Ronald H. Aday, Kathryn L. Aday, 1997-01-14 Through the process of group dynamics many of today s elderly have found solutions to problems by participating in groups The field of group work with the elderly much like the aging population itself has grown dramatically in recent years It is used extensively as a service modality in a wide variety of community and institutional settings serving older persons and their families This book provides a needed resource to the interdisciplinary literature on group work for use by professional researchers practitioners educators family members and older persons themselves seeking to take control of this life stage The purpose of this annotated bibliography is to provide social workers counselors group facilitators activity directors researchers and other mental health professionals with a compilation of state of the art references found in the group work literature The literature spans over a period of 25 years from 1970 1996 and

identifies 451 resources **Encyclopedia of Social Work with Groups** Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The Encyclopedia of Social Work with Groups will be of interest to students practitioners social work faculty novice and experienced group workers **Handbook of Remotivation Therapy** Michael Stotts, L. Jean Dyer, 2014-02-25 Finally a resource that describes the how when and with whom of remotivation therapy In recent years remotivation therapy has become an integral part of a patient care plan in a wide variety of settings What started out as group therapy sessions in a psychiatric setting has expanded into a therapeutic modality effective in geriatric long term and day care settings social clubs group homes for people who were formerly institutionalized substance abuse centers prisons and most recently in facilities that provide programs for patients with Alzheimer s or Huntington s disease This book examines remotivation therapy in diverse settings that include volunteer and independent living programs an area health education center and a state mental hospital You ll also find the results of studies conducted in more than a dozen settings with widely varied client populations The Handbook of Remotivation Therapy will familiarize you with the role of the therapist in both basic and advanced remotivation therapy step by step instructions on what and what not to do questions and concepts to use in remotivation sessions dealing with choices realistic scenarios reminiscing and stimulation funding options for remotivation therapy programs the positive public relations impact for institutions that utilize remotivation therapy programs designing and assembling a collaborative team to provide remotivation therapy the fifty year history of remotivation therapy from its birth as the brainchild of Dorothy Hoskins Smith to its initial clinical use at Philadelphia State Hospital to the pioneering work of Walter F Pullinger Jr and the roles of the Smith Kline and French Foundation and the National Remotivation Therapy Organization NRTO In the Handbook of Remotivation Therapy you ll find chapters that thoughtfully explore the specifics of this type of group work in rehabilitative settings correctional institutions nursing care facilities mental health hospitals and in long term care settings in substance abuse prevention treatment and relapse prevention in conjunction with recreation therapy with deinstitutionalized clients with persons who have Huntington s disease with persons who have Alzheimer s

disease Remotivation therapy deals with the strengths rather than weaknesses of the client and can be performed by any trained health professional social worker relative or technician It saves time and money for mental health professionals with heavy caseloads by preparing noncommunicative clients for more advanced types of therapy The Handbook of Remotivation Therapy can help you add this results based and extraordinarily cost effective group treatment modality to your therapeutic arsenal

Sexuality and the Elderly Bonnie L. Walker,1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers
