Growing In His Image The Imitation Of Christ:

Growing in His Image Bernard Bangley, Thomas (à Kempis), 1983 *Growing in His Image* Bernard Bangley, Thomas (à Kempis), 1983 In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world *Christian Classics in Modern English* Bernard Bangley, 2000-03-07 With today s accelerated pace of life preoccupation with careers and family demands there is little time for celebrating our humanity and even less time for seeking God So how does a twentieth century believer set about living as a Christian in such a society The writings of devout pilgrims such as Brother Lawrence Thomas Kempis and St Augustine refocus our attention on the basics of the Christian journey Retold in the language and setting of our world today these classics offer timely messages of startling relevance to Christians and those interested in Christianity *Healed by Love* Daniel Chowning, 2025-04-15 In *Healed by Love* Carmelite Friar Daniel Chowning urges those in need of healing to seek refuge in the spiritual doctrine of St John of the Cross Not I, But Christ Stephen F. The Complete Works of C. H. Spurgeon, Volume 43 Spurgeon, Charles H., Volume 43 Sermons 2498 2549 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences

spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *The imitation of our Lord Jesus Christ, lectures* Thomas Thellusson Carter,1885 **Into His Likeness** Edward Sri,2018-07-01 In the ancient disciple rabbi relationship the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi s feet Thousands of years later though we walk on roads of pavement and not dust we are still called to be disciples to follow our Rabbi Jesus Christ so closely that we are covered with his life changed and made new Into His Likeness provides an approachable but in depth exploration of how to live as a disciple and experience the transformation Jesus wants to work in our lives We might desire to live more like Christ but we know we fall short This book simply helps us follow those initial promptings of the Holy Spirit so that we may more intentionally encounter Jesus anew each day and be more disposed to his grace changing us ever more into his likeness

The Imitation of Mary Quan Tran,2020-11-19 In The Imitation of Mary Fr Quan Tran shows you how to imitate the twelve essential qualities of Mary in order to unleash a torrent of graces in your life *Reformed Systematic Theology, Volume 2* Joel Beeke,Paul M. Smalley,2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology

proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible s teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith **The Preeminent Christ** Paul Washer,2023-03-13 Paul Washer draws from the church s greatest theologians to herald Christ s centrality and stimulate readers to zealously seek Christ over all things **The Imitation of Christ** Thomas A. Kempis,2007-03-01 Written in Latin in the early 15th century The Imitation of Christ is perhaps second only to the Bible in importance in Christian thought Thomas Hemerken aka THOMAS KEMPIS 1380 1471 was a Christian monk and mystic from Kempen Germany and he intended this patchwork of medieval mysticism for the most sincere and dedicated of believers monks nuns but lay Christians find wisdom in his encouragement and teaching of a direct path to a relationship with God Readers of Christian theology and students of medieval literature alike will be fascinated by this work one of the most powerful influences on modern spirituality and philosophy **The Christian's Pattern: Or, a Treatise of the Imitation of Jesus Christ ...
