Speak Easy 3rd Edition Maggie Eyre, 2015-11-27 Surveys show that most people fear public speaking more than death So how do you prepare effectively for a speaking engagement What do you need to know about your body your voice the audience the technology Maggie Eyre has over 30 years experience as a media trainer communications consultant and performer In *Speak Easy* she takes the reader through the complete process from initial concept to final delivery Included are chapters on body language voice health warming up managing your audience fear media skills social media how to use technology grooming and learning your lines The text is illustrated with anecdotes and case studies based on Maggie's own work and experience and is packed with useful tips Practical and authoritative this is the essential book for anyone facing a business presentation or an after dinner speech

Quality Leadership Skills, 3rd Edition Dick Leatherman, Richard Leatherman, 2008 Would you like to really know how to empower employees to take greater charge over their careers To teach employees how to take more responsibility for their performance appraisals To delegate work to employees You'll get clear direction in *Quality Leadership* a practical manual that addresses today's need for quality performance and gives techniques for handling a wide array of employee problems This how to do it resource for new and future leaders explains basic leadership tasks in a simple step by step manner It is full of practical advice not theories and outlines clear standards of performance Even if you have been trained and retrained in leadership principles you'll pick up fresh new techniques here The 22 chapters show you how to handle the many day to day interactions that are key to empowering your employees and helping them be more productive and fulfilled You'll gain down to earth clear directions for how to Delegate solve problems make decisions plan develop objectives with employees conduct effective performance appraisals manage time conduct meetings interview and select employees develop employees manage organizational transitions and lead others The many detailed worksheets included will help you apply on the job what you learn If you follow these standards of performance you will become a good leader Your organization will thank you And so will your employees

Performance Basics, 2nd Edition Joe Willmore, 2016-05-16 Understanding performance improvement is imperative Have you noticed the trend toward performance in your profession It's happening around the world With organizations placing greater emphasis on results and accountability having knowledge of performance is critical In the revised second edition of *Performance Basics* learning strategist Joe Willmore guides you through human performance improvement or HPI and delves into major changes in performance analysis See the Performance DNA process you know from ATD's Human Performance Improvement program at work and discover why focusing on performance improvement is so important to organizational success How do I conduct a front end analysis When

should I focus on accomplishments What is the importance of root cause analysis And when do I administer formative summative and ROI analyses If you re grappling with any of these questions you ll find answers and step by step guidance inside Get the results you need to generate organizational improvement and ensure you re ready for your foray into performance consulting You ll find this book to be a useful tool About the Series ATD s Training Basics series offers techniques examples and exercises that help you perfect your skills and apply them on the job Every title is designed to be a quick concise crash course on a crucial training topic and features instruction for practical day to day application

Creating an Environment for Successful Projects, 3rd Edition Randall Englund, Robert J. Graham, 2019-10-01 Now in its third edition this project management classic has been updated with an array of field tested tools to help upper management ensure the success of projects within organizations For over twenty years Creating an Environment for Successful Projects has been a staple for upper managers who want to help projects succeed This new edition includes case studies from companies that have successfully applied the approach along with practical tools such as templates surveys and benchmark reports for savvy leaders who want to ensure project success throughout their organizations The insights in this book will help management speed projects along instead of getting in their way All too often well intentioned managers put roadblocks in the team s way instead of empowering them with the tools they need to succeed This approach to project environments grounded in decades of research and practice will help you make your organization the most project friendly it s ever been Organizational changes rarely work unless upper management is heavily involved Although project managers are most closely responsible for the success of projects upper managers are the ones who ultimately create an environment that supports those projects The way upper managers define structure and act toward projects has an important effect on the success or failure of those projects and consequently the success or failure of the organization This book helps all managers understand the need for project management changes and shows how to develop project management as an organizational practice
