The Complete Book of Spirits Anthony Dias Blue, 2010-05-18 An indispensable follow-up to his classic *Complete Book of Mixed Drinks*, Anthony Dias Blue presents *The Complete Book of Spirits*, a comprehensive collection of history, lore, and tasting tips, along with recipes for select cocktails. Here, in one concise and easy-to-use volume, is all the information a consumer needs to shop, mix, and sip like a spirits expert. From bathtub gin to mojito madness, Blue brings the dynamic history of the spirits industry alive, demonstrating that spirit making is not only one of mankind's oldest pursuits but also perhaps its most colorful. In ten captivating chapters, readers are treated to everything they ever wanted to know about their favorite liquors, including vodka, aquavit, tequila, and whiskey. Blue also provides step-by-step instructions on how to host spirit tastings to educate your palate and to help you and your friends discover your favorite brands and blends. For every chapter and every spirit, there is also a handy tasting notes section with Blue's expert comments and his favorites, along with price points. If you've ever wondered about the difference between potato and wheat vodkas or between mescal and tequila or American and Irish whiskeys or what makes single malt Scotch so desirable, look no further. With Anthony Dias Blue, America's leading wine and spirits expert, and *The Complete Book of Spirits* as your guides, you will take your enjoyment to a new level.

The Truth about Alcohol Barry Youngerman, Mark J. Kittleson, 2005 An exploration of the issues surrounding teen alcohol use that gives teens the factual knowledge they need and challenges them to reconsider how they think about alcohol.

WineSpeak Bernard Klem, 2009-07-01 If you read wine reviews, you're already either amused or confused by the soaring language wine writers often use to describe what they're smelling and tasting. But do you always know what they mean? Have you ever sipped a complex white and sensed what's so colorfully described as a peacock's tail? Have you ever savored a full-bodied red only to detect the ripe, acrid smell of a horse stall? If not, you're in for a treat, because these terms and thousands more are all here to amuse, dismay, enlighten, inspire, puzzle, and utterly shock you. Welcome to the rich linguistic universe of wine speak, a world where words and wine intersect in an uncontrolled riot of language guaranteed to keep you entertained for hours. The author, a lifelong lover of both wine and words, has compiled and organized this unique thesaurus of 36,975 wine-tasting descriptors into 20 special collections extracted from 27 categories so you can locate exactly the right term or phrase to express yourself clearly or to understand
