Gideon was a truly deprived child. In early youth he was turned out of the room he shared with his unmarried mother so she could earn a living. Some have greatness thrust upon them but Gideon has merit and lots of it thrust upon him by kind people to whom his limp seems pathetic. Fleming, 2013-07-14 There was no nonsense about old Mr Cumlock. When he decided to die he died maliciously leaving his fortune to an unknown son as an act of revenge. I can't live without a woman and I can't live with one, his heir Valentine Belmont, an artist, used to complain. This difficulty that had dogged him throughout his life was to bring everything tumbling about him in a blaze of disorder. The events in his life had a fearful symmetry enacted, it seems solely by the light of falling stars. A first rate study of malice, death and ancient feuds stewing in a small town. Birmingham Evening Mail *You Won't*

When Mr Walpurgis finally reappears the circumstances only make the matter more sinister and macabre and Thomas soon finds himself involved in a dangerous situation that carries him far beyond the call of duty. Hell's Belle Joan Fleming, 2013-07-14 She was sitting in a caf in Paris showing nearly all her legs in grave trouble. She was drinking her sixth green Chartreuse and wishing she knew someone who would kill her stepmother for her. She was just eighteen, a child emotionally but old in experience and duplicity. The man with the umbrella who sat down at her table seemed exactly the one for whom she was searching. They were both lonely and found in each other the playmate for which they had longed. He was a man caught in a monster trap, it was murder she wanted and murder she got. [The Man Who Looked Back](#)

Joan Fleming, 2012-09-06 Roy Unithorne despised his wife. Roy knew he was destined for a better life. It was Amy, Ugly Amy who kept him back. She must be disposed of finally and for ever. He set about making plans for the disposal slowly and systematically, making allowances as he thought for X, the Unknown Factor. And there was Mrs Shiplake. She was also beginning to interfere with his plans. She too must be got rid of. After all, two murders were as easy as one. *The Gallows in*

In the Red Joan Fleming,2013-07-14 After twenty years as a bank clerk Leslie Williams can stand the daily round no longer He plans a crime nothing very heinous nothing more than a little dishonesty and a lot of unkindness Yet once he has made the first fatal move he finds himself gathered into a fantastic web of adventure mischance and danger The story takes place in London the seedy hotel in Cromwell Road and the open air market where he finds work as a salesman And Leslie Williams is a man who has broken loose who doesn t know quite what dangers are hunting him from the past or what sense can be made of the present or future Imaginative lively and picaresque Maurice Richardson
