

“Discipleship is not a program of the church, but the mission of the church. The process of discipleship could be defined as *leading people to increasingly submit all of life to the lordship and empowering presence of Jesus Christ.*” — Jeff Vanderstelt, pastor of Doxa Church and Founder of Saturate

At its core, discipleship is a multifaceted, communal, and holistic process as the gospel transforms our head, heart, and hands. Part of discipleship is growing in our understanding of the gospel with others. God calls us to **Discover** who he is, what he has done, who we are, and how we live as we read the Bible. Secondly, we're called into relationships that **Nurture** the ongoing journey of repentance and faith. Lastly, Christ calls us to **Act** as we grow in obedience. D-N-A groups are intentional in walking through this process of **Discover**, **Nurture**, and **Act** with other men and women.

Growing in Christ Together is a sixteen-week curriculum designed to help groups of men and women initiate this life-long process of discipleship. You will focus on the essentials of following Jesus through reading, conversation, community, and obedience. Be prepared: this is more than a Bible study you attend. Consider this curriculum as training wheels for creating a discipleship environment.

The Leader Guide Includes:

- Process for establishing a group and access to training videos
- Dialogue questions
- Overviews for each week
- Helpful content to open and close each week
- Creative ideas to make your group more than a meeting
- Tips, notes, and aides throughout the sixteen weeks, and what to do once you're finished
