Gropius An Illustrated Biography Of The Creator Of The Bauhaus:

Gropius Reginald R. Isaacs, 1991 The public and private Walter Gropius is presented here by a long time friend and colleague **Walter Gropius, an Illustrated Biography** Magnus Englund, Leyla Daybelge, 2022-09-27 A stunning visual biography of the life of Walter Gropius founder of the Bauhaus and one of the world's most influential architects This illustrated biography tells the story of Gropius's life beginning with his shattering experiences in World War One his turbulent marriage to the notorious Alma Mahler the establishment of the Bauhaus and the tragic death of their daughter Manon After Gropius's agonized decision to leave Nazi Germany in 1933 the book explores his life in exile in London and then his move to America in 1937 where he lived and worked until his death in 1969 Features more than 375 illustrations including letters telegrams sketches drawings photographs posters brochures and other ephemera The authors present the life of Walter Gropius as not just a key figure of 20th century architecture but as an extraordinarily generous person a connector protector and benefactor who improved the lives and careers of all those with whom he came into contact This is the first comprehensive illustrated biography of one of Modern architecture's most important figures **Walter Gropius, 1883-1969** Gilbert Lupfer, Paul Sigel, 2004 Born and educated in Germany Walter Gropius 1883 1969 belongs to the select group of architects that massively influenced the international development of modern architecture As the founding director of the Bauhaus Gropius made inestimable contributions to his field to the point that knowing his work is crucial to understanding Modernism His early buildings such as Fagus Boot Last Factory and the Bauhaus Building in Dessau with their use of glass and industrial features are still indispensable points of reference After his emigration to the United States he influenced the education of architects there and became along with Mies van der Rohe a leading proponent of the International Style Walter Gropius in Britain Alborz Dianat, 2025-03-31 As the first monograph dedicated to Walter Gropius's activity in Britain this book provides a comprehensive account of the Bauhaus founder's contributions to architecture and design while living in London between 1934 and 1937 Drawing on earlier and later decades this reveals the close contact between British German and American design circles with Gropius bridging parallel developments In its approach this book concentrates on the individuals working to aid Gropius in Britain and spurring the architect's enduring dominance in English language histories This includes his architectural partner Maxwell Fry his translator P Morton Shand his employer Jack Pritchard and many other prominent figures such as Frank Pick Herbert Read Elizabeth Denby and Henry Morris The vital role of Gropius's wife Ise is also highlighted particularly as her English language capabilities far exceeded his By uncovering this wider network the collaborative nature of his success is demonstrated Such an approach reveals Gropius's contributions beyond buildings to various debates in the period These spanned subjects including standardisation prefabrication democratisation the planning of high rises the influence of commercialism and the reform of architectural education and practice Beyond design discourse the broader impact of nationalism is considered with the support Gropius

received contrasted against the attacks Jewish migrants endured This book will appeal to those interested in the Bauhaus interwar Britain architectural media and emigration studies By applying revisionist approaches and highlighting the importance of discourse beyond built forms this book advances our knowledge of the period The transnational focus holds significance for architectural developments in Germany Britain and America following Gropius's trajectory While concentrated primarily on the interwar period the postwar impact of exchanges is revealed leading up until Gropius's death in 1969

Walter Gropius Carsten Krohn, 2019-06-17 As founder of the Bauhaus school Walter Gropius 1883-1969 is one of the icons of 20th-century architecture While his early buildings in Pomerania were still strongly marked by his teacher Peter Behrens after an expressionistic phase focused on handicraft he ultimately arrived at geometric abstraction During the entire period he collaborated with other architects founding the collective known as The Architects Collaborative in the US The comprehensive monograph documents all 74 of the known buildings by Gropius that were realized including many early works which he never publicized but it also critically examines his unbuilt projects The book is illustrated with new photographs by the author historical figures and with as new plans drawn by the author

Isokon and the Bauhaus in Britain Leyla Daybelge, Magnus Englund, 2024-08-15 In the mid 1930s three giants of the international Modern movement Bauhaus professors Walter Gropius Marcel Breuer and László Moholy-Nagy fled Nazi Germany and sought refuge in Hampstead in the most exciting new apartment block in Britain The Lawn Road Flats or Isokon building was commissioned by the young visionary couple Jack and Molly Pritchard and designed by aspiring architect Wells Coates Built in 1934 in response to the question How do we want to live now it was England's first modernist apartment building and was hugely influential in pioneering the concept of minimal living During the mid 1930s and 1940s its flats bar and dining club became an extraordinary creative nexus for international artists writers and thinkers Jack Pritchard employed Gropius Breuer and Moholy-Nagy in his newly formed Isokon design company and the furniture architecture and graphic art the three produced in pre-war England helped shape Modern Britain This book tells the story of the Isokon from its beginnings to the present day and fully examines the work artistic networks and legacy of the Bauhaus artists during their time in Britain The tales are not just of design and architecture but war sex death espionage and infamous dinner parties Isokon resident Agatha Christie features in the book as does Charlotte Perriand who Jack Pritchard commissioned for a pavilion design in 1930 The book is beautifully illustrated with largely unseen archive photography and includes the work of photographer and Soviet spy Edith Tudor Hart as well as plans and sketches menus postcards and letters from the Pritchard family archive In Spring 2018 the Isokon building and Breuer Gropius and Moholy-Nagy were honoured with a Blue Plaque from English Heritage

Bauhaus Bodies Elizabeth Otto, Patrick Rössler, 2019-01-24 A century after the Bauhaus's founding in 1919 this book reassesses it as more than a highly influential art architecture and design school In myriad ways emerging ideas about the body in relation to health movement gender and sexuality were at the heart of art and life at the school Bauhaus Bodies reassesses the work of

both well known Bauhaus members and those who have unjustifiably escaped scholarly scrutiny its women in particular In fourteen original cutting edge essays by established experts and emerging scholars this book reveals how Bauhaus artists challenged traditional ideas about bodies and gender Written to appeal to students scholars and the broad public Bauhaus Bodies will be essential reading for anyone interested in modern art architecture design history and gender studies it will define conversations and debates during the 2019 centenary of the Bauhaus s founding and beyond *The Bauhaus Group* Nicholas Fox Weber,2009-10-27 Nicholas Fox Weber for thirty three years head of the Albers Foundation spent many years with Anni and Josef Albers the only husband and wife artistic pair at the Bauhaus she was a textile artist he a professor and an artist in glass metal wood and photography The Alberses told him their own stories and described life at the Bauhaus with their fellow artists and teachers Walter Gropius Paul Klee Wassily Kandinsky Ludwig Mies van der Rohe as well these figures lesser known wives and girlfriends In this extraordinary group biography Weber brilliantly brings to life the Bauhaus geniuses and the community of the pioneering art school in Germany s Weimar and Dessau in the 1920s and early 1930s Here are Walter Gropius founder of the Bauhaus the architect who streamlined design early in his career and who saw the school as a place for designers to collaborate in an ideal setting a dashing hussar the ardent young lover of the renowned femme fatale Alma Mahler beginning when she was the wife of composer Gustav Mahler Paul Klee the onlooker smoking his pipe observing Bauhaus dances as well as his colleagues lectures from the back of the room the cook who invented recipes and threw together his limited ingredients with the same spontaneity sense of proportion and fascination that underscored his paintings Wassily Kandinsky the Russian born pioneer of abstract painting guarding a secret tragedy one could never have guessed from his lively paintings in which he used bold colors not just for their visual vibrancy but for their sound effects Josef Albers who entered the Bauhaus as a student in 1920 and was one of the seven remaining faculty members when the school was closed by the Gestapo in 1933 Annelise Else Frieda Fleischmann a Berlin heiress an intrepid young woman who later as Anni Albers made art the focal point of her existence Ludwig Mies van der Rohe imperious decisive often harsh an architect who became director the last of the Bauhaus and the person who guided the school s final days after SS storm troopers raided the premises Weber captures the life spirit and flair with which these geniuses lived as well as their consuming goal of making art and architecture A portrait infused with their fulsome embrace of life their gift for laughter and the powerful force of their individual artistic personalities **Encyclopedia of Interior Design** Joanna Banham,1997-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company *The Visual Arts in Germany, 1890-1937* Shearer West,2000 This work provides an introduction to the visual arts in Germany from the early years of German unification to World War II The study is an analysis of painting sculpture graphic art design film and photography in relation to a wider set of cultural and social issues that were specific to German modernism It concentrates on the ways in which the production and reception of art interacted with and was affected by responses to unification conflict

between left and right political factions gender concerns contemporary philosophical and religious ideas the growth of cities and the increasing important of mass culture *Gropius and the Spirit of TAC* Arnold Koerte,2025-02-21 This study describes how Walter Gropius of former Bauhaus fame transformed himself from the image of the omnipotent Master Builder to the humble Grope of later years Having come as an emigree from his native Germany to the US he had to cope with quite a different office culture based on teamwork Not the single genius but a collective approach to problem solving was the order of the day coupled with a conciliatory manner of debate among equals With that his legendary firm The Architects Collaborative called TAC for short in Boston was to become the star of the profession in the USA over the course of some 50 years Thanks to the combined talent and vigorous input of seven younger partners the firm succeeded in gaining large commissions at home and internationally The well designed school and campus buildings in New England found their equivalent in large university projects such as in Baghdad and Tunisia Internally the special aura at TAC was personified by a strong collective spirit of individuals in their own right In turn the office attracted a highly motivated staff of apprentices from all around the world Grope s personal charm his humor and encouragement of young people got him life long affection Not the least his pledge for the role of women in the profession left its mark on a whole new generation of architects offices to follow The author was a member of this team from 1962 to 1964 and kept in touch with Grope until his death in 1969 An eye witness account setting straight TAC s merits to Mid Century Modernism **The Bitter Taste of Victory** Lara

Feigel,2016-05-17 When Germany surrendered in May 1945 it was a nation reduced to rubble Immediately America Britain Soviet Russia and France set about rebuilding in their zones of occupation Most urgent were physical needs food water and sanitation but from the start the Allies were also anxious to indoctrinate the German people in the ideas of peace and civilization Denazification and reeducation would be key to future peace and the arts were crucial guides to alternative less militaristic ways of life In an extraordinary extension of diplomacy over the next four years many writers artists actors and filmmakers were dispatched by Britain and America to help rebuild the country their governments had spent years bombing Ernest Hemingway Martha Gellhorn Marlene Dietrich George Orwell Lee Miller W H Auden Stephen Spender Billy Wilder and others undertook the challenge of reconfiguring German society In the end many of them became disillusioned by the contrast between the destruction they were witnessing and the cool politics of reconstruction While they may have had less effect on Germany than Germany had on them the experiences of these celebrated figures never before told offer an entirely fresh view of post war Europe The Bitter Taste of Victory is a brilliant and important addition to the literature of World War II

The Architecture of Jens Fredrick Larson Rod Miller,2024-08-19 After serving with the Canadian Artillery and becoming an ace with the Royal Flying Corps American Jens Fredrick Larson settled into architecture At age 28 he began work at Dartmouth As his reputation grew he would go on to work with myriad clients and more than thirty five colleges and universities in America and elsewhere including Colby College Bucknell College Wake Forest University the City University

of Paris the University of New Brunswick and the Institute for Advanced Study Princeton This text explores the history of Larson and his career with a look at his major projects and the challenges faced late in his career when a nascent Modernism denigrated and misunderstood the meaning and value of the Georgian style

Transnationalism and the German City J. Diefendorf, J. Ward, 2014-04-24 Too often scholars treat transnationalism as a conflict in which the local regional and national give way to globalized identity As these varied studies of German cities show though the urban environment is actually a site of trans localism that is not merely oppositional but that adapts itself dialectically to the forces of globalization
