scene Its chapters examine Scottish poetry in all three of the nation s languages It analyses many thematic preoccupations tradition and innovation revolutions in gender the importance of place the aesthetic politics of devolution These chapters are complemented by extended close readings of the work of key poets that have defined this era including Edwin Morgan Kathleen Jamie Don Paterson Aonghas MacNeacail and John Burnside

Space, Place and Poetry in English and German, 1960–1975 Nicola Thomas, 2018-07-13 Space Place and Poetry in English and German 1960 1975 examines the work of Paul Celan J H Prynne Derek Mahon Sarah Kirsch Edwin Morgan and Ernst Jandl bringing together postwar English and German language poetry and criticism on the theme of space place and landscape Nicola Thomas highlights hitherto underexplored connections between a wide range of poets working across the two language areas demonstrating that space and place are vital critical categories for understanding poetry of this period Thomas s analysis reveals weaknesses in existing critical taxonomies arguing for the use of late modernist as a category with cross cultural relevance and promotes methodological exchange between the Anglophone and German traditions of landscape space and place oriented poetic criticism to the benefit of both

Edinburgh Introduction to Studying English Literature Dermot Cavanagh, 2014-04-16 This introduction to the tools required for literary study provides all the skills background and critical knowledge which students require to approach their study of literature with confidence

Modern Irish and Scottish Poetry Peter Mackay, Edna Longley, Fran Brearton, 2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry featuring close readings of texts within broad historical and political contextualisation Playing on influences crossovers connections disconnections and differences the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice Poets discussed include W B Yeats Hugh MacDiarmid Sorley MacLean Louis MacNeice Edwin Morgan Douglas Dunn Seamus Heaney Ian Hamilton Finlay Michael Longley Medbh McGuckian Nuala ni Dhomhnaill Don Paterson and Kathleen Jamie This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty first centuries
