Effective Group Discussion 4th Edition:

Group Discussion Kathryn Sue Young, Julia T. Wood, Gerald M. Phillips, Douglas J. Pedersen, 2006-06-27 This affordable concise guide to group discussion offers comprehensive coverage of the standard agenda an approach that works for any problem solving discussion Readers learn a proven relevant practical approach to solving problems The authors emphasize the creative potential of individuals and urge them to apply that creativity to their discussions including imaginative ways to foster equal participation inventive gathering of background information rhetorically sensitive handling of conflict and critical assessment of potential solutions to a problem Dynamic group discussion is a rewarding experience and this book maps the route to effective communication in groups for participants and for leaders As a collective effort group discussion provides firsthand experience of the enhancement of individual abilities when working as part of a team encouraging mutual respect and the synergies of collaborative efforts *Speaking With Confidence and Skill* Lynne Kelly, Arden K.

Watson, 1989-04-11 Convinced that public speaking fears outranked all other fears the authors combined their years of teaching novice speakers to set forth their techniques for reducing apprehension and sharpening communication performance skills The three basic techniques stressed are cognitive structuring or attitude change relaxation techniques and skills training All of the topics addressed herein are intended for students in basic speech communication classes Some of the topics are the process of communication assessing yourself as a communicator improving attitudes and reducing apprehension preparing and delivering a public speech improving skills in group discussions as well as in all types of social relationships First published by Harper and Row in 1986 *Effective Group Discussion* John K. Brilhart, Gloria J.

Galanes, 1989 *Assessing Communication Education* William G. Christ, 2013-11-05 Designed as a handbook this text provides media speech public speaking interpersonal small group and organizational communication and theatre educators with both the theoretical and practical ammunition to fight the assessment battles on their campuses The philosophical implications of accountability are balanced with concrete specific and usable assessment strategies Stressing student faculty course program department and institutional assessment this book's aim is to provide in one place information that will help diverse and complex communication programs face the growing challenges in assessment The book is divided into three sections background and foundational information for assessment broad assessment strategies that apply to a variety of media speech and theatre courses and programs and context specific assessment strategies While covering a host of topics it provides an overview of assessment and suggests how it might impact communication education discusses the elements of program assessment and how linkage of mission statements with outcomes can lead to strong innovative programs compares and contrasts regional association requirements and presents a specific how to strategy for writing outcome statements discusses teaching evaluation and argues that we need to identify the what of teaching before we try to measure the how looks at creative ways for formative and summative course evaluation that starts with the creation of an explicit syllabus

discusses the use of capstone courses as a way of evaluating not only their major but also how students have integrated their total educational experience suggests the variety of ways that interpersonal communication can be assessed and calls for future research that stresses the knowledge component of learning reports on a strategy for developing small group communication assessment measures and provides media speech and theatre faculty and administrators with the background understanding and tools to build stonger programs and develop better courses and educational experiences for their students
