*Growing Up with the Impressionists* Julie Manet, 2017-08-24 Julie Manet the niece of Edouard Manet and the daughter of the most famous female Impressionist artist Berthe Morisot was born in Paris on 14 November 1878 into a wealthy and cultured milieu at the height of the Impressionist era Many young girls still confide their inner thoughts to diaries and it is hardly surprising that with her mother giving all her encouragement Julie would prove to be no exception to the rule At the age of ten Julie began writing her memoirs but it wasn't until August 1893 at fourteen that Julie began her diary in earnest no neat leather bound volume with lock and key but just untidy notes scribbled in old exercise books often in pencil the presentation as spontaneous as its contents Her extraordinary diary newly translated here by an expert on Impressionism reveals a vivid depiction of a vital period in France's cultural history seen through the youthful and precocious eyes of the youngest member of what was surely the most prominent artistic family of the time *Growing Up with the Impressionists* Julie Manet, 1987 Translated and annotated selections from *Journal 1893-1899* *The Women Impressionists* Russell T. Clement, Christiane Erbolato-Ramsey, Annick Houzé, 2000-02-28 This reference organizes and describes the primary and secondary literature surrounding Mary Stevenson Cassatt Berthe Morisot Eva Gonzalès and Marie Bracquemond four major women Impressionist artists The Impressionist group included several women artists of considerable ability whose works and lives were largely ignored until the advent of feminist art criticism in the early 1970s They studied worked and exhibited with their male counterparts including Degas Manet Monet and Pissarro The entries provide extensive coverage of the careers critical reception exhibition history and growing reputations of these four female artists and discuss women Impressionists in general as they shared the challenges of becoming accepted as professional artists in late 19th century society Containing nearly 900 citations of manuscripts books articles reproductions films exhibitions and reviews this unique sourcebook will appeal to both art and women's studies scholars Each artist receives a biographical sketch chronology information about individual and group exhibitions and reviews and a primary and secondary bibliography which captures details about the artist's life career and relationship with other artists An art works index and names index complete the volume **Dawn of the Belle Epoque** Mary McAuliffe, 2011-05-16 A humiliating military defeat by Bismarck's Germany a brutal siege and a bloody uprising Paris in 1871 was a shambles and the question loomed Could this extraordinary city even survive With the addition of an evocative new preface Mary McAuliffe takes the reader back to these perilous years following the abrupt collapse of the Second Empire and France's uncertain venture into the Third Republic By 1900 Paris had recovered and the Belle Epoque was in full flower but the decades between were difficult marked by struggles between republicans and monarchists the Republic and the Church and an ongoing economic malaise darkened by a rising tide of virulent anti-Semitism Yet these same years also witnessed an extraordinary blossoming in art literature poetry and music with the Parisian cultural scene dramatically upended by revolutionaries such as Monet Zola Rodin and Debussy even while Gustave

Eiffel was challenging architectural tradition with his iconic tower Through the eyes of these pioneers and others including Sarah Bernhardt Georges Clemenceau Marie Curie and C sar Ritz we witness their struggles with the forces of tradition during the final years of a century hurtling towards its close Through rich illustrations and vivid narrative McAuliffe brings this vibrant and seminal era to life **na , Redefining Gender in American Impressionist Studio Paintings** Kirstin Ringelberg,2017-07-05 Were late nineteenth century gender boundaries as restrictive as is generally held In Redefining Gender in American Impressionist Studio Paintings Work Place Domestic Space Kirstin Ringelberg argues that it is time to bring the current re evaluation of the notion of separate spheres to these images Focusing on studio paintings by American artists William Merritt Chase and Mary Fairchild MacMonnies Low she explores how the home based painting studio existed outside of entrenched gendered divisions of public and private space and argues that representations of these studios are at odds with standard perceptions of the images their creators and the concept of gender in the nineteenth century Unlike most of their bourgeois contemporaries Gilded Age artists whether male or female often melded the worlds of work and home Through analysis of both paintings and literature of the time Ringelberg reveals how art history continues to support a false dichotomy that in fact paintings that show women negotiating a complex combination of professionalism and domesticity are still overlooked in favor of those that emphasize women as decorative objects Redefining Gender in American Impressionist Studio Paintings challenges the dominant interpretation of American and European Impressionism and considers both men and women artists as active performers of multivalent identities *Paris* Mary McAuliffe,2023-05-15 Follow in the footsteps of history to discover the hidden places extraordinary people and captivating stories of Paris Paris Secret Gardens Hidden Places and Stories of the City of Light Mary McAuliffe s multilayered exploration of Paris weaves a narrative that takes the reader into secret and hidden places even in the midst of the most well known Paris destinations McAuliffe s hidden places can be small but are always revealing whether a bas relief on an ignored corner of Notre Dame or an overlooked courtyard inside an ancient and busy hospital She takes the reader below the streets and sidewalks of Paris to discover ancient aqueducts and a lost river and she prompts the reader to notice overlooked treasures in the most trafficked of museums Always McAuliffe s focus is on people and their stories Evil queens designing noblemen bold chevaliers and desperate lovers mingle with Resistance fighters and obsessed artists rising out of abject poverty into unexpected fame and fortune adding to the tidal wave of creativity that is the lifeblood of the City of Light One person place and story lead to another each linked by a common thread within the layered richness of Paris s past The story of Paris is not a chronology but an exploration of the many layers of this remarkable city throughout the ages Monet Jackie Wullschläger,2024-09-24 A groundbreaking look at the life and art of one of the most influential modern painters of the late nineteenth century and founder of the Impressionist movement Wullschl ger emerges with a strikingly different picture of the artist Passionate prickly edgy and unstable her Monet the unrecognizable Monet is a powerful new character in art The Sunday Times London Drawing on thousands of

never before translated letters and unpublished sources this biography reveals dramatic new information about the life and work of one of the late nineteenth century's most important painters Despite being mocked at the beginning of his career and living hand to mouth Monet risked all to pursue his vision and his early work along the banks of the Seine in the 1860s and 70s would come to be revered as Impressionism In the following decades he emerged as its celebrated leader in one of the most exciting cultural moments in Paris before withdrawing to his house and garden to paint the late Water Lilies which were ignored during his lifetime and would later have a major influence on all twentieth century painters both figurative and abstract This is the first time we see the turbulent life of this volatile and voracious man who was as obsessed by his love affairs as he was by nature He changed his art decisively three times when the woman at the center of his life changed Wulfschlaeger brings these unknown passionate and passionately committed women to the foreground Monet's closest friend was Prime Minister Georges Clemenceau strong intellectual currents connected him to writers from Zola to Proust as well as to his friends Manet Renoir and Pissarro Brilliant and absorbing this biography will forever change our understanding of Monet's life and work Berthe Morisot, the First Lady of Impressionism Margaret Shennan, 1996 Examines the life and work of French female painter Berthe Morisot Explores her relationship with Edouard Manet and her friendships with Renoir Degas and Monet **Play Among Books** Miro Roman, Alice\_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science Manet and the Family Romance Nancy Locke, 2001 Edouard Manet's paintings have long been recognized for being visually compelling and uniquely recalcitrant While critics have noted the presence of family members and intimates in paintings such as *Le Déjeuner sur l'herbe* Nancy Locke takes an unprecedented look at the significance of the artist's family relationships for his art Locke argues that a kind of mythology of the family or Freudian family romance frequently structures Manet's compositional decisions and choice of models By looking at the representation of the family as a volatile mechanism for the development of sexuality and of repression conflict and desire Locke brings powerful new interpretations to some of Manet's most complex works Locke considers for example the impact of a father son drama rooted in a closely guarded family secret the adultery of Manet's pre-re and the status of Léon Leenhoff Her nuanced exploration of the implications of this story that Manet in fact married his father's mistress makes us look afresh at even well known paintings such as *Olympia* This book sheds new light on Manet's infamous interest in gypsies street musicians and itinerants as Locke analyzes the activities of Manet's father as a civil judge She also reexamines the close friendship between Manet and the Impressionist painter Berthe Morisot who

married Manet's brother Morisot becomes the subject of a series of meditations on the elusiveness of the self the transience of identity and conflicting concerns with appearances and respectability Manet and the Family Romance offers an entirely new set of arguments about the cultural forces that shaped these alluring paintings Manet and the Execution of Maximilian John Elderfield, 2006 Manet and the Execution of Emperor Maximilian ISBN 0 87070 423 0 978 0 87070 423 9 Paperback 7 5 x 9 25 in 120 pgs 35 color and 45 b w U S 29 95 CDN 36 00 November Nonfiction and Criticism
