Growing Up Michael Horovitz, 1980-04-01 Exploring the Language of Poems, Plays and Prose Mick Short, 2018-10-08 Exploring the Language of Poems Plays and Prose examines how readers interact with literary works how they understand and are moved by them Mick Short considers how meanings and effects are generated in the three major literary genres carrying out stylistic analysis of poetry drama and prose fiction in turn He analyses a wide range of extracts from English literature adopting an accessible approach to the analysis of literary texts which can be applied easily to other texts in English and in other languages The Great American Poetry Bake-off, Second Series Robert Peters, 1982 No descriptive material is available for this title *The Cambridge Guide to Literature in English* Dominic Head, 2006-01-26 This illustrated and fully updated Third Edition of The Cambridge Guide to Literature in English is the most authoritative and international survey of world literature in English available The Guide covers everything from Old English to contemporary writing from all over the English speaking world There are entries on writers from Britain and Ireland the USA Canada India Africa South Africa New Zealand the South Pacific and Australia as well as on many important poems novels literary journals and plays This new edition has been brought completely up to date with more than 280 new author entries most of them for living authors The general reader will find it fascinating to browse and to discover many new writers and works while students will find it an invaluable resource for daily use This is a unique work of reference for the twenty first century that no reader or library should be without *Comparative Criticism: Volume 3* E. S. Shaffer, 1981-10-29 This 1981 volume addresses literary theory and criticism comparative studies in terms of theme genre movement and influence and interdisciplinary perspectives Modern American Counter Writing A. Robert Lee, 2010-01-21 The dissident voice in US culture might almost be said to have been born with the territory Its span runs from Roger Williams to Thoreau Anne Bradstreet to Gertrude Stein Ambrose Bierce to the New Journalism The Beats to the recent Bad Subjects cyber crowd This new study analyses three recent literary tranches in the tradition a re envisioning of the whole Beat web or circuit a consortium of postwar outrider voices Hunter Thompson to Frank Chin Joan Didion to Kathy Acker and a latest purview of what all too casually has been designated ethnic writing The aim is to set up and explore these different counter seams of modern American writing those which sit outside or at least awkwardly within agreed literary canons *The Cambridge Paperback Guide to Literature in English* Ian Ousby, 1996-02-23 Derived from the parent Guide to Literature in English this volume offers in concise form over 4 000 entries on literature in English from cultures throughout the world Writers and major works from the UK and the USA are represented as are those from Canada the Caribbean Australia India and Africa The coverage is broad from the classics of English literature to the best of modern writing Additionally the Guide has a wealth of entries on literary movements groups or schools in literature and criticism literary magazines genres and sub genres critical concepts and rhetorical terms **The Routledge Handbook of International Beat Literature** A. Robert Lee, 2018-05-16 Beat literature Have not the great

canonical names long grown familiar Ginsberg Kerouac Burroughs Likewise the frontline texts still controversial in some quarters assume their place in modern American literary history On the Road serves as Homeric journey epic Howl amounts to Beat anthem confessional outcry against materialism and war Naked Lunch with its dark satiric laughter envisions a dystopian world of power and word virus But if these are all essentially America centered Beat has also had quite other literary exhalations and which invite far more than mere reception study These are voices from across the Americas of Canada and Mexico the Anglophone world of England Scotland or Australia the Europe of France or Italy and from the Mediterranean of Greece and the Maghreb and from Scandinavia and Russia together with the Asia of Japan and China This anthology of essays maps relevant other kinds of Beat voice names texts The scope is hemispheric Atlantic and Pacific West and East It gives recognition to the Beat inscribed in languages other than English and reflective of different cultural histories Likewise the majority of contributors come from origins or affiliations beyond the US whether in a different English or languages spanning Spanish Danish Turkish Greek or Chinese The aim is to recognize an enlarged Beat literary map its creative internationalism

Text and Drugs and Rock 'n' Roll Simon Warner, 2013-03-14 Text and Drugs and Rock n Roll explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years
