Griffith Project Vol 2 Films Produced In January June 1909:

The Griffith Project, Volume 2 Paolo Cherchi Usai, 2019-07-25 Silent film director D W Griffith is the subject of this study. Only a small group of his more than 500 films are subject to analysis. The creative output of Griffiths from Professional Jealousy 1907 to The Struggle 1931 is explored.

The Griffith Project, Volume 12 Paolo Cherchi Usai, 2019-07-25 THE GRIFFITH PROJECT Paolo Cherchi Usai General Editor Volume 12 Essays on D W Griffith Edited by Paolo Cherchi Usai and Cynthia Rowell. With contributions by William M Drew Helmut F rber Andr Gaudreault Philippe Gauthier Lea Jacobs Joyce Jesionowski Charlie Keil Richard Koszarski Arthur Lennig Pat Loughney David Mayer Russell Merritt Jan Olsson Paul Spehr Yuri Tsivian Linda Williams. In early 1996 an international group of 35 specialists in silent cinema volunteered to write commentaries on more than six hundred films directed, written, produced and supervised by D W Griffith or featuring him as a performer for the eleven volume series The Griffith Project, the largest monograph ever assembled on an individual film director in conjunction with the massive retrospective held at the Pordenone Silent Film Festival from 1996 to 2008. All authors involved in The Griffith Project were bound to strict editorial rules, most notably the fact that all titles in the series would be assigned to them in pre-determined groups rather than as a result of their own individual preference for this or that specific entry. The patience and commitment demonstrated by all scholars in this endeavor requires at least a symbolic recognition. We therefore invited the members of the project team to write an essay on a D W Griffith related topic of their own choice. The papers included in this volume constitute the response to our carte blanche invitation. Our offer was also extended to other experts on D W Griffith who for various reasons were unable to participate in The Griffith Project but consistently supported it with their generous advice and insight. This volume brings The Griffith Project to completion as 2008 sees the last installment of the D W Griffith program at the Pordenone Silent Film Festival with the screening of his films produced between 1925 and 1931. Not surprisingly twelve years of research on D W Griffith have unearthed an impressive wealth of knowledge but also an equally amazing array of new questions, certainly enough of them to fill several more volumes. Some of them, including the increasingly complex issue of D W Griffith's role as production supervisor, are only introduced or barely mentioned here but we are confident that what we have called the Griffith Project will continue at the Giornate and elsewhere with more research and newly found or preserved prints. PAOLO CHERCHI USAI is Director of the National Film and Sound Archive of Australia. He is co-founder of the Pordenone Silent Film Festival and of the L. Jeffrey Selznick School of Film Preservation at George Eastman House, Rochester, New York. He directed the experimental feature film *Passio* 2007. His latest book is *David Wark Griffith* Editrice Il Castoro 2008.

The Griffith Project, Volume 6 Paolo Cherchi Usai, 2019-07-25 1912 is the first golden year in the career of D W Griffith. There is still a wealth of treasures waiting to be uncovered in this year. Their reappraisal is one of the aims of this sixth installment in the multi-year research project commissioned by the Pordenone Silent Film Festival in Sacile.

A Companion to D. W. Griffith Charles Keil, 2018-02-05

The most comprehensive volume on one of the most controversial directors in American film history *A Companion to D W Griffith* offers an exhaustive look at the first acknowledged auteur of the cinema and provides an authoritative account of the director's life work and lasting filmic legacy. The text explores how Griffith's style and status advanced along with cinema's own development during the years when narrative became the dominant mode when the short gave way to the feature and when film became the pre-eminent form of mass entertainment. Griffith was at the centre of each of these changes though a contested figure he remains vital to any understanding of how cinema moved from nickelodeon fixture to a national pastime playing a significant role in the cultural ethos of America. With the renewed interest in Griffith's contributions to the film industry *A Companion to D W Griffith* offers a scholarly look at a career that spanned more than 25 years. The editor a leading scholar on D W Griffith and the expert contributors collectively offer a unique account of one of the monumental figures in film studies. Presents the most authoritative complete account of the director's life work and lasting legacy. Builds on the recent resurgence in the director's scholarly and popular reputation. Edited by a leading authority on D W Griffith who has published extensively on this controversial director. Jane on Strike and The Consequences of Feminism comediennes exhibit the tensions between joyful laughter and gendered violence Slapstick comedy often celebrates the exaggeration of make believe injury Unlike male clowns however these comic actresses use slapstick antics as forms of feminist protest They spontaneously combust while doing housework disappear and reappear when sexually assaulted or transform into men by eating magic seeds and their absurd metamorphoses evoke the real life predicaments of female identity in a changing modern world Specters of Slapstick and Silent Film Comediennes reveals the gender politics of comedy and the comedic potentials of feminism through close consideration of hundreds of silent films As Maggie Hennefeld argues comedienne catastrophes provide disturbing but suggestive images for comprehending gendered social upheavals in the early twentieth century At the same time slapstick comediennes were crucial to the emergence of film language Women s flexible physicality offered filmmakers blank slates for experimenting with the visual and social potentials of cinema Specters of Slapstick and Silent Film Comediennes poses major challenges to the foundations of our ideas about slapstick comedy and film history showing how this combustible genre blows open age old debates about laughter society and gender politics
