Elegy For The Galosherman New Selected Poems:

An Elegy for the Galosherman Matt Simpson,1990 In many of his poems Matt Simpson looks back at his upbringing in Bootle at family tensions in a close knit Merseyside community with strong seafaring traditions What emerges from these and other poems is a deep commitment to human values With humour and honesty Matt Simpson faces the effects of death and loss how they strengthen or weaken us or leave us compromised Matt Simpson s poetry is moving and distinctive This book draws on previous collections including Letters to Berlin A Skye Sequence and Making Arrangements **Contemporary**

British Poetry and the City Peter Barry,2000 Peter Barry explores a range of poets who visit and celebrate the mean streets of the contemporary urban scene Poets discussed include Ken Smith Iain Sinclair Roy Fisher Edwin Morgan Sean O Brien Ciaran Carson Peter Reading Matt Simpson Douglas Houston Deryn Rees Jones Denise Riley Ken Edwards Levi Tafari Aidan Hun and Robert Hampson writing on Hull Liverpool London Birmingham Belfast Glasgow and Dundee **Gladsongs**

and Gatherings Stephen Wade,2001-03-01 With the Liverpool Scene poetry registered nationally as a popular art form arguably for the first time Since then poetry appears to have contracted once more to its metropolitan literary heartland So what happened to the Mersey sound Gladsongs and Gatherings examines this question through the ideas and reflections of poets and poetry readers The book includes interviews with the famous 60s trio and places their experience alongside that of contemporary poets who continue to find the city a rich source of inspiration International Who's Who in Poetry 2005

Europa Publications,2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes **William Blake** John Lucas,2014-07-15 The collection of essays presented in this volume represents some of the best recent critical work on William Blake as poet prophet visual artist and social and political critic of his time The critical range that is represented includes examples of Marxist New Historicist Feminist and Psychoanalytical approaches to Blake Taken together the essays consider all areas and moments of Blake s career as poet from the early lyrics to his later epic poems and they have been chosen to reveal not only the range of Blake s concerns but also to alert the reader to the rich variety of contemporary criticism that is devoted to him Although the majority of essays are devoted to Blake as poet others consider his work as printmaker illustrator and visionary artist However severely individual essays choose to judge him ultimately all the contributions to this book affirm Blake as one of

the great geniuses of English art and letters William Blake provides a valuable introduction by one of Britain's foremost critics and will be welcomed by students wanting to familiarise themselves with the work of Blake *The Concise Oxford Companion to English Literature* Dinah Birch, Katy Hooper, 2012-06-14 This book provides a compact guide to all aspects of English literature For this edition existing entries have been updated and new entries have been added on contemporary writers such as Jim Crace and Pat Barker *Getting There* Matt Simpson, 2001-01-01 Matt Simpson's poetry has among its principal themes one of coming to terms with the past as a way of understanding the present In the present collection Simpson continues his journey into his family history He has also been on other travels there are poems about Japan Tasmania Ireland and the Greek islands of Aegina and Leros Simpson is not shy of big themes Here are poems about identity love death illness friendship Simpson can be tenderly elegiac as well as celebratory meditative and humorous **Poets of World War I - Part One** Harold Bloom, 2009 Provides insight into four each of Wilfred Owen's and Isaac Rosenberg's most influential works along with a short biography of each poet **Cutting the Clouds Towards** Matt Simpson, 1998-05-01 The poems in this fifth collection of his poetry were written before during and after Matt Simpson's two month period as poet in residence at the Queen Victoria Museum and Art Gallery in Launceston Tasmania Most of the poems are responses to encounters with the work and life of the mid nineteenth century writer and artist Louisa Anne Meredith who spent the first part of her life in Birmingham and who was already established as author and artist before at the age of twenty seven she married her cousin Charles and emigrated to Australia The Merediths were subsequently to spend most of the rest of their lives in Tasmania Simpson follows Mrs Meredith there creating an imaginative relationship with her and in his poetry in the words of John Lucas in his Foreword to this book exploring in different ways his sense of engagement with a person a place and more remarkably of hers and it with him For among the most astonishing features of this intensely creative engagement is the way Mrs Meredith herself emerges as a full and complex character witty resilient keenly observant even able to rebuke the poet for his arrogance of hindsight At the same time Matt Simpson engages with the familiar theme in his previous work now a personal quest of following his seafaring father to the other side of the world All those who know Simpson's poems will see this as a continuation and some sort of resolution of what much of his work has been concerned with to date He completes a sort of odyssey though his arrival in Tasmania a journey which began many years earlier with his father's tales of Tasmania John Lucas again It takes a rare poet to risk weaving into his own work moments from and allusions to *The Tempest* that most authoritative and mysterious of plays but his poems triumphantly surmount that danger That they should do so helps us to recognise how assured and compelling is Matt Simpson's achievement *Liverpool Accents* Peter Robinson, Elaine Feinstein, 1996-01-01 No Marketing Blurb *Accompanied Voices* John Greening, 2015 An anthology of poems about specific composers The poems address composers from the Renaissance through the present but they were all written since the advent of commercial recordings The poems are arranged chronologically by composer With an

introduction and indices *The Long Pale Corridor* Judi Benson, Agneta Falk, 1996 Death can happen in an instant but grief takes time and can be the greatest pain we shall ever have to bear for which there is no anaesthetic It is unknown territory which most people face with little or no preparation This anthology encompasses a wide range of personal experience from a great number of contemporary poets These poems deal with the complexity of death bringing to the surface the unmentionable the anger fear bewilderment despair guilt remorse relief the humour the love and the many questions we ask ourselves to make sense of it all Every bereavement is different because every relationship is different There is no limit to the time it takes While this may not be a comfortable book it is a comforting one which celebrates life and offers hope to those who have been bereaved It can help to know that others have suffered such loss and survived This is not a book to read from cover to cover in one sitting but rather to dip into and cherish when everyone else has seemingly forgotten **Paperbound**
