McCullough, 2021-06-24 Time is the bane of all kings Always does it march forward bringing change and challenges wars and disasters invaders and internal rebellion This supplement for Oathmark Battles of the Lost Age focuses on the passage of time and its effect on a player's kingdom While wars and battle still determine their ultimate fate many other events can affect the armies of a kingdom Plagues and blights can reduce access to soldiers from specific territories Attempted coups can cost a king some of his best generals On the other hand unexpected alliances might give a kingdom access to unusual troops or the birth of a new heir might bring wondrous presents Along with the rules for the passing of years this book also presents the option to train your units to fight in special formations such as phalanxes shield walls and skirmish lines These will allow players to use their existing armies to try out new strategies and tactics to swing their battle in their favour This book also includes several new military expeditions including numerous scenarios to once again challenge a player's generalship

Oathmark Joseph A. McCullough, 2020-04-30 Empires have fallen and the land is broken The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin In this lost age fealty and loyalty are as valuable as gold and as deadly as cold iron and war is ever present Created by Joseph A. McCullough designer of Frostgrave and Frostgrave Ghost Archipelago Oathmark is a mass battle fantasy wargame that puts you in command of the fantasy army you've always wanted whether a company of stalwart dwarves or a mixed force with proud elves noble men and wild goblins standing shoulder to shoulder in the battle line Fight through an integrated campaign system and develop your realms from battle to battle adding new territories recruiting new troop types and growing to eclipse your rivals or lose what you fought so hard to gain and fall as so many would be emperors before you
