the impossible **Becoming a Blessed Church** N. Graham Standish, 2016-05-08 Pastor and author N Graham Standish describes how a church that is open to God's purpose, presence and power can claim God's blessing. Standish shares the story of Calvin Presbyterian Church in Zelienople, Pennsylvania, and its journey to become a spiritually deep congregation, one that is inwardly and outwardly healthy, spiritually, psychologically, physically, and relationally. *Becoming a Blessed Church* will help you discern God's purpose and the path God is calling your congregation to walk. This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation. This second edition includes three new practical chapters that answer the questions the author is most frequently asked: how to effectively run a group, discernment practice, how to create an effective small group program, and how to set a church vision in a new direction that actually works.

Out Of The Shadows And Into The Light W.J. Thomas III, 2020-05-12 This book uses the study of types and shadows to decipher the events of the larger Exodus story: slavery through the Promised Land. The material will lead the reader out of the shadows of the Old Testament into the light of the New Testament fulfillments. The purpose of this material is to challenge the reader's understanding of the way these events have traditionally been interpreted. Alternate interpretations will be presented with accompanying reasons and scriptures. The chapters are intended to take snapshots of the six major events comprising the Exodus. They will be organized according to the following headings: The Journey out of Bondage will encompass chapters 1-3: slavery in Egypt, the establishment of the Passover, and crossing the Red Sea. The Journey in the Wilderness contains only one chapter, 4. The Journey into Promise will complete our investigation of the Exodus story by viewing the last two events: crossing the Jordan River and entering the Promised land, chapters 5 and 6 respectively. Some chapters need an additional explanation on a particular point; an excursus is provided to promote clarity. At the end of each chapter is a Discipleship Challenge with which the reader is asked to personally apply the principles presented. A study guide is also provided for those who wish to use this material in a small cell life group atmosphere.

A Personal Grief & a Reasonable Faith Norma E. Sawyers, 1991 Content: Have you ever had questions about God and ultimate reality? Have you ever wondered about origins, values, and destiny? If you have, you're not alone. Millions of people in our generation face genuine difficulties regarding questions of life and faith: Why is there suffering? Is God really there? How do I cope with death? Although the majority of men and women in our day struggle with tough questions such as these, most Christians downplay the importance of philosophical questioning. Thus, seekers of truth are often reluctant to ask the awesome questions lurking just beneath the surface. Understanding firsthand the current deemphasis on religious questioning, Norma Sawyers has written this book both to call

attention to the seriousness of the situation and to provide a context for asking and answering some of the questions First in A Personal Grief Norma Sawyers tel ls about her own intensely personal and painful journey to an intelligent knowledge of God Then in A Reasonable Faith she not only calls attention to the fact that an objective approach to the spreading of the gospel is desperately needed today but also provides in sights and answers to such questions as What is Faith Is it Wrong to Doubt to Question Is it Enough to Just Believe Is Christianity Just a Psychological Crutch Are All Religions True Does the Bible Conflict with Science Was Jesus Really God Why Does God Allow Evil and Suffering Is the Bible Truly God s Word Does God Really Send People to Hell Why Are There So Many Hypocrites in the Church Is There Need for a Christian Reformation Each chapter of A Reasonable Faith is based on one of these tough questions and each answer is given with empathy and love for the real people with urgent questions

Cultivating Spiritual Growth Conrad Mbewe,2024-09-19 His divine power has given to us

all things that pertain to life and godliness 2 Peter 1 3 Too many believers treat salvation like fire insurance in this case hellfire insurance They are happy to have it for entrance to heaven but they fail to appreciate their own responsibility to grow spiritually in the meantime Moved by such common negligence Conrad Mbewe faithfully encourages us to pursue a fruitful and godly life by considering how God equips Christians to grow the ways God ordains for them to cultivate growth and the implications of either neglecting or diligently attending to these things In short here is a pastoral charge for Christians to keep on growing
