

# School Budget 101

In New York state, local school boards must annually develop a balanced school budget proposal and put it up for a public vote on the third Tuesday in May.

**Budget Vote Day: Third Tuesday in May**

"Voting on the school district budget" is a **unique opportunity**. It is the only government spending plan on which residents can vote.

Fall

- District reviews long-range goals, enrollment projections
- Administration begins discussing budget priorities

January

- Governor proposes Executive Budget. District reviews preliminary state aid projections
- District estimates health care-related costs and other major cost drivers

February

- District presents preliminary budget and identifies the initial gap between what is needed to continue all programs into the next year and projected revenues

March

- By March 1, the District must submit its calculated maximum allowable **tax levy** under the state's **property tax cap**.
- Board of Education (BOE) reviews administrative recommendations for budget expenses in various areas such as instruction, transportation, special education, facility, athletics, etc.

April

- BOE discussions continue on priority issues, legislative actions affecting revenue and expenditures, impact on instructional programs, staffing, and support operations
- By April 1, the New York State Legislature must adopt a state budget. District updates its state aid projections
- The BOE examines **fund balance** options to supplement revenues if needed
- BOE adopts school budget proposal

May

- Annual budget hearing. Budget information is mailed to all voters
- Third Tuesday in May: **Budget vote day**

■ The **property tax levy** is the total amount of property taxes the school district collects. The **tax cap** is the dollar amount per \$1,000 of assessed property value a property owner pays in taxes.

■ Every year, school districts are required to calculate a "maximum allowable tax levy" under the **property tax cap** law. Exceeding the cap requires approval by a supermajority of voters (60% or more).

■ **Fund balance** is money left at the end of the fiscal year due to under-spending or taking in additional revenue. It can be applied as revenue to the following year's budget or used for future needs.

■ If vote fails, the school district has **two choices** - re-submit the same budget or a revised budget for voters on the third Tuesday in June (if) adopt a contingent budget.
