Childhood Sweethearts PT 5 Jacob Spears, 2016-11-19 Streetwise gangster Smooth normally has all of his bases covered But a breach within his organization hints that he might be losing his touch The traitors actions result in Smooth being arrested and tossed in the Federal Pen Leaving his lover and partner in crime China all alone She tried to coax him into going straight Maybe he should've listened But the worst is yet to come Without Smooth in the picture his rivals now see an opening One that begins and ends with eliminating China However her biggest threat may come from a completely unexpected source A threat so deceptive and unique even someone as shrewd and perceptive as China could be fatally seduced by its charms

**Chasing the American Dream in China** Leslie Kim Wang, 2021-04-16 Few studies have highlighted the stories of middle class children of immigrants who move to their ancestral homelands countries with which they share cultural ties but haven't necessarily had direct contact Chasing the American Dream in China addresses this gap by examining the lives of highly educated American born Chinese ABC professionals who return to the People's Republic of China to build their careers Analyzing the motivations and experiences of these individuals deepens our knowledge about transnationalism among the second generation as they grapple with complex issues of identity and societal belonging in the ethnic homeland This book demonstrates how these professional migrants maneuver between countries and cultures to further their careers and maximize opportunities in the rapidly changing global economy When used strategically the versatile nature of their ethnic identities positions them as indispensable bridges between the global superpowers of China

and the United States in their competition for global dominance      The Eurasian Gentile Francisco A. Cruz,2014-11-15 In this book he will take you behind the scenes of views on an amazing variety of subjects from the character of the Eurasians domiciled in the San Francisco Archdiocese Who discussed relativity and the atom bomb analyzed Marxism and Communism comparing both to Christianity and Democracy It displays the intellectual grasp of both spiritual and temporal problems of our society in the signs of times From 1914 the Cruz family moved to Shanghai it resonates with today s conflicts and challenges of endless wars And it was truly providential they had survived these many years As a historian in his own right is emerging as an author of alternative history Thus an epic story on Moses of the Old Testament about the Exodus of Israelites from Egypt into the Promise Land is being retold in resemblance of this modern day narrative in The Eurasian Gentile With great conviction one who ponders the fate of the free world and speaks of America s destiny in the present world crisis and the philosophy of life and living which embraces love of God love of neighbor and love of country By the Grace of God the writer has captured all his personal history in this memoir incorporating his life experiences throughout his many travels

Legacies of Childhood Jon L. Saari,2020-03-17 Jon L Saari defines the generation of educated Chinese born around the turn of the twentieth century as the last to have the world of Confucian learning etched into their memories as schoolboys yet the first as a group to confront the intrusive Western world The legacies of growing up in a changing environment deeply affected this generation s responses to the further changes in the world they confronted as adults In the collapse of the Ching dynasty and the chaos of the early twentieth century traditional ideas of the self the nature of relationships in society and ethical behavior had to be reexamined and redefined To reconstruct what those who lived through and shaped this extraordinary period felt needed thought and became as children and adults Saari draws on autobiographical writings and his own interviews among the elderly on Taiwan and Hong Kong He interprets this material within its Chinese context but brings Western sociological anthropological and psychological insights to bear on it      Religious Entrepreneurism in China's Urban House Churches Li Ma,2019-06-27 This book offers a unique historical documentation of the development of the ambitious religious entrepreneurism by leaders of the Early Rain church and later Western China Presbytery leadership in an effort to gain social influence in China through local institution building and global public image management It unravels the social processes of how this Christian community with a public image of defending religious freedom in China was undermined by an internal loss of moral authority Based on publicly available texts from Chinese social media that aren t readily available in the West as well as in depth interviews it is framed by existing scholarship in social theories of the public sphere charismatic domination in social transition and the role of power in organizational behaviour These churches stories show how Christianity which has long been politically marginalized in communist China has not only adapted and challenged the socio political status quo but how it was also ironically shaped by the political culture This is an insightful and critical ethnographic study of one of modern China s most famous house churches As such it will be of great interest to scholars of

Religion in China as well as those working in Religious Studies Asian studies Chinese studies and Mission Studies more generally

**Shifting Traditions of Childrearing in China** Xin Guo, 2021-07-11 Unique in its intergenerational approach to understanding motherhood in China this book sets out to study Chinese mothers experiences of childrearing emphasising that gender is not immutable and that motherhood is not isolated from other social domains The author adopts an historical and sociological design with a case study approach to investigate three living generations of women from 12 families of varied social economic backgrounds in China By comparing three aspects of these mothers lives namely the growing up experiences mothering experiences and intergenerational transmission between mothers and daughters this research provides an invaluable opportunity to observe how changing structural elements shaped mothers varied subjectivities similarly or differently It also addresses the continuities of the women s experiences highlighting the gendered and devalued roles in childcare that existed across three generations reflecting the complex dynamic relationship between women s agency and China s social structures This is an essential read for researchers students professionals and practitioners in the fields of sociology of families childhood and education gender studies motherhood parenthood studies narrative studies social policy and development studies
