Certification Standards for Substance Abuse Counselors and Prevention Professionals, 2005 **Group Counseling and Psychotherapy With Children and Adolescents** Zipora Shechtman, 2017-09-25 Many children and adolescents face developmental or situational difficulties in areas where they live most of their meaningful experiences at home at school and in the community While adults who struggle with life events and stressors may look to professional help young individuals are quite alone in coping with these situations Perhaps unsurprisingly most children and adolescents typically do not seek such help and often resist it when offered Author Zipora Shechtman has written this detailed text advocating group counseling and psychotherapy as a viable means of addressing these issues if we are to ensure the psychological wellness of children in society Group Counseling and Psychotherapy With Children and Adolescents is arranged in four parts Its chapters explore topics including who needs group counseling and psychotherapy therapeutic factors in children s groups activities in the group pre group planning and forming a group and how to enhance emotional experiencing and group support This text is a principal source of information for counseling psychology students researchers and practitioners working with young people in addition to social workers teachers and parents *Group Work* Bradley T. Erford, 2018-04-17 The overriding theme of Group Work Processes and Applications is a focus on the specialized group work that counselors perform from a systemic perspective in a multicultural context This text briefly covers traditional theoretical approaches focusing more on the techniques and applications of the approaches but the core of the text involves the systemic approach to group work preparing group leaders to facilitate the systemic group process from planning the group through the four stages of group work forming and orienting transition working and termination The content is aligned with 2016 CACREP standards Numerous other techniques covered are linked with specific theoretical orientations PowerPoints and Instructor s manual are on the way and should be available in the next 2 3 months *Modern Applications to Group Work* Kevin A. Fall, Justin E. Levitov, 2001 The effectiveness of group counselling as a treatment modality has been well established And while additional theoretical work will always be needed perhaps the greater challenge for contemporary group practitioners lies in crafting theoretically sound applications of group theory so that group methods can be used more effectively to benefit clients struggling with various psychological and developmental problems This book responds to this need by offering fourteen chapters of creative useful examples of how group methods can be successfully applied to a wide range of problems and populations Each chapter written by innovators from the fields of counselling social work psychology and psychiatry focuses on specific mental health problems or issues that will interest a wide population A careful analysis of each psychological or development problem greets the reader followed by a discussion of the theoretical basis for the interventions Each chapter utilises practical recommendations outlines of procedures and liberal use of case examples to illuminate important process points Each broad category Adults Children and Adolescents and Training and Theory includes interesting chapter topics such as Group counselling with late deafened adults Marital restoration groups Therapist s uses of self in group

psychotherapy and Group play therapy with abused children The elegant combination of theory and practice offers the reader a range of easily implemented methods and techniques applied to each specified problem Modern Applications to Group Work is a valuable companion text for any group oriented course Undergraduate and graduate courses in group can use the text to illustrate the application of general group principles to specific psychological concerns Modern Applications to Group Work may be used as the primary text for advanced courses in group counselling psychology and social work programs Practitioners will be attracted to the book due to the comprehensive scope and the strong theoretical basis of each chapter that is followed by pragmatic treatment strategies

Group Work in Schools Bradley T. Erford, 2023-11-23 The third edition of *Group Work in Schools* is designed to prepare counselors in school settings to successfully implement task psycho educational and counseling groups in public and private educational settings The chapters of this book are written by experts in the counseling profession and cover foundational systemic and applied topics essential to training top caliber school counselors Providing state of practice information and case examples that help readers see how theory translates to practice in the field additions to this newly updated third edition include discussion topics activities case examples practitioner perspectives and integrated CACREP 2024 standards and learning outcomes as well as an overall update to reflect the most recent research and knowledge including pandemic coverage and advances in technology Updated comprehensively and thoughtfully and featuring a wide range of contributor perspectives the much anticipated third edition of this book is essential reading for school counselors in training

Culturally Alert Counseling Garrett McAuliffe, 2008 A comprehensive readable introduction to the cultural dimensions of counseling and psychotherapy is now available National leaders in each topic have been selected to provide an accessible yet thorough presentation of culturally alert counseling An introduction to the nature of counseling and culture begins the book followed by chapters on Social Inequality Race and Ethnicity The succeeding chapters reveal the characteristics histories mental health issues and appropriate counseling strategies for each of eleven cultural groupings The book ends with a thorough presentation of actual culturally alert counseling practice Seven dimensions combine to make the book unique namely thoroughness inclusiveness theoretical foundations practicality readability activity and modeling In the first case this book broadens the discussion of culture from ethnicity and race to include social class religion gender and sexual orientation Of particular note in the area of ethnicity all five of the major U S pan ethnic groupings are presented as well as Middle Eastern and South Asian people The book is also inclusive of all people including both those in dominant and non dominant cultural groups The assumption is that everyone has culture Culturally alert counseling is also theoretically grounded in the first few chapters of the book which lay out a guiding developmental vision of culturally alert counseling Further conceptual foundations are laid in discussions of social inequality social justice social diversity and critical consciousness The practical dimension of the book is underscored by the inclusion of a chapter devoted to actual culturally alert counseling skills an area that is needed by practitioners in this

important work Readability and interest are enhanced by the interweaving of case vignettes and experiential activities throughout the book Finally culturally alert counseling skills are modeled in an accessible vital demonstration video that accompanies the book Ultimately readers will leave informed moved and changed by the encounters with culture that lie in these pages They will also be ready to begin practice equipped with both a vision of the work and practical skills in implementing it
