Godwin O. Adeboye, 2023-04-06 The belief in curses is widespread in Africa impacting the lived reality of both Christians and non Christians alike In this book Godwin Adeboye provides practical biblical and contextual guidelines for addressing the African conception of cursing and for ministering to the fear and confusion such cursing elicits He argues that African evangelical theology must begin by understanding and valuing the unique experiences of African Christians if it is to offer relevant answers to the real dilemmas they face To this end Adeboye draws on African traditional beliefs empirical research and the teachings of popular African pastors to provide insight into the religious and cultural contexts of the contemporary African church Against this backdrop he explores biblical passages on cursing and utilizes the evangelical positions on biblical authority the atonement personal conversion and active mission to evaluate cultural beliefs and bring them into alignment with the gospel While this text is an excellent resource for students of theology missiology and biblical or cultural studies it is also immensely practical and deeply pastoral Ultimately it is a book to empower believers to confront their fear of curses equipped with the truth of Scripture The Judas Brief Gary Greenberg, 2007-06-01 The Judas Brief challenges the fundamental Gospel concept that at least some leading Jews played a key role in having Jesus executed Author Gary Greenberg provides a detailed

examination of all Gospel accounts of hostile interaction between Jesus and the Jews with special attention to the Gospel accounts of the Jewish and Roman trials of Jesus He then compares these Gospel reports with the historical evidence and reaches some surprising and controversial conclusions including that there was never any organized Jewish hostility to Jesus the only significant opposition came from Roman authorities Judas was a close ally of Jesus and represented him in negotiations with the High Priest the High Priest tried to protect Jesus and his followers from a Roman initiated massacre Jesus willingly agreed to surrender himself to Pilate as a hostage to insure that his followers remained passive during the holiday Judas and Caiaphas had expected that Jesus would be released after the holiday Pilate broke his word and had Jesus executed Judas committed suicide in grief over the unexpected death of Jesus and the role he had played The Judas Brief is a comprehensive and clearly written account of the many Gospel portrayals of interaction between Jesus and the Jews It may well provide modern Christian scholars and exegetes with some of the tools necessary to challenge the anti Semitic reactions that flow from the Gospel accounts of Jewish hostility to Jesus Believer's Bible Commentary William MacDonald, 2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer's Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James The Oxford Guide to Ideas & Issues of the Bible Bruce M. Joel's Use of Scripture and the Scripture's Use of Joel John Strazicich, 2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament Nachleben The terms appropriation and resignification are descriptive of the process through which an antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text s unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel s New Testament Nachleben Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an

antecedent's voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions. The diachronic becomes fused with the synchronic in the process of an allusion's recontextualization. This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical hermeneutics.
